## PREVIEW—ROUND 5

In the Hunter Haval Black Diamond Cup, Wyong Lakes head to Feighan Oval to play Warners Bay; Singleton makes the trek to the Central Coast to play hosts Terrigal Avoca; Newcastle City are away to the Maitland Saints, Lake Macquarie host Nelson Bay and in the BARTV Match of the Round, undefeated Cardiff head to Tumbi Umbi to play the Killarney Vale Bombers. Gosford has the Bye. Wyong Lakes, after being dismantled by Terrigal Avoca last week, head to Feighan Oval knowing they must win to stay in the top 7. Magpies coach Michael Tos will be after complete commitment on the training track this week in order to have Wyong Lakes ready for a Warners Bay outfit that will be close to full strength for the first time this season. The Magpies will look to Brayden Tos, Tyler Wood, the experienced Lee Moore and Carter Jones for clearances in the centre on the wide-open expanses of Feighan Oval, hoping to get the ball quickly to key forward Justin McPhan. The Bulldogs are expecting the return of Jack Hardman, Luke Roach, Nick Turner, Ben Crawley and Ben Hunter, five automatic members of Marty Reiman's First XVIII. Hardman missed the AN-ZAC fixture with a slight leg problem but will be fully fit this Saturday. Turner and Hunter give the Bulldogs great experience and Crawley will slot into his new role at centre-half back, seeking to take intercept marks and get the ball to influential half-back flanker Lachlan Deverell. Singleton make their second visit to the Central Coast in fourteen days, knowing they will have a huge task in trying to topple Terrigal Avoca on their home deck at Hylton Moore Oval. Roosters coach Andrew Scott has had solid performers in Scott Moore, Cam White and follower Sam Brasington this season, and will look to Jackson Kolatechew and rover/small forward Alex Mitchell to trouble the Panthers back six. The return of sublime centreman James Webster last week was a massive boost for Chris Bishop and the Panthers. Brandon Thomas has been superb as a small forward so far this season, coming second in the League goalkicking tally with fourteen goals across four rounds. Terrigal Avoca midfield will have speedy rover Jack Grimmond back this week, with Grimmond's form so far this season, particularly his run and carry, sure to cause headaches for Scott and the Roosters midfield. Newcastle City have been in very good form in their three matches this season, a close loss to early competition favourites Cardiff in Round 1 has been followed by very convincing wins over the Dockers and Bombers. Despite a significant turnover of players in the off-season, City have been kicking some good scores on the back of an effective forward line, led by Pat Gillingham and Cam Keast. Conor Haswell's move to the midfield has been an unqualified success, with his clean hands and superb delivery surely raising the interest of BDAFL selectors two weeks out from a huge clash with AFL Canberra at Manuka Oval. Maitland's long-term injury list and a couple of significant retirements are not being used by the Saints as an excuse for their early-season struggles in their first season playing Cup football. Mitch Greaves has moved into the midfield and has been solid all year, supported by the experienced Chris Pedler and ruckman Mick Norton. The acquisition of Newcastle City premiership players will provide valuable experience for the youthful Saints outfit. Lake Macquarie head home to Tulkaba Park seeking their first victory of the season over a Nelson Bay side needing some immediate victories if they are to get near the Top 7. The Dockers were undermanned last week in their loss to Gosford, but the form of ruckman Riley Janissen, winger Daniel Zuzek, Rory Sleeth and long-kicking fullback Damian McIntyre will be very pleasing to the Dockers faithful. Janissen had a great battle with the Tigers' Tristan Carter last week and will have his hands full with the League's most in-form ruckman, the Marlins' Billy Barton, this week. Nelson Bay have been inconsistent so far this season and need to dominate the centre clearances this week to put enormous pressure on the Dockers back six. Barton's on-ballers, Jayden Rymer and Adam Grinyer, were in good form last week and need to repeat that form if the Marlins are to topple the Dockers. Newcomer Andrew Last has been in Nelson Bay's top six best players all season, and the return to form last week of reliable utility Joel Erickson will have been pleasing for Marlins coach Sean McGrath. The BARTV Match of the Round comes from Adelaide St Oval, where Killarney Vale faces the undefeated Cardiff Hawks. Killarney Vale will look to pick up the pieces after running out a dominant Newcastle City last Saturday. Ryan Coughlan has been in good form for the Bombers, and Coughlan will need his very best performance if the Bombers are to spring a massive upset. Ruckman Tim Oosterhoff's battle with Hawks ruckman/forward Tom Yensch will be pivotal to the contest, as will the Bombers trying to control Cardiff's superb midfield. Coach Scott Reed will probably be picked up by Cardiff's backline general Zac Metcalfe, with Reed needing to keep Metcalfe close to the goalsquare to prevent Metcalfe linking up with Bryce Graetz and Nick Tomlinson across half-back. The gradual return to full fitness of Bombers' midfield gun Josh Mifsud from a long-term ankle injury gives Reed some real quality in the centre, something the Bombers need in abundance if they are to make a run at the Top 7. Cardiff, despite Yensch's absence last week, are travelling exceptionally well this season and it is all smiles at Hillsborough at this time. Hawks coach Nathan Harkness has an unusual forward line, going without a traditional power forward unless Yensch is resting in a forward pocket. Josh Murphy, Jack Lennon and vastly improved small forward Lachlan Price have been a combined constant menace for opposition backlines as the Hawks seek their first Black Diamond Cup since 2006. In the GE Womens Competition, Killarney Vale are at home to Cardiff; The Entrance Bateau Bay host Port Stephens; Gosford head to Bill Elliott Oval to play hosts Wallsend-West Newcastle; Warners Bay are at home to Wyong Lakes; Singleton makes the long trek to East Gosford to take on Terrigal Avoca; Maitland welcome the Newcastle City Novas to Max McMahon Oval; Nelson Bay are away to Lake Macquarie and the Newcastle City Stars head to Weeraman Field to play the Muswellbrook Cats. In the Hunter Haval Black Diamond Plate, Cardiff head to Adelaide St Oval to play Killarney Vale; Wyong Lakes are away to Warners Bay; Terrigal Avoca are at home to Singleton; Newcastle City make the short journey to Rutherford to take on the Maitland Saints; Lake Macquarie host Nelson Bay; Wallsend-West Newcastle host Gosford and great rivals Muswellbrook and The Entrance Bateau Bay do battle at Weeraman Field.

## O'LEARY BUOYANT ABOUT WOMEN'S TALENT

When Newcastle City Stars Coach, Shaun O'Leary says that more women from the Black Diamond AFL are capable of being drafted into the AFLW competition you take notice given his recent experience in the AFLW system.

"I personally think that Black Diamond AFL has got so much potential, some of the girls in this League are as good as the girls I worked with up in Darwin. I think if they get the right opportunities, albeit we are a fair way away from Sydney, we can definitely see some of these girls getting drafted into the AFLW."

O'Leary has excellent football coaching credentials, moving to Newcastle after being heavily involved with Womens Football in the Northern Territory, inclusive of working with the Adelaide Crows AFLW program.

"I like the way that the AFL has managed the AFLW for now, and I agree with the number of teams that have competed in the first two years of the competition. They haven't gone too hard too soon, and particularly with all of the junior pathways that weren't there previously, we are only going to see the quality improve exponentially as the young girls develop."

O'Leary has been very pleased with the start of the 2018 season by his Stars. "There's a long way to go in the season, of course, but I couldn't have asked for a better start, that's for sure. We have some real quality in players like Paige Mathewson, Ashlee Hayllar & Sarah Halvorsen. We have a couple of the best players in the League, we are pretty blessed. I'm actually working closely with the multi-talented Halvorsen to try to get concentrate more on Australian Rules, the sky's the limit for her."

When asked about his coaching in the Northern Territory, O'Leary explained; "I spent four years up there, and stumbled across Womens footy, spending time with the Waratah footy club, who are a powerhouse of Womens footy up in the NT. They've won six of the last seven Grand Finals, so they are a very successful team. More recently, I was working with the NT Football Academy and the Adelaide Crows AFLW Academy, working with the Darwin-based Crows players in the off-season and identifying possible draftees as well."

O'Leary explained that, over his time at Waratah AFC, several Tiwi Islanders were an integral part of the club's success. "We had four members of the one family who came across from the Tiwi Islands on a regular basis."

The BDAFL and Newcastle City took the unusual step of conducting a full draft of their female players in the off-season, creating the Stars and the Novas sides. O'Leary's take on the Draft was; "We play each other this week which will be very interesting, both teams on paper are very even."

"Personally, coming in fresh and not having seen Newcastle City previously, I think it's exciting. We have some really good, young junior talent in our team that were probably hidden away with the Novas last year, they're now getting the opportunity to play alongside Mathewson, Hayllar, Halvorsen and Kirsty Ferguson, and I think it's fantastic for the club overall."

O'Leary stated that City premiership player and Nova Audrey Gillingham was a very a good player and "she will one of the players we pay most attention to when the two sides meet."

O'Leary has just returned from coaching the Australian Defence Forces Womens team when they played the Richmond AFLW side at Punt Rd as a curtain-raiser to the Richmond-Melbourne Anzac Eve game at the MCG.

## GREAVES RELISHING PLAYING BLACK DIAMOND CUP

Maitland Saints midfielder Mitchell Greaves commenced playing for his beloved club as an Under 12 player in the Newcastle AFL back in 2007 and is now relishing the opportunity to play in the Hunter Haval Black Diamond Cup.

Injuries and retirements have meant that Greaves has moved from the backline into the midfield this season. "It's been an awesome experience playing in the Black Diamond Cup. I've been thrown into the midfield this year. I played on Jayden Rymer when we played Nelson Bay recently, just watching him is great but to play against him, he is such a star player. He is so young and so talented, that's where you want to get to with your footy."

As the twenty-two year-old Greaves approaches two major milestones this season (he has played 91 Senior and 6 Reserves matches for Maitland), he is looking forward to the two big days; "It's a pretty surreal feeling, 100 games, not many people can get to say that they have played that many games at my age. I'm only 22 this year, it's pretty good that I have been around for so long. This is my fifth year of playing seniors. I've played almost every game of every season, and I am pretty excited to run out onto the ground when the 100 games ticks around."

Greaves explained that "Dad (Kevin Greaves) and a few others started the club in 2007, starting just with Under 12s and 10s, and we pretty much worked our way up from there. We had the goal of getting a Senior team eventually, and we got there with a lot of hard work. We are now at the top level, which is where everyone in the club wanted to head. It's great that we made it, and it's awesome to see how far the club has gone in a Rugby League dominated area."

Greaves started off playing soccer before taking up Australian Rules when the Saints formed. "When I was in High School, I was influenced to play Rugby League for a bit (from 2010-2012), it was a dumb decision looking back as I could have developed a lot more as an Australian Rules player if I had kept at all the way through from Juniors. I got back into playing with the Saints in 2013 when we got back to playing First Grade footy."

Greaves and the Saints had very different experiences in the 2016 and 2017 Grand Finals, both against Singleton at Newcastle No.1 Sportsground. Greaves stated "2016 was a tough one. We came in pretty confident, we had a good side all year, and to finally make the Grand Final after being beaten by dominant sides in previous years was an amazing feeling.

That howling wind on the day was terrible, but that's no excuse, Singleton had to play in it too, we went out there and didn't play the way we wanted, and we ended up getting beat. It was very hard to cop, we had worked so hard to get there over many years.

We came back in the 2017 Grand Final, we had a few more players come back, we had a really strong senior side assisted by a few real good recruits. We really worked hard on our game, we knew that we would be coming up against a strong Singleton side again. We just threw everything we had at it, we knew it would be our last shots at playing in Grand Final for a while, as we were heading to the Black Diamond Cup in 2018. Getting the win was crazy, it was an amazing couple of days after, pretty surreal getting to celebrate, we went down in history. In the end we deserved it."

Greaves explained that the Saints are adjusting to life without Ben Stewart & Tim Sheldon (retirement) Wade Beard, Jim Taranto (season-ending injuries), and star forward Patrick McMahon ("who is unsure if he will be back this season, his leg injury is not healing as well as he hoped").

Greaves said that the upgraded Max McMahon Oval is in great nick, and not as hard as previous years. "It's much wider and the irrigation works mean that the ground is much better to play on than previous years."

We wish Mitchell Greaves and the Maitland Saints well in their first year in the Black Diamond Cup and across all competitions.

## RAWSON & CATS STARTING TO FIND THEIR FEET

Muswellbrook Cats follower Gyarn Rawson described the Cats' first ever victory, a couple of weeks ago over The Entrance Bateau Bay, as "such a good feeling, it was very, very exciting, there were lots of celebrations and it picked up the spirits of the girls after a tough year last year." They backed that win up with their second win last Saturday over Port Stephens.

When asked about playing for the Cats in their second season in the BDAFL, Rawson stated "it's completely different. Last year, it was our first year, we had to find our feet, a lot of us didn't know what to do, it took us a while to know what to expect. Coming into our second year, we have some new girls playing, and it just feels totally different. The girls have picked back up, the coaching is getting a lot better as well as our skill levels improve, it's amazing how quickly things can turn around in a year with a couple of wins under our belt. We definitely feel much more like a football team now"

Rawson advised that Muswellbrook stalwart Ken Garland is coaching the Womens team this year and he is being assisted by Grant O'Leary.

Rawson explained that the Cats are very much a family club; "it's definitely a family club, we come from a small town so everyone knows everyone, some of us have partners in the Mens team, we used to sit on the sidelines watching the Mens side and now we are actually playing each week.

It's a big family affair, my partner Cameron Davis plays in the Mens team. Cameron's a good player, but I think I have got him this year, I have more goals than him so far so there is a bit of partnership rivalry going on this year." Rawson described her sporting background; "My sporting background was mainly Netball. I played representative Netball for about five years. I played a bit of Rugby Union at school, and I have played in a few charity Rugby League games. I have always been a bit of a sporty person, but because of my height and build, Australian Rules was right up my alley."

Gyarn advised that she is approximately six-foot-tall, about the same height as former Nelson Bay and now GWS ruck Philippa Smyth. "I rucked against Pippa then went and then went and watched her play for the Giants, which was awesome. She is phenomenal. I'm not going to lie, watching Pippa set off a little fire in my belly, and I was like, this could be me or a couple of other girls if we do alright. Watching someone that I rucked against, playing for GWS, was awesome."

Rawson said that after taking up Australian Rules, tackling was never a problem for her. "Tackling is something I really enjoy doing, that has never been a problem. Playing League, Union and Netball, they are stop-start games, whereas I enjoy the skills and constant movement in Australian Rules, it's a perfect mixture. The fitness (particularly the running) has got me a bit, especially last year, where fitness got a lot of us. Once you are on the field, your adrenalin kicks in and you kind of forget that you are dying inside."

Gyarn Rawson is a Plant Mechanic by trade, working at the Mount Arthur mine, working shiftwork. "Last weekend, I was coming off night shift, and you can definitely see a difference when I come off night shift, I get a little bit crankier when I'm off night shift. Kenny says I should take full advantage of this and work night shift before every game!"

Gyarn Rawson is one of Muswellbrook's leading lights and we wish her and the entire Muswellbrook football club all the best this season and beyond.

Welcome to the Cardiff Hawks for the first time in 2018. I'm sure another great day of football will be had.

After a tough Saturday against City last week the men and women will be looking to put in a much more complete performance. But without doubt the highlight was our social team on the Sunday getting a win and our President Paul Forster with arguably a best on ground performance kicking a great goal from 45m out. Although spies tell me it was 20m out!

Next week we will be at Tacoma taking on the Magpies and bring back the Tuggerah Lakes Challenge Shield which is competed for over Senior and Junior teams. A Best on Ground Medal will be awarded for the Cup game which is named after Mitchell Gray who played for and won Best & Fairests at both clubs.

Congratulations to Marc Adams who will also be playing his 150th Game for the club today a fine achievement by a fine man.

We'd like to thank our sponsors for their continued support in 2018-

Last week the Hawks played host to Nelson Bay. It was so pleasing to see our grass hill filled with children, past players, families and friends all wearing maroon and gold. The atmosphere at our club truly is up and about due to the support we receive.

First Grade boys won their fourth straight game for 2018 giving the club its best start to a season since 2011. Our Ladies fought extremely hard against the highly experienced Bay outfit and the Reserves had a dominant win showing the depth of talent in our playing group.

Thank you to all who supported the iPod Shuffle Night last week at The Duke Hotel. Congratulations to the winners Shez and Matty Vukovich and thanks to Abbey and Lynn who ran a great party. Next week our Annual Ladies will be held at Hillsborough Oval.

This week we face Killarney Vale in all grades. Best of luck to all grades. Go the Hawks

For the second week in a row we have all three sides competing at home, this time against Singleton.

We had a great week on and off the field with both men's sides scoring good wins and the women having a very promising result against Wyong Lakes.

Best for each grade were Roach and Bury in reserves, Danckert and Korsch in the women's and Webster and Thomas in firsts.

The club also had a great function at Mumbo Jumbos and we look forward to all our upcoming events at major sponsor, Breakers Country Club.

Good luck to all three teams today and let's hope we can come away with 12 points.

Last week was an emotional and very proud week for the Roosters as we brought back home once again the Bryan Childs memorial shield. We were honoured to play for him and win the trophy in front of his family, and loved having them back at the club rooms for our presentation where we could spend time remembering our mate and all the wonderful times spent with him. Our plate side improved on their previous week's loss against The Entrance Bateau Bay, and the Roosterettes went down in a nail biter against Maitland. The incredible progress of our women's side was on display once again, losing to Maitland by just 6 points, a complete change of tides to their results against the same team last year. This week sees all three grades travel to Terrigal to take on the Panthers, it will be a tremendous challenge for the Roosters but one we are definitely keen for. The Diamond Cup side will take on the 2014 and 2015 premiers, an almighty task to beat this well oiled machine, but the Roosters are a different side to when we last faced them after stepping up a division and we are ready to compete at the highest level against one of the leading clubs in the league. The Roosters have a tough few weeks ahead playing some of the most dominant teams, following Terrigal Avoca our sides take on Newcastle City, Wyong and Port Stephens so we are looking forward to the strong competition and rising to the challenge. After the games tonight we will be back at our major sponsor The Criterion Hotel for the best pub feed in town and a few cold beers with friends! Preso kicks off at 6.30, see you there!

We welcome Nelson Bay in all three grades to Tulkaba this week. We look to have a quite a few guys to come back in as we work towards lifting our defensive game against another tough opposition. Last Saturday we scraped together a team with many injuries an unavailability's. Gosford proved to be strong with their positional play and we were only able to compete with them in the 3<sup>rd</sup> quarter. Riley Janissen and Rory Sleeth worked tirelessly all day and Harley took a couple few sweet grabs that he will be dining out on for a while. The return of the experienced Jordan Reynolds with after his second game back in the top grade will be a major benefit, he just needs to work on his kicking as BarTV commentators hilariously noted. Damian was also outstanding in only his second game back after about 5 years away from football. The women are still coming together and are facing a stiff challenge against the regular grand finalists. They will also be welcoming 4 or 5 players back into their squad after being unavailable last week. Keep an eye on new player Brianna Trappet, now in her 3<sup>rd</sup> game, has been one of our best and improving with every game. The stand out player was Carla Hill who was energetic all day but was missing her partner in the middle Holly Kozlik. Haley had her best game to date and even picked up a 6 pointer. The players in all grades now what the challenge is today and we are looking for them to step up with intensity and make it a great day at Tulkaba Park. After the games we encourage all players and families to head back to the Toronto Hotel, who knows you may even hear Harley talking about his one handed mark from last week. Go Dockers!!!

Round 4 saw all three grades away to take on Cardiff  
 The girls walked away with a 119-point win to keep them undefeated in the 2018 season. Jesse Jakubowski was a stand out with kicking 9 goals and also being placed with best on ground  
 The reserves were unlucky to not come away with a win, the team was supported with David Wood and Nick Ridgeway.  
 The Seniors were determined to make up for their previous weekends loss but unfortunately Cardiff were the stronger side this day. The premier Marlins side continue to show strong initiative.  
 This weekend we all head to Lake! Good luck to all 3 sides!  
 Reminder next weekend is not only Mother's Day, but it is also the Marlins annual Pink Sports Day. We use this day to raise much needed funds for BCNA (Breast Cancer Network Australia). All 3 sides are playing at home, so come down support the teams and a well deserved charity!

Go Marlins!

A split fixture last weekend for our teams with the Twos at Muswellbrook for their first Friday night game and the Ones and Women at Singo. It's not often teams come away from a game happy on the back of a 150 point defeat but, after scraping together a team decimated by injury and concerts and traveling the 90 minutes to get to the game, the effort and play of the Twos was just outstanding. In a game played in great spirit and outstandingly umpired, the first night game at the Cattery was one to be remembered. Truman led brilliantly from the front with Cuz and his big bum in the ruck and Matty and Chris playing well at the back being part of a terrific team effort. Many thanks for the Cats for permitting players across for the game. We need them again this week so we're not giving them back. Our ladies played out a terrific game too against a really competitive and committed Singo side that continues to improve. Whilst our ball movement is still developing, the attack on the ball was a feature and they ran away with a solid win in trying conditions. 2.11 might not win many matches but it got this one with Amy kicking both goals and leading our best with Jodie, Anna, Darci, Jade and Bish. A good effort that keeps the ladies towards the top of the table. Our Ones had another slow start going four goals down in the first quarter and, while the effort improved, the execution still let us down with too many dropped marks and fumbles allowing Singo to control the tempo. It was a slow bleed throughout the game and Singo were deserved winners of the Bryan Childs Shield as they proved our nemesis again. Mitch was again outstanding with Junior, Azza and Scotty showing what some serious commitment can do with Willy showing the class he will bring to the club as well. This week, City. Heads down and get to work, boys and girls. A good team effort in all three grades will see us continue to improve against good opposition. Get around each other and go the Saints!

Great day on field for Newcastle City with 3 big wins at No.1 and another to the Novas down the Coast. Off field we paid tribute to Mark Lonnon by retiring the No 27 jumper for the season. A huge thank you to the army of volunteers that got us through the day, the Senior players who turned up at 10am to help with the Reserves, the Reserves who hung around to assist with the Stars and the Stars who came straight off the field and went to work for the Senior game. Last but not least a big thank you to the committee members who were first to arrive and last to leave and made sure our first home games went as smoothly as possible. Today The Cup and Plate sides and the Novas take on Maitland whilst the Stars head to Muswellbrook. The netballers are also back in action with Bluebells v Wests and Bluebirds v Stockton. Awards at the Commonwealth Hotel from 7pm this evening, we hope to see you there.

With the Black Diamond Cup side enjoying the bye all eyes were on the Women and the Black Diamond Plate sides who took on newcomers, Wallsend-West Newcastle.

The ladies team played a scratch match due to the opposition unable to field sufficient numbers. We commend Wallsend-West Newcastle Women on continuing to show up. You are a credit to yourselves and your club and we encourage you to keep working at it as we are sure it will happen.

The resses boys battled hard and thoroughly deserved getting their first win up for the season. Well done to everyone involved after a tough couple of weeks with a lot of unavailable players.

Today we welcome Wyong Lakes to Warner's Bay in all 3 grades which promises another 3 fascinating contests. It promises to be a big day at Feighan Park where we will also be celebrating sponsors day to thank all those wonderful people and businesses that contribute and are a big reason why the club is able to run day to day.

We would also like to thank the Cardiff Footy club and everyone involved who made the Anzac Day clash run so smoothly after the unfortunate break in at the club during the week. After the game we invite everyone back to the Warner's Bay Hotel to get together after a great day of football.

The Magpies left the nest for the first time this season last week and headed to Terrigal Avoca in all three grades.

The Plate side had a hard game against the Panthers resulting in a loss of 0.2.2 to 30.17.197. Scott Higgins, Ben Daymon, Nathan Doyle, Dean Smith and Brad Ede were all standouts.

Women's took home the only win for the day with a score of 9.6.60 to 1.2.8. The girls came out strong today and sustained high intensity throughout the game. Powerhouse Aleece Williams kicked 3 goals. Sarah Ball, Rachel Potts and Emily Bohan were awarded best on ground.

The Black Diamond Cup men had a physical game and endured their first loss of the season against Terrigal-Avoca, the final score 6.3.39 to 27.13.175. Lee Moore, Carter Jones and Andrew Raslan all put in strong performances.

This week we are off to Warner's Bay to verse Bulldogs! #upthepies

The Swans battled in Round 4 with an injury laden women's team, School Holidays and 'Groove in the Moo'....but despite these hurdles, we were able to rise above the challenges and play footy. Once again The Swans played at home on the hallowed turf of The Swamp (Bill Elliott Oval) and despite some early rain, the ground held up well to two games of Senior Footy. Special thank yous to our volunteers who helped set up and pack up, run the day and work the canteen, with honorable mentions to Brian Gaston, John Fitter and our walking

wounded players - Tamika, Lauren, Pete and Kurt. The women, who still have not reached the magic number of 14 players, and with many out injured, still turned up for a scratch match with Warner's Bay. This is fantastic for an emerging team as it shows their willingness and determination to play, and we congratulate them on this tenacity and hope soon they will have enough numbers so they can start to win some championship points. Once again great sportsmanship from the opposition team who lent us players and gave our ladies the opportunity to play a game. The only real dampener on the day, was that the captain Sarah Leslie scored a broken finger - which only adds to our injury woes. Again as always the women played well and with guts, putting into practice what Darren is teaching them at training. Best on ground - Rooslyn, Meg, Grace D, Sarah, Lisa and Grace H. Remember, if other teams have surplus women players or there are players out there who want game time every week (and are warming a bench) or you know of potential players - we still need at least 5-6 players to get us above minimum numbers. If you can help or are interested contact our coach Darren Bird on 0404 839 317. With Ryan and Jono away on leave this week, Peter Stevens stepped up to take on the duties of coaching the team. Add in the younger players away (at Mooing, this was a great challenge. Thankfully, the recruitment wheel for this team is still going steady, and we welcomed a number of new players, Rod, Brandon, Jimmy, Zac, Tim and Kieren. Once again the lads but in a fantastic performance against the Warner's Bay boys, playing four strong quarters of football, and likely missing out on a win due to a few missing key players and the fact we are still a new team finding our steps. Great to see both Kaeden and Liam add to their goal tally, with Kaeden still leading the team as our highest goal kicker for the year - well done boys. Best on ground this week - Justin, John, Eddie, Liam, Aaron and Aiden B. As always, a big thanks to our sponsors, The Family Hotel, McDonalds (Wallsend) and Bodyworx (and again to Charlotte Watkins who put in her second week with the team).

What a weekend for the club it was last week. With a forfeit win in a ressie and two strong wins to the ones and women resulted in the club having the perfect weekend.

The women started off the day against Lake Macquarie with a percentage boosting win. Ange was fantastic up forward again kicking nine goals and Rhe had her best game kicking a career high eight goals. After round 1 the girls have bounced back well and will look to continue this form for the next few weeks.

In First Grade, the boys also pushed their percentage up with a 120 point win. Playing to the structures more and more each week, the boys have moved to 3 and 1 and sitting third heading into the bye. Timmy had a day out kicking eight goals and skipper Boob was best on awarded by the BarTV commentators.

This week, the ressie and women travel to Wallsend to take on the Swans while the ones take a well deserved week off.

Hi Footy Fans,

Last Saturday saw our men's team play Singleton for the 2nd week in a row. The guys played some great footy & ended up having a good win. Our best players were Captain Besley, Ollie, Matty J, Shauny G, Maxi & Senior Besley. A massive thanks to Mark Shelly for umpiring.

Our women's team played at home against the Newcastle Novas. The score line wasn't pretty but our ladies tried hard all game.

Best players were Naomi, Hangry, Jen, Reedy, Bricky & T-Rex. Thanks to The Pres & Connor for umpiring.

Our ladies have improved a lot in the past few weeks & are excited to play another new club in Port Stephens today at the home of footy. It should be a great game to watch & hopefully we can get our 1st win up for the season.

A big shout out to our sponsors who help support our club.

Facebook: Port Stephens Power AFL

Perfect footy conditions for Round 4 saw Port Stephen's Power welcome the Muswellbrook Cats to Ferodale Park with a well fought game, although the Cats took the win it was great to see 3 brand new members to the Port family. Erin Hooper became Port Powers historic first ever goal scorer when she kicked a beauty in the second quarter. Best players for the round were Kelsey Hunter, Tia Davidson, Jess Elloy, Ash Craddock, Josie Johnson and Melody Harris, great effort ladies and well deserved.

This week sees the Port ladies head down the freeway for the first time this season to the Bateau Bay Sports Facility where we meet the newbies from the South, The Entrance Bateau Bay with both of us looking for our first win in the competition.

We thank all our sponsors, players, officials and volunteers that make every game day possible.

The NCCUA would like to congratulate three umpires on achieving a milestone.

A major milestone in NCCUA & BDAFL history will be achieved today at Hylton Moore. Black Diamond AFL & NCCUA Life Member and NCCUA Hall of Famer, Darrel Luck will be umpiring his 400th Black Diamond AFL Match. In doing so Darrel becomes only the second NCCUA Member to achieve this milestone behind fellow BDAFL & NCCUA Life Member John Sullivan.

Let's take a look at the break down of Darrel's impressive tally. 292 BDAFL Cup matches (289 Field, 3 Goals), 52 Under 18's Matches, 29 Reserve Grade, 18 Plate Matches, 5 Second Division Matches and 4 Women's Matches.

Congratulations to Darrel 'Plucka' Luck on this amazing achievement and we can't wait to see in your next milestone.

On the Luck milestones, Mayai Luck last week became only the 8th NCCUA Umpire to officiate in 50 Black Diamond Cup matches as a Boundary Umpire. Well done Mayai.

Congratulations also go out to Jack Bradley who became the NCCUA's 181st Boundary Umpire in the Black Diamond Cup competition.

Congratulations to Darrel, Mayai and Jack. Good luck to everyone for round 5.
