

Double win for Burwood supergirls

The boys sides can move aside because the girls are in town! The Burwood Football Club Women's team have shown just how sweet winning can be with a double victory by taking out the Minor Premiership by six points and then backing up with a win in the North West Sydney Football Association AAW Grand Final.

"This side has now won minor premierships for three years in a row," said

proud coach Glenn Errington.

"They played strongly, were always in control of the game, never allowing the opposition to get a look in. From the outset, the Burwood girls were quicker, smarter and played some terrific football."

Next up for the grand final winners is the Football NSW Champion of Champions tournament which starts this month. All division one winners compete against each other to determine the Champion side in NSW.

"The Burwood girls will go into this competition full of confidence," Glenn said.

Grand Final winners and three times Minor Premiers. The victorious Burwood Women's Football side celebrate their win.
