### PRESIDENT'S REPORT

Now that the season is over for most sides, I'm extremely happy to report that we've had **significantly less** incidents and issues to deal with than in the previous 3 seasons. **Thank you** very much to all of you who have contributed to this.

The committee met with the **coaches and team managers** earlier this month to pass on our thanks to them for the **time and dedication** they've put in this season, with many sides training since February or March.

We also appreciate the many **volunteers** throughout the season who have ensured our sides have been able to take the field each week.

Finally, I'd like to say a **huge thank you** to the committee for your tireless work this season.

All the best to those sides who made the finals.

### ANNUAL GENERAL MEETING

As indicated in Gavin's email earlier this month, we really need people to **attend this year's AGM**.

While all committee positions are declared **vacant each year**, at least 4 or 5 of this year's committee won't be nominating again.

It's imperative to **have new people** become involved at committee level to ensure the club has a future.

Please come along and nominate for the 2019 committee.
