CLUB NEWSLETTER – Addition 3 – 31.5.2015

Congratulations to Brett Hobbs who has played his 400th game for the Girgarre Football Netball Club. Brett has been involved with the club at many different levels from President, coach, assistant coach and star player. The club has benefited immensely from the dedication and support Brett and his family have offered over the many years involved.

Congratulations to Kerisha Milnes on yet another great milestone at the club. Kerisha has played her 100th game for the club and is another example of an amazing club player. The Girgarre FNC is thankful for the dedicated hours Kerisha and her family put into around the club.
