# **SENIOR PLAYER ONLINE REGISTRATION 2018**

**This online registration system automatically deregisters players who do not select the correct option or complete their online registration correctly. This system works very well when the correct option is selected, and the online registration form is completed correctly.**

**READ THESE VERY IMPORTANT INSTRUCTIONS BEFORE CONTINUING**

Please do not attempt your online registration using a smart phone as many attempted registrations in previous years were unsuccessful. The BFA strongly recommends using a tablet, laptop or desktop computer.

**OPTION 3: I am registering to this Club for the first time**

**IMPORTANT:** DO NOT SELECT THE OPTION '**I am registering to this Club for the first time**' if you have registered online in 2016 or 2017. The system automatically removes all registrations for any player that uses this option on more than one occasion. This includes players who are registering to play at a different club to where they have played previously. Any players who have previously registered online with the BFA and want to register to play for a new club for the first time this season need to email [baysidefasecretary@gmail.com](mailto:baysidefasecretary@gmail.com) for instructions on registering correctly for the new season.

All players who are registering online to play in the Bayside FA for the first time should select the option '**I am registering to this Club for the first time**'. You should only use this option the first time you attempt to register online. Email [baysidefasecretary@gmail.com](mailto:baysidefasecretary@gmail.com) if for any reason you are unsure if your first attempt was completed successfully. The system automatically removes all registrations for any player that uses this option on more than one occasion.

**OPTION: 1 (FOR RETURNING PLAYERS) & 2 (FORGOT USERNAME & PASSWORD)**

**PLEASE NOTE:** Use one of the first two options if you registered online in 2016 and/or 2017. Only register to a club for the first time if you DID NOT register online in 2016 or 2017.

**If you cannot remember your email address** linked to your online registration or are having any other issues, please contact [baysidefasecretary@gmail.com](mailto:baysidefasecretary@gmail.com)

By not following these instructions and registering incorrectly, **you run the risk of being automatically deregistered** by the system and being ineligible to play in any matches in the BFA until all issues are resolved.
