

## **Parental Consent for Playing Up Form**

Players can play up one age group. If a player wishes to play up one age group (e.g. eligible to play under 9 but wants to play under 11) this form is required to be completed.

**As parent/guardian of:**

First Name

Surname

**Date of Birth**

**Club**

**Current age group**

I,  (Insert parent/guardians name)

give permission for him/her to participate in the  (Insert upper age group for player to play)

in the junior competition for the  season.

I understand that my son/daughter is still covered by the AFL Queensland Juniors Insurance policy, but by playing up an age group creates a 'grey area' and I may be found negligent if my son/daughter is injured, which makes the insurance policy more open to being contested by the insurance company.

The AFL Capricornia Manager has the discretion to review the player if they deem it necessary.

As parent/guardian, I accept full responsibility for the player playing up in the higher age group.

### **PARENT/GUARDIAN AGREEMENT**

I,  (Insert parent/guardians name)

agree to the above conditions.
