### PRESIDENT'S REPORT

We're now over the half way mark of the season and I'm happy to report that we've had a lot **less incidents** and issues to deal with than last season. **Thank you** very much to those who continue to keep our Codes of Conduct in mind.

I've been to multiple training sessions and games for all sides and have been **very impressed** with how coaches, team managers and helpers are operating.

I'd like to take this opportunity to remind you that all committee positions **fall vacant** at the Annual General Meeting that will be held in October/November this year.

It's imperative to **have new people** become involved at committee level as many of us have just about run our race as far as time and energy is concerned.

Last year we almost didn't have a committee which meant we **almost didn't have a club** in 2018.

All the best to everyone for the remainder of the season.

### CANTEEN HELPERS

We still need helpers at every home game at Cal Gully and Canterbury Park. If you can spare an hour, please come and see Melissa or Coree.
