# REP PREVIEW

## New BDAFL Men's Representative Coach

**Rowan** Bilkey starts his tenure as League Coach with a serious baptism of fire: playing AFL Canberra at the wide open expanses of Manuka Oval.

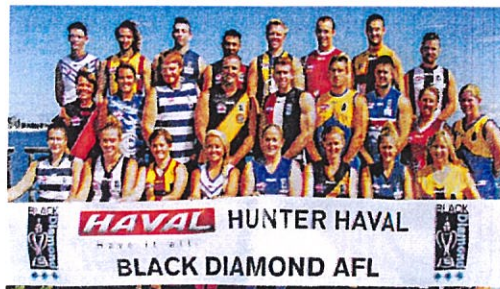

The BDAFL side has been picked a versatile, strong, fast and skilful squad based on form and includes a mix of youth and experience, all of whom are keen to test themselves against the best, and AFL Canberra have proven over many years that they are the best in AFL NSW/ACT.

20 year old ruckman Tim Osterhoff, who just missed out on debuting for BDAFL last year, will be asked to lead the way and super keen to impress against AFL Canberra. His recent form has him well placed to give the BDAFL first use of the ball, in tandem with the athletic, Sam Ellis.

They will need to be at their best as they will be up against the experienced Tuggeranong follower Matt Channon as well as the exciting Ben Perry from Ainslie.

Perry is a very talented athlete that spent time in the US on a basketball scholarship and possesses a great leap and mobility around the ground.

Once the ball hits the ground the BDAFL will look to gain an advantage courtesy of their A grade midfield led by Marcus DeLeur, Jayden Rymer and Josh Mifsud whilst Gosford, Pat Murphy could have a big role to play with his long kicking to prove invaluable at Manuka, which at 168 metres long, is eight metres longer than the MCG.

Ainslie midfield duo in Liam O'Neill and Stephen Camp are proven performer in the AFL Canberra competition and if allowed to take control of the midfield they will create plenty of scoring opportunities for their forwards. Expect tenacious Terrigal Avoca midfielder Corey Billins to have the job on curbing the influence of these players during the day.

Both sides will look to set up many of their attacks off half back with Conor Haswell (Newcastle City), the experienced Nick Tomlinson and the classy, Andrew Scott (Singleton) up against the highly credentialled, Joshua Bryce who has had great experience through TAC cup as a junior and spent time at VFL club Werribee. Bryce is aggressive at the contest and at home in aerial contests as well ground ball situations and the home side will be looking to the Queanbeyan leader to provide plenty of drive off half back.

# REP PREVIEW (cont.)

Haswell is highly skilled youngster who is in superb form and will no doubt pique the interest of the Canberra and GWS Giants NEAFL recruiters who are playing the curtain raiser prior to the representative fixture.

Both sides have plenty of quality in front of goal, whom can kick a winning score if they can get enough quality ball.

Queanbeyan's Tim Clowhry has been an effective goalkicker this year and enters the game on the back of a five goal haul last game whilst Belconnen's Luke McKay has been a revelation this year following his move forward this year with his elite skills making him a very dangerous proposition in the forward half. Bilkey will be looking to his key defenders in Corbin Bond, Lincoln Stewart, Andrew Last and Macaulay O'Malley to be able to negate the AFL Canberra forwards influence.

At the other end of the ground BDAFL captain, Tom Yensch, will have an important role as a forward/ruckman, a major focal point across half-forward. Jack Lennon, Matt Spinks, Jack Hardman and Jack Grimmond will look to sit at Yensch's feet and use their pace inside the forward 50m arc. Hardman in particular will be worth watching as the former Sydney Swans Academy member is very elusive with a big leap which was evidenced in his spectacular mark last week. He also has the ability to turn matches in a matter of minutes.

Killarney Vale Coach Scott Reed is a big game player and his clash with Eastlakes Ben Halse will be entertaining to watch.

AFL Canberra will no doubt enter the match as clear favourites however the BDAFL have proven in the past they love a challenge and they don't come any bigger than this.

**Live BARTV Coverage of this representative fixture commences at 2.55pm this Saturday.**
