# OPERATIONS MANAGER REPORT

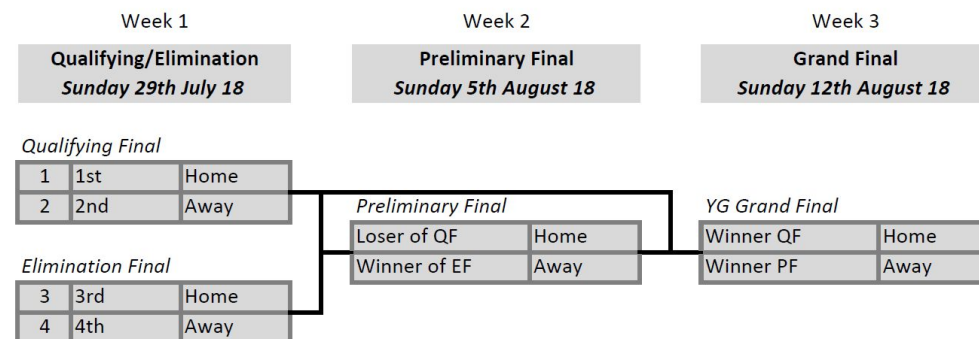

## NOELINE ELVIN

League Operations Manager - AFLNEB FFL

With only two rounds of home and away football left to play preparations are well under way for a great finals series with a final four format.

## AFL NEB FFL FINALS FORMAT

Not every team can play finals or win the premiership and I think it is important for the teams finishing the year at the conclusion of Round 14 to reflect on the positives which can be as simple as fielding 2 sides every week and laying the foundations for change or improvement next year.

Some reminders to Clubs and Spectators as we approach finals:

- You cannot enter the ground during play unless acting in an official capacity for your club and are named on the team sheet.
- Team officials shall consist of a coach and no more than four (4) other persons, making a total of five (5). Only those acting as team officials are permitted inside the oval boundary fences during play. All personnel, including players on the bench, must remain at least two (2) metres clear of the boundary line.
- The league takes very seriously its duty of care towards players, umpires and spectators and therefore request all members take the time to read over the League Codes of Conduct as negative behaviour will not be tolerated. This includes but is not limited to the abuse of Umpires, Players, Coaches, the condoning of violence on and off the field etc. 'if you walk past it you accept it'. Please refer to our league website for current Code of Conduct policies - <http://www.aflnebyg.com.au>.

Any club photographers that have some action shots of both Football and Netball that may be suitable for the cover of the Football record please send them to [noeline.elvin@afl.com.au](mailto:noeline.elvin@afl.com.au)

We look forward to the last few rounds football, an exciting finals series and our Annual Presentation night - Monday 6th August. Good luck to everyone
