

JUNIOR FOOTBALL COACH REQUIRED

For Season 2016 Under 16'S Coach

The Lancefield Junior Football Netball Club is seeking the services of a suitably credentialed coach to lead and guide our U16 team in 2016.

With a new spirit and resolve, the LJFNC has undertaken to support the establishment of an U16 team in the RDFL Junior competition in 2016. This project will need to be led by a person who brings the qualities and attributes needed to successfully achieve the Club's objectives and most importantly, present the players with the opportunity to achieve all they possibly can in the game.

This team, and the inclusion of an U18 team in the next 2 years, will see the LJFNC as the natural feeder club and talent supplier for the senior Lancefield Football Club. It is also the aim of the Club to ensure the talent is seen by the "right" people so as further elite opportunity is available to all players.

The Club's Committee has spent much time and effort developing a program for this team and allocated resources that will ensure the project's success. Commitments from players have already been received and an array of innovative measures has been signed off to ensure the immediate success of the team.

With the support of the Committee, parents and mentors, the Coach will need the energy, drive, knowledge, respect and resolve to be the face of this project and guide its' success. Interested candidates should contact the Club President, Andrew Memmolo on 0419 878 503 or email your application to andrew.memmolo@outlook.com.au

Applications are to be submitted by June 22nd, 2015 with an appointment expected to be made by mid-July.

Please note that this is a voluntary role with out-of-pocket expenses reimbursed.
