PREVIEW—ROUND 8

Round 8 of the Hunter Haval Black Diamond AFL competition will be played this Saturday, with a number of teams looking for a win to improve their chances of playing finals in 2018. The Round will also see the BADFL celebrate Indigenous Round with a number of clubs wearing specially designed guernsey's for the day. In the Match of the Round, Warners Bay enter a season-defining seven days this Saturday, with Terrigal Avoca at home followed by Newcastle City at No.1 Sportsground. The return from long-term injury of follower Jake Roach was a massive boost last week, and Saturday will give Bulldogs Coach Marty Reiman his first opportunity to select from a full squad all season, after Jack Hardman and Ben Hunter missed last Saturday's solid win over Gosford at Adcock Park. Warners Bay sit a game and 70 percent in front of Wyong Lakes and Singleton, and an upset win over Terrigal Avoca would see them draw level with the Panthers on 5 wins apiece. This game will be won and lost in the midfield. Coach Chris Bishop has a multitude of players able to rotate through the middle, and Sam Ellis' battle with improving Bulldogs ruckman Tom McDonell will be important to both sides chances. Warners Bay may elect to put a tag on the influential and wily Bishop, with Nick Turner an option to play on the Panthers coach. The Bulldogs backline, in good form of late, will have their hands full with Pete Van Dam, small forward Brandon Thomas and Ellis when he rests up forward. Kayne Gibbs will start in the goalsquare and may have Will McKellar for company from the get-go. This game should be a cracker and BARTV coverage commences from Feighan Oval at 1.55pm. Nelson Bay, last start losers away to City, return to Dick Burwell, where they are normally a six goal better team than when they are on the road, when they host Gosford in a game they need to win if they are to keep in touch with the top 7. Reliable backmen Joel Erickson and David Wood always give coach Sean McGrath their very best efforts in support of stars Rymer, Adam Grinyer, Chris Eddy and rugged big man Andrew Last. McGrath will be hoping for the return of consistent ruckman Billy Barton to boost their chances. Gosford sit in sixth place on the ladder and must find their best away form to challenge the Marlins. Tigers coach Josh Barty was outstanding last week against Warners Bay and will need a continuance of that good form as the Tigers seek to quell the influence of star Nelson Bay follower Jayden Rymer. With an injury cloud over centre-half back Scott Burkinshaw, Barty must get four quarters of consistent football from Tristan Carter, Daniel White and gun forwards Tim Eather and Adam Lyons. Newcastle City have been in scintillating form since a close Round 1 loss to Cardiff. Patrick Gillingham's extraordinary 11-goal haul last Saturday during City's 100-point victory over Nelson Bay capitalized on great work up the ground from representative backman Conor Haswell, burly ruckman Cam Keast, Mitchell Knight and the speedy Jackson Crawford. Wyong Lakes badly missed Chris Koop-Folkes (fractured cheekbone) last week and will be without the experienced follower for at least another five weeks. Ruckman Brendan Charlton, rover Leigh Moore, rangy fullback Carter Jones and Brayden Tos were in fine form against the Roosters last week and coach Michael Tos will need an improved performance this week if the Magpies are to upset a very confident City outfit. Maitland has won just the one game this season, and welcomed back star forward Patrick McMahon for host game of the year last week. McMahon's immediate good form was a big lift for the struggling Saints, who are still coming to terms with the absence of Wade Beard, Jim Taranto, Tim Sheldon and Ben Stewart. Mitchell Greaves has been a standout this year for the Saints who have improved through the acquisition of veteran midfielder, Andrew Willmott. The Saints will be confident of upsetting Killarney Vale however to do so will need to put in the same effort they displayed against Cardiff in the first half last week, however they will need to do it for the full four quarters. The return of veteran full-forward Bryce Singleton has been a real shot in the arm for Scott Reed and his Bombers. Singleton kicked ten goals against struggling Lake Macquarie last week, and Maitland coach David Ross will have sleepless nights on deciding a match up for the dynamic forward. Centre Josh Mifsud is just about back to full fitness and form after a debilitating leg injury ruined his 2017 season and 2018 pre-season. Club legend Dane Amidy continues to close in on 300 First Grade games for his beloved Killarney Vale, and his experience provides great leadership for the youthful Bombers outfit. Singleton produced a solid defensive display last week in their win over Wyong Lakes, but undefeated Cardiff present the Roosters' biggest challenge of the season so far. Brandon Quinn provided run and carry last week for coach Andrew Scott and will have a huge battle with Cardiff's midfielders Simon O'Brien, Jack Lennon and Matt Vukovic. Scott and Alex Mitchell moved between the half-back line and the centre at will last week, with gun ruck-rover Sam Brasington showing the benefits of playing in Gippsland last year. Brasington's expected battle with Marcus DeLeur will be a highlight this Saturday. Veteran full-forward Travis Bates, fresh from a polished five goal effort last week, will have his hands full with Zac Metcalfe this week. Cam White may be the initial matchup for gun small forward Lachlan Price, with Price's blinding speed sure to be a problem for Singleton's back six. In the GE Women's Competition, The Entrance Bateau Bay host Cardiff; undefeated Nelson Bay welcome third-placed Gosford to Dick Burwell Oval; the top of the ladder Newcastle City Stars venture to Tacoma to play Wyong Lakes; Warners Bay are at home to Terrigal Avoca; Port Stephens host the Newcastle City Novas; Killarney Vale head to Rutherford to play the Maitland Saints; Singleton are at home to the Lake Macquarie Dockers and Muswellbrook have a good chance at their third victory of the season when they host Wallsend-West Newcastle at Weeraman Field. In the Black Diamond Plate, Muswellbrook host Wallsend-West Newcastle at Weeraman Field; Gosford make the long trek to the Tomaree Peninsula to play Nelson Bay; Newcastle City will present a huge challenge for Wyong Lakes at Don Small Oval in Tacoma; Warners Bay welcome Terrigal Avoca to Feighan Oval; Maitland host Killarney Vale at Max McMahon Oval; Singleton are at home to Lake Macquarie and in a big Top 7 clash, third placed Cardiff play The Entrance Bateau Bay at the Bateau Bay Sporting Facility.

Warners Bay custodian Lincoln Stewart is a living example that you are never too old having made his representative debut at the ripe old age of 36 in the recent fixture between the BDAFL and AFL Canberra at UNSW Canberra Oval.

Playing representative football at 36 years of age is a wonderful achievement for Lincoln Stewart. "I thought I was in the mix for the squad, and when I was advised that I had been selected, I was thrilled. Being at rep training was amazing, the skill level was outstanding. The camaraderie amongst players that you play against each week was excellent, everyone got along so well. It was an absolute honour to be selected."

"The game itself was a tough day at the office. You learn a lot in games like that. You have run so much more to play at that level, their speed in the forward 50m arc was amazing. The BDAFL will be a lot better off for having played against AFL Canberra and when they come up here next year, it will be a lot closer".

Stewart earned his debut after an excellent start to the season in his normal fullback role for the Warners Bay Bulldogs.

"I have been happy with the way I have been playing this year and it has helped that our backline is pretty settled with designated roles".

Stewart definitely feels that Warners Bay will be contenders at the end of the season. "It's definitely the most depth we have had in the club for a long time, probably since I have been there. We have always struggled if people were injured or had work commitments, but this year we have got that depth and we are just about at full strength now. We have a couple of big weeks coming up, Terrigal Avoca then Newcastle City at No.1."

Stewart didn't come to the game "until quite late, which, haha, explains a few of my skill issues, especially kicking the football. I played a lot of hockey as a younger person, and before that I was a swimmer. I went to school at Marist College in Canberra, the same school as the Wallabies' Joe Roff."

When asked about how he started playing football with the Woden Blues in 2012, Stewart explained that "I was always a fan, and I wanted to play a contact sport, as the sports I had been playing are not really contact sports. Swimming is an individual sport and Hockey, there is very little contact. I craved playing a full contact sport, I just wanted to test myself and see if I could do it."

Stewart was born and bred in Canberra, "I spent 30 years of my life there. I only came up to Newcastle in the last five years. Making my representative debut at Manuka was like a home ground in many ways. I don't miss the cold down there, it certainly became chilly in the last quarter. We did our team walk at about 11.00am and it was still foggy, but you know it's going to be blue sky when there is fog like that in the morning."

Stewart and his then partner (now wife) Suzanna decided to move to Newcastle "as it is actually very expensive to live in Canberra, with so many people in Government and in Parliament having good salaries. Housing is quite expensive, so we just wanted to try something different. We had some friends up in Newcastle, we travelled here quite a bit, and wanted a sea change, and knew that housing would be more affordable. We packed up and came up.

When we initially came up here, we were living in New Lambton, which isn't really close to Warners Bay. I had a look at the ladder, and I wanted to go to team that were in the middle of the ladder. At that time, 2013, I think that the Bulldogs were on the fringe of the Finals. I contacted the club, came down to training and off I went. Lincoln Stewart is an integral part of the Warners Bay backline and we wish him all the best in the future.

BDAFL SUPPORTS INDIGENOUS ROUND

The Black Diamond AFL (BDAFL) will once again support the AFL's indigenous round (known in AFL circles as Sir Doug Nicholls Round) where it gives the football community the opportunity to formally celebrate and acknowledge Aboriginal and Torres Strait Islander players, communities and cultures.

A number of BDAFL clubs will once again wear specially designed guernsey's for the day, whilst many will also hold special pre-game ceremonies to celebrate the occasions.

ANOTHER SCOTT HAVING AN INFLUENCE AT SINGLETON

Influential Singleton half-back flanker Lynan Scott has been in great form this season, following on from her first season playing Australian Rules Football in 2017.

The Roosters are sitting comfortably inside the Top 7 and are looking toward their first Finals Series this year. Scott described how the Roosterettes are going right now; "Everyone's playing really well together, we are getting excellent numbers to training every night, it's a good feeling right now."

Scott is the wife of Singleton's Black Diamond Cup Coach Andrew Scott. When asked about rivalry in the household, Lynan Scott laughed and advised "It's always fun to challenge each other, and also to support one another as well. When I first started playing Australian Rules, he was always out there running water and helping me out, he's been very supportive of me. He's a good man."

Scott has an interesting sporting background; "when I moved down here, I played League Tag, which I still play now on Sundays. Other sports I enjoy are Tennis, Golf, Touch Footy and I used to play OzTag in Brisbane. When I moved down here, I wanted to join a team, which is how I became involved in League Tag. Then I started watching Andrew play Australian Rules, after which I started turning up at footy training. I was training with the Mens team to start off with just for fitness, then started training with the Womens side, then commenced playing. This is my second year playing the game and I am absolutely loving it."

Scott is playing across half-back this season in a bid to capitalize on what she believes is her greatest asset; her speed across the ground; "I always play on the wing in League Tag to use my pace, I got into the Hunter Rep Team for League Tag this season but missed out because I tore my hamstring recently, which has also knocked me out of playing for the Roosters. I am hoping to get back on the field in the next week of two as I am not enjoying being in the sidelines. I did my hammy last year as well, so I am looking after it and making sure that I do not come back too early."

Scott also indicated that she would love to be involved with the Hunter team at the BDAFL Womens representative three-way carnival to be played at the home of the Port Stephens Power, Ferodale Park in Medowie, on Saturday June 21.

Scott, who was born in Melbourne, "spent most of my school-age years living in Grafton in northern NSW. I then went up to Brissy for Uni and that's where I met Andrew." Scott advised that she has a Mining and Geotechnical Engineering Dual Major, part of the Bachelor of Engineering (Honours) program at the University of Queensland. Lynan Scott is working as a Mining Engineer at Bengalla Mine, just west of Muswellbrook and about 40 minutes from Singleton. "It's a good job, I work Monday to Friday which is great as it allows me to play sport on weekends. Andrew is also working in Muswellbrook, as a Physio Assistant at Muswellbrook Hospital."

Lynan Scott stated that the Singleton Roosters are a great club with an excellent culture. "We all come together and support one another, we have great supporters in Singleton that provide extra sets of hands at our games, purely for the love of the game. The club has a good vibe and is great to be part of."

We recognise indigenous players and their cultures in our club and game this week. Our young members Tahlia Thompson and Chelsea Croucher have designed the Roosters indigenous guernsey for this round and don't they look fantastic. Great job girls. We have all grades at home this week. Plate and Womens are up against Lake Macquarie and Cup will hit it out with Cardiff Hawks. Womens and Plate have great chances to answer back from last week's loss. They are eager to kick the day off in winning style and set the tone for Cup to follow. Cup have waited for this challenge for some time and are out to end Cardiffs undefeated season. The Roosters strive on these challenges against the league's best. The team has developed and having taken a lot from Terrigal and Newcastle City games in previous weeks and will throw everything at Cardiff in this match as underdogs. In last week's games our women had their winning streak come to an end with their 30 point loss to Wyong. Coming off the round bye seemed to have the Roosterettes a little flat footed as they chased points all day. It was a physical game with many bruises coming through after the game. It was still a great effort from the women who fought hard all game. Chris Faulder's 150th and Jamie Hancox's 50th wasn't enough to lift the Plate team and get them over the line against Wyong. It was great to welcome Mick Phillips back into the team who starred up forward with 6 goals. In the match of the round the Roosters enjoyed a 39pt win over Wyong. Sam Brasington starred on the day and amped up the crowd with 2 speckies. It was great to welcome Joe Carrol and Brenton Potter into the team for their first games. Also it was good to have Travis Bates return and have him lead the goal scoring with 5 goals. The club is back at the Criterion hotel for dinner, drinks and post-game presentation this week.

After months of planning our Inaugural Indigenous Round Event it all came together. On a beautiful sunny day at Hillsborough Oval the Hawks played host to Muswellbrook in Reserve Grade and Ladies games while the seniors battled the newly promoted to first grade, Maitland. Some of the highlights of the day included. Specially designed jersey that plays tribute to the Awabakal land and people being presented to players by the major sponsor of the day Yarnteen. Two jerseys that had significant meaning were Jackson Terley playing his first senior game for the club and another being Zac Metcalfe playing his milestone 100th game. Congratulations to both men. The official ceremony was presented by elder Ray Kelly which was a great reminder of how the game can unite a community. Ray's son Bud concluded the ceremony with a powerful performance of the didgeridoo that had the children mesmerised and the crowd moved. The day was celebrated particularly well with the Hawks out performing their opposition in all three games in front of the strong crowd. Commiserations to Abbey Cooksley who re fractured her collar bone that ended her 2017 season, we wish you a speedy recovery Abbey. The event moved to The Duke Hotel for the evening where Warwick Thompson hosted proceedings that saw Yarnteen honoured for their sponsorship by being presented a framed Hawks indigenous Jersey. A really special moment on the night was Michael O'Loughlin popping up on the big screen and announcing to the Hawks crowd that he is honoured in having the best on ground medal named after himself and how impressed he is with the Hawks Indigenous designed jersey. Coach Harkness then announced young big man Andrew Walker as the Michael O'Loughlin medallist after a brilliant performance up forward. Coach Choppa awarded his Reserve Grade medal to Callum Spoor and Coach Cooksley acknowledged Eva Bailey's impressive game by awarding her the Indigenous Best On Ground Medal. Closing the formalities saw a lucky member win the auction prize that was the Lance Franklin, Adam Goodes, Michael O'Loughlin and Isaac Heeney signed and framed Hawks Jersey. CAFC would like to acknowledge the fantastic efforts of Warwick Thompson and his lovely wife Leanne in planning this event.

The Saints were split last weekend with the ones at Cardiff and the Twos and Ladies at Max McMahon against some quality opposition.

The Ladies played an outstanding game against a new team in Port Stephens clocking up 29 goals in a win that saw ten different goal kickers. Sarah with 8 and Jade and Jess with 4 each dominated at the front whilst Bish and Hannah dominated the centre. Great work, Ladies.

The Twos gave up their usual start in the first half, letting through 10 goals but were pretty competitive throughout. This showed in the third quarter in which they outscored TEBB but a couple of injuries told in the end with TEBB slotting five in the last. Haydo, Cuz, Chris and Scott led a pretty good effort throughout.

The Ones matched it with the Hawks for the first half in a good game of footy but the break did us no favours with Cardiff piling on 17 goals to 1 in the second half as we found out what level of fitness is required at this level. It was "welcome back, Pat" as he showed what we were missing over the first few rounds and he was well supported by Jase, Riley and Rob.

It's the Bombers at home this week in another three big games. Get around each other and enjoy our footy this weekend. Go Saints.

Last week all 3 grades travelled to Gosford. The Ressies started the day off well and after a solid 4 quarter effort they came away with a good victory. The Ladies battled hard all day in there game but were no match for Gosford who come way with a well earned victory. In the Black Diamond Cup the boys were pushed hard against a very determined Gosford side and eventually come out on top. Today we are back at home to celebrate indigenous round and also have a sponsors day to thank all the people and businesses that support our club. We welcome Terrigal Avoca in all 3 grades which promises to be 3 entertaining games. After the game players and supporters are welcome back at the Warner's Bay Hotel for after match awards. See you all on Saturday and let's make indigenous round a great day

This weekend we make our first trip off the Central Coast since Round 1 to take on Warner's Bay.

Warners Bay have been building solidly for a number of years and it should be a fantastic contest in all three grades.

Last week our Reserves took on Wallsend in a game played in fantastic spirit, running out comfortable winners although we were challenged all day by their pressure and attack on the ball.

The Women's team played a scratch match after Wallsend unfortunately couldn't get enough numbers away from home. It was a great hit out for the girls with everyone having heaps of fun.

First grade enjoyed their second consecutive week off and will be back ready and raring to go this weekend. Well done to Sam, Corbin and Jack for their great performance in the rep game.

All the best to everyone today and see you all back at Breakers for awards!

Wyong Lakes magpies travel to Singleton this weekend to take on the Roosters. Lakes Plate side came out strong from the first second till the last. Ben Kent, William Triggell and Jacob Paltridge-Carr were all big keys to the game and the final score. Dacia Price was challenged to step up and own the forward line, she did just that and was rewarded with her two first senior goal Kanasha Murray, Rachael Potts and Alanna Nicholson worked tirelessly in the midfield along with Captain Bec Ives., Emily Bohan and Sarah Ball in our backline ensured the Roosters could only manage one goal. An amazing performance saw us come away with the final score 5.6-36 to 1.0-6. Singleton proved to strong for us in the Cup game. First and second quarter allowed the Roosters to gain a 5 goal lead at half time, and despite great efforts in the second half, we were unable to pull back the lead. Brendon Charlton was one of our best with a strong game in the ruck, with support from Lee Moore and Tim Hillman in the mid field. Gavin Stokes and Braydon Tos held a strong backline. See you all back at the Don to take on Newcastle City!

Last weekend, the Marlins were hosted by Newcastle City at No1 Sportsground .

The women still continue their undefeated streak. With a fantastic 73-point win. The team went out head strong and knew what they wanted and showed this right from quarter 1. Key player Jess Jakubowski kicking a clean 6 goal and is currently holding the top goal kicker position in the competition .

Unfortunately, there were no wins for the men's sides this weekend, but all players went out hard and are very determined to get back out on the field and give it another shot.

This week sees the league celebrate Indigenous Round, both the womens and mens sides will run out dressed in their very popular indigenous jumper from 2016. All three sides will host Gosford at home.

The Marlins would also like to take this opportunity to congratulate Thomas Wood on playing his 50th game this weekend, what great achievement.

Go Marlins!

It was a tough day at Adcock Park last week for the two men's side while the Women's picked up another important win.

The Ressies kicked off the day and although the margin of as large, the boys won the last quarter and will take confidence into next week. The women were fantastic in their game playing a strong four quarter effort. First grade were gallant in defeat and know they are working towards a big win soon. This week all three sides travel up the state to take on the Nelson Bay Marlins. Make sure to get back to the Elly after the game to celebrate those who play well.

Today Muswellbrook Cats host new comers Wallsend with our inaugural indigenous round.

We will be debuting our new indigenous strip, designed by junior Riley Warner.

Riley has been a member of the Muswellbrook Cats since the forming of our junior club, and it was imperative that we kept the first design close to home.

Riley was able to incorporate the juniors, seniors and women's into the clubs growing pathways.

All jumpers with again be auctioned off at our sponsor pub the Muswellbrook Hotel from 5.30pm.

Thanks to our speciality round sponsors - Rawson's Container Services, Itravel Muswellbrook and the Muswellbrook Hotel.

Round 7 saw the Swans travel into Panther Territory over the weekend, and saw both teams fight hard to echo the pride of the Swans.

With a change in times that saw our Black Diamond Plate team play before the Women for the first time the Women were on hand to cheer on the Men as they gallantly fought hard to make the Panthers earn every point they scored and the 2 x loaned players from Terrigal Avoca both put in a great effort against their own team mates.

While the Women's team are still struggling for numbers with only 6 players being able to make the trip South for the Game, which saw yet another forfeit; the Panthers were more than accommodating with helping our team to reach minimum numbers and play a scratch match to help their skills development.

Thanks must be given to Terrigal Avoca for the efforts on Match day and even the weather they put on for us made it a great day out".

Hi Footy Fans, our men's team travelled up to Maitland last Saturday to play the Saints. We have been building quite nicely & looked to continue some good form but had several players out which was concerning. After a great start we went away from the game plan but in the end we had a good win. Our best players were Maxi, Robbo, Toddy, Postman Pat, Old Man Besley & his trusty sidekick KP. Young Robbo kicked a lazy 6, The Punter kicked 4, MJ kicked 3. The Pres even put the boots on but didn't trouble the stats man. Big thanks to Reesy, Brendo & Ned for helping on the day. Special mention to Trippa, Rio & Natasha for your efforts, its much appreciated. This weeks game highlight was Ashy wearing a fit bit & walking (or pacing) 6500 steps which was around 3km in total! Our ladies made the trip up to No.1 sports ground to take on City. With several stars unavailable it was always going to be a tough task. Our women don't stop trying & have dramatically improved their skills & understanding for the game. Thanks to the City team for their help during the game. Our best players were Stubbsy, Brick, Fish, Chippy, T-Rex, Reedy. We have a home game this week so both teams will be back at full strength. It should be 2 great games against The Hawks. This week we celebrate the Indigenous round & we would like to say a huge thanks to BDAFL legend Maurice Goolagong for designing our jumpers as they look awesome!!! Big thanks to all our sponsors, in particular The Entrance Leagues Club, Aussteel Central Coast & Bastin Transport for their continued support.

Enjoy the footy

Another week on the road see the ladies and plate team take on Singleton at Rose Point Park while the cup team enjoy a bye.

The ladies still chasing their first win of the season will have a tough match against a fourth placed Singleton. Last week saw a three goal performance and Lake Macquarie best for Sheldon Janissen and two goals to Brianna Trappet. Good to see the dockettes now putting some goals on the board and finishing strongly and should be getting close to that first win.

The plate team needs to get a solid team on the field this week and put in a strong performance against the Singleton boys. The Dockers are just one percentage point below the roosters on the table so it should be an interesting contest. Sam Hartley kicked his first goal last week in seniors while Damian McIntyre was strong again and John Shaw continues to sell more candy than Allens. We welcome back Glen Lambert who had to miss last week for his wedding.

Some exciting times ahead for Port Stephens with the announcement that we will be hosting the Women's Representative Carnival in July. We are looking forward to welcoming all the BDAFL clubs to Ferodale for what will be a fantastic day.

Round 7 saw the Port ladies travel to Max McMahon Oval to come up against the Maitland Saints. Although we went down to the Saints we all had a great game and thank Maitland for their sportswomanship.

This week we are back home against Newcastle Novas and are looking forward to using what we have learnt and seeing our improvements on the field.

Thankyou to all players, officials, volunteers, committee and sponsors for making every game possible.

Making Metres, Making Mates, Making Memories!!

BDAFL CODE OF CONDUCT

PARENTS & SUPPORTERS

Each Parent and Supporter understands and agrees to:

- Support the participants and enjoy the Match;
- Encourage participation, but don't force it;

- Recognise all volunteers who give up their valuable time;
- Never publicly criticise Umpires and instead raise personal concerns with Club Officials in private;
- Do not use remarks based on race, religion, gender or ability as many such comments are politically incorrect and it is your Coach, team-mates, Club and family that are let down with such remarks;
- Respect the facilities and equipment of their own and opposing Clubs;
- Do not engage in physical and/or verbal intimidation, abuse or conduct toward any Player, Official, Umpire or supporter. Such actions are totally unacceptable;
- Condemn the use of violence in any form, whether it is by spectators, Coaches, Officials or Players;
- Refrain from using abusive language.
- Not to enter the field of play in any sanctioned Competition Match unless granted permission by an Official to do so;
- Not take part in any form of bullying including via the use of social media;
- Not make or post inappropriate, offensive or discriminatory comments in public, including via social media, about Players, Clubs, Umpires, Officials, the AFL or the League.
