### \*\*\* IMPORTANT NOTICE TO ALL JUNIOR TEAMS – WABL PLAYER CAP \*\*\*

All junior clubs & teams are advised that KDBA has introduced a new policy limiting the number of registered WABL players in any one team. The new policy states:

Junior teams are restricted to no more than three (3) registered Western Australian Basketball League (WABL) players for their eligible age competition. This includes players from Kalamunda Eastern Suns and other registered WABL Clubs. Development / train-on players do not count as a registered WABL player. Once registered in a domestic team, the WABL player will be considered a registered WABL Player for that WABL season and Season 1 of the domestic competition the following year.

Teams may play with more than three (3) WABL registered players, provided they play in a competition higher than their eligible age competition.
