Six Feature Races plus a Phantom Racecall

**The most fun you'll have without leaving the
Clubrooms!**

So how does it work??

There are 6 feature races, with six “horses” in each race.

At the start of the night, each horse (named after a club person, player, girlfriend, wife or committee member) is auctioned off to the highest bidder.

If that horse wins their “race”, they go on to the final with the other winners.

The winner of the final gets a chunk of the proceeds from the Auctions!!

There is also regular betting available for each race, with a \$1 minimum.

And with a bit of luck.....EVERYONES A WINNER!!
