

EATON BASKETBALL ASSOCIATION

REPRESENTATIVE FUNDING

EATON BASKETBALL ASSOCIATION (EBA) seeks to support and encourage its members to progress through to State/National levels and into recognized competitions. It is acknowledged that for members selected to be part of a representative side, considerable financial commitments are involved and the EBA chooses to provide the opportunity for its members to apply for financial support.

To be eligible to apply for EBA sponsorship, the athlete must be a current financial member of EBA, playing in an EBA Representative team and selected to represent:

- A touring team travelling either interstate or overseas to participate in a tournament or event recognized and supported by Basketball WA.
- WA at a National Basketball Championship recognized by BWA;
- Australia at a BWA recognized International Basketball Championship; and
- WA as a Referee at either National or International Basketball Championship recognized by BWA.

As it is possible for an athlete to gain continuous "state" selection over a number of years, it has been necessary for EBA to devise a funding scaling system as set out below. For the 2018/19 season, the following funding scale will be available:

Category	Funding Years		
	1 st	2 nd	3 rd of more
A (max. 2 yrs)	\$150	\$100	
B	\$175	\$125	\$100
C	\$200	\$150	\$100
D	\$150	\$125	\$100
