OPERATIONS MANAGER REPORT

NOELINE ELVIN

Operations Manager - AWJFL

After a long preseason, round 1 is finally here and we welcome everyone to the 2018 season and wish you all the best.

On behalf of the League I would like to thank our League sponsors Lewis Homes, who continue their commitment to junior football as the Albury Wodonga Junior Football League major sponsor for the 2018 season. I would also like to welcome our new Official Game Ball and On-field Apparel sponsor Albury Wodonga MG. The contribution of businesses like this are invaluable to junior sports and we look forward to a successful year together. Please remember that support and sponsorship such as these are rare and we should always remember to support those who support us!

The AWJFL has a strong history of focusing on participation which will continue into 2018 and beyond whilst we provide an environment which develops players of all abilities. Our league is committed to providing a safe environment for participation with our number one goal and hope that your child has a safe and structured environment to learn and enjoy the game of Australian Rules Football. Aggressive, threatening or other inappropriate behaviour by players, their families, their friends, and other sporting personnel while attending a game or event will not be tolerated. The AWJFL Codes of Conduct provide all participants players, parents, coaches, umpires, spectators and

officials – with some simple rules that assist in delivering a safe and positive environment to everyone involved in the game. I strongly recommend that everyone connected with the AWJFL adopts these rules as an essential part of the way they contribute to our great game. Please take a moment to read over the new Codes of Conduct as well as the Cyber Safety & Social Media Policy – www.awjfl.com.au.

The off season always presents both challenges and opportunities which has seen a growth in numbers for some clubs whilst others have been prepared to work together to maximise the available junior players and ensure as much football as possible is played. The role of league management and the AFLNEB structure is to work closely with clubs to maximise participation and promote the values of the AWJFL and junior football more broadly.

With a collaborative approach from AFLNEB, the League and our Clubs, 2018 is set to be an exciting year for our junior football.

Finally, I look forward to working with the AWJFL Board and all AWJFL club volunteers again this season. I hope this year is as enjoyable as the previous one, with many challenges and plenty of memorable moments for the AWJFL.

Good luck to all clubs and players.
