

CLUB NEWS

The Kangaroos had a very busy day at a very wet and windy South Warrnambool for our first round of footy action, with five of our teams starting their season. We started with the Under 16s, who adjusted to the conditions really well to run out solid winners, 9.7-61 to 6.11-47 with a five-goal opening quarter setting up the victory.

The Under 18.5s had a tough and tight battle all day against the Roosters, and scorched home to take the lead, but an unfortunate free kick in the goal square with just moments to go saw the result go their way, 5.5-35 to 6.3-39, we'll get them next time!

The Reserves were up against the reigning premier, but gave as good as they got through an incredibly scrappy first three quarters to only be four points down. But against the cyclonic winds, we weren't able to contain South in the last, who used the wind to best advantage to kick away for the win in the end, 3.3-21 to 8.10-58.

Our Hamilton Boomers had the first use of South's new lights, and they put on a real show, to take home the win easily, 7.2-44 to 2.0-12.

No-one knew what quite to expect other than signs of improvement from the Seniors, and although we didn't come home with the win, there were plenty of good signs there that we are definitely moving forward, and apart from the third term where the Roosters had the better of things, we were right on terms with them throughout the match, despite being a tall down after the first few minutes. Final scores were 5.6-36 to South's 7.14-5, well done to Jack Pertz on a great game.

Mixed results for the netball last week, even had our little U10 Joey's having a go, great to see for the club. Open was neck and neck all the way through, with South Warrnambool winning by just one goal, best was Tay Morrison. Our premiership side Div 1 proved why they were a strong outfit last season with defeating South 51 - 19, new recruit Ellie Dufty shot brilliantly being best player. Unfortunately Div 2 went down 17 - 23 with Laura Robinson shooting 12 of the 17, with new recruit Jalen Walsh and Tam Milne named in the best. Div 3 girls have been the pick this season, certainly showing their form on the weekend, defeating South 32 - 13 with Hannah Ellwood best player.

Next up Koroit - a big challenge for all, but a big chance to see just how much we've improved!
