GIPPSLAND LEAGUE REPORT

It has been another successful season for the TRFM Gippsland League both on and off the field. The past 12 months have presented a few challenges on the field but our member clubs and their executives have done an outstanding job to field teams that produce the standard of football and netball which continues to make us the premier competition in Gippsland. As many would agree Grand Final day 2018 was a great case for this with the action on the field and court of a very high standard, culminating in two classic Senior and A Grade Grand Finals.

This was the second year of the AFL Gippsland governance model and off the field the League has continued to invest in its member clubs and the football/netball products. Some key areas of investment were the netball representative programs and football interleague programs, live streaming of matches via AGA Gippsland TV and the continued investment in association umpires. Since 2016 the League has invested over \$20,000 extra per season to provide clubs with association umpires in the most grades possible allowing our volunteers more time to enjoy the games.

There were a number of new initiatives this season and from all reports the inclusion of the digital record to compliment our printed product was a success. The League also invested in live streaming of matches where we saw the senior football match between Wonthaggi Power and Bairnsdale air live through AGA Gippsland League TV along with the Senior Interleague match. We also invested in a broader reach for our Grand Final audience with the live streaming with full graphics for all of our football Grand Finals in 2018 including the Fourths, Thirds and Reserves. The League also hosted a night final at Traralgon Recreation Reserve. It seemed like a real benefit not only to our League but to football in the region with the MGFL Grand Final at Morwell and the NGFNL Preliminary Final at Churchill we gave our marquee game the opportunity for a standalone time slot. There were a few mixed reviews from the papers however our facts say that from 2017 to 2018, we had over 480 extra people through the gate this year and took over \$4000 extra on the gate. The attendance was also 180 higher than any recorded figure we have pushing over the 2000 patrons mark for the first time in our recorded history for the 2nd Semi Final.

There are a number of personal thank-yous for this year for special people who have supported and taken an active role in assisting the League this season. These men and women continue to ensure representative programs are the best in the area with their hard work. A huge thank you to our netball representatives led by Advisory Committee members Carlie Dwyer and Karen Proctor. Our coaches Jo Ballinger, Stacie Gardiner, Krissy Travers, Shannon Freeman, Bernard Dillon, Taylah Ballinger done an outstanding job this year and team manager Jodie Galea also contributed a power of work to get the players on the court. Carlie, Karen, Jo, Jodie most of you would have seen running the netball at all finals. Their efforts and support in the netball finals operations makes the finals run. Thank you also to Rosalie & Luana Brock who were also present at many finals. In the football landscape our representative coaches again were first class. Harmit Singh done an amazing job bringing together the senior side to push the League back up the AFL Victoria rankings. His professionalism and work behind the scenes is a huge factor behind the success of the program. Kristian Gray again did what Pistol does and take the 18's boys to the top winning both the Evan's Cup and Community Champs. It was a tougher year for Pistol with player availability but his hard work ensured we managed to bring home the cups. A huge thanks to Kevin Foley who stepped up and coached the 16's this year. Kev stepped in last minute after a late coach withdrawal and pulled together a very competitive side that represented the League proudly. Thanks to Kev for his efforts.

The advisory committee provided a great voice for the League again in 2018. The committee stepped up a number of times this year and made some great recommendations. Being the final year of our current service agreement and current advisory committee's terms I thank all the original 9 members for their counsel and positive impact they have made on the League.

GIPPSLAND LEAGUE REPORT

Our League sponsors have again been magnificent in their support and investment in the TRFM Gippsland League product. Our major naming rights sponsor TRFM and David McDonald's continued support allows the League to reach new heights with our exposure within the region and beyond. AGA and Anthony Magnuson are a huge supporter of the League and allow us to produce AGA Gippsland League TV and the AGA Rookie of the Year amongst other things. A huge thank-you to our other major partners including McDonalds Gippsland, The Drain Man and Paul & Prue Hill from our new partner Gippsland Physiotherapy Group. Gippsland Physiotherapy Group are major sponsors of our football interleague programs for 2018 & 2019. We thank them for coming on board and Gerard Farrell for his efforts at Interleague this year providing our representative players with elite physio services at the trainings and games. This is just another detail that sets the TRFM Gippsland League apart from the others. Metricon Homes continue to support our netball representative programs. The League is proud to offer our representative players the opportunity to compete without charging players for their uniforms and the support of Metricon allows this to happen. Over the past few years we have invested in the League image at these events in both the football and netball landscapes. We are a leader in this area and going the extra length to kit out our players with all the on-field & off-field gear without cost including polos, netball warm up jackets, socks, hoodies, bags etc that our players keep as a thanks for their efforts in representing the League.

These representative programs were again a huge success dating back to December last year when the Eastern Zone Premier Netball Competition was created. TRFM Gippsland League ensured the Open division would run by submitting two teams with a number of our elite players putting up their hands to play. Our grades came away with a clean sweep winning the 15's, 17s & Open with our Blue team defeating our red team in the Open final. The Open side again had a big win at the Community Championships over Murray NA to cap of their representative season. Our 13s, 15s & 17s all qualified from Association Championships through to the Melbourne Finals. Our 13s, 15s and 17s were runner up in their divisions at the Eastern Zone Association Championships. On the football side our Senior team bounced back from the disappointment of 2017 with a huge win at home over Murray FL. We had 8 teams represented on the day which was great for the League. It was especially pleasing to see 24 committed players put their hand up for the League. Trainings were well attended and their seemed to be a real connection with the group that we hope continues in 2019. The junior teams also enjoyed successful campaigns. The 18s won both trophies available to them while the 16s managed to come runner up at the Evan's Cup just missing out in the final game of the day. The League invests a lot of time and money into the programs and it is great to see the end product when the players, staff and volunteers are out at the events representing the League with pride. It would be remiss of me not to mention our two trainers Trev Blandford and John Shiels who are always there to help out when required and make my job a lot easier. Thanks to you both.

A final mention goes to our member clubs. The League has undergone significant change over the past two years and our clubs have been fantastic in their approach and open mindedness to initiatives put forward. Our League is one of the most progressive and the we hope that the League and member clubs can continue to grow into the future.

SPONSORS 2018

TRFM Gippsland League would like to thank all of our major partners, sponsors and suppliers for their support in 2018. Their contributions have allowed the regions premier league to grow and prosper again this year with significant financial and equipment resources being invested in the clubs.

TRFM has been a major supporter and driver for the promotion of the League over the past few years and continues to help grow the game. This season TRFM also hosted the 2018 Season Launch which was a huge success.

Apprenticeships Group Australia is one of our leagues major partners and their support of AGA Gippsland League TV has allowed the product to grow significantly in 2018 to include the live streaming of all football grand finals for the first time.

Gippsland Physiotherapy Group have come on board for 2018 & 2019 as major partners of the

football interleague programs. Their support helped our teams get on the park and take home 3 trophies this year at representative level.

Our netball programs receive a significant boost with the support of Metricon Homes and McDonalds Gippsland. Metricon has been a long time sponsor of the League and the partnership helps the League deliver the best representative netball programs in Gippsland. McDonalds Gippsland are in their third year with the League and our partnership continues to grow the game at local level.

The Drain Man was in it's second year of our partnership and have assisted in providing a number of initiatives including the upgrade of the trainers and runners uniforms. Thanks also to our long term advertisers the National's Darren Chester who is a big supporter of our Record. Gippsland Cosmetic Laser Clinic, Traralgon Greyhounds, Rent 4 Keeps, SS Hire, Greenhams Gippsland all sponsor awards or advertise in our Record. Thank-you for your support.

REPRESENTATIVE PROGRAMS

To be honest, the 2017 loss to the Yarra Valley was an embarrassing one for players, coaches & officials.

In 2018 we would face the Murray F.L at home keen to put up a better effort & climb our way back up the rankings. A lot of planning & preparation went in to this game & from my perspective I wanted players who wanted to play for the jumper.

We had a number of players from the initial squad withdrawal due to injury / availability, however we had kept a good core group of players & some exciting young prospects who committed to training & brought great energy / enthusiasm. 8 of the 10 Gippsland League clubs were represented with only Maffra & Warragul not having representatives whilst Cade Maskell would Captain with Bob McCallum (Vice Captain) would later prove influential.

We started really well with strong investment from the group to lead narrowly at 1/4 time - we were made to pay for some mistakes & our use of the ball needed to improve. A really positive 2nd quarter for us with Eddie Morris, Tom Marriott & Chris Dunne all looking dangerous whilst the back 6 were superb nullifying there opponents. Our 3rd quarter was where we broke the game open kicking 8 goals to set up a 62 point win. We had a number of debutants this year & it was great to see them get reward for effort.

Thank you to my support staff (Brad Dean - Mids, Dan Musil - Emergency / Runner, Michael Henderson (Rotations), Gary Connelly (Backs), Liam Durkin (Runner) & also Trev Blandford from Moe FNC who did a power of work once again. I would also like to thank Daniel Heathcote & the Gippsland League board for the opportunity to again coach the program & also want to thank the players and club coaches for there support. Also a thanks to Gippsland Physio Group for their support of the program and especially Gerard Farrell who helped get the boys on the field.

With the current rankings it appears that we will face the Bendigo FL in 2019, we very much look forward to the opportunity to break back in to the Top 10.

Netball Victoria

It is with pleasure I provide the following netball report and take this opportunity to thank Daniel Heathcote for the opportunity. What an exciting season as we watched two history making events unfold. Young male netball player, Zac Mabilia from Wonthaggi was awarded the League's best & fairest in the 13 & Under division, the first time a boy has taken out the award. Zac was also the only boy involved in the Gippsland Sports Academy Talented Player Program. Netball Victoria has released its Gender Equity Regulations which can be found on the Netball Victoria website as well as resources to assist with work now being done to promote boys in netball.

In the second history making event we saw Moe defeat the highly fancied Traralgon in the A Grade Grand Final. Traralgon was heading for its 10th Grand Final win and Moe had never played in a Gippsland League Grand Final. A two goal difference saw Moe crowned as 2018 Premiers and I want to once again thank the League for giving me the privilege of presenting the team with their Premiership Medals. On a disappointing note this season it was decided not to call the netball finals. The finals have been called for the past two years and we hope work can be done to see this happen again, however we were thankful for the opportunity to provide regular updates to the broadcast team throughout the day.

Congratulations to Bairnsdale Football Netball Club Coach, Fran Fitzsimon who was named Netball Victoria's Community Coach of the Year. Fran's hard work and dedication has been the foundation for many players coming through the talent player pathway as she works tirelessly to teach the players skill and provide them with opportunity.

Continuing on with the theme of success, congratulations to the East Gippsland Netball Region 15 & Under team that came home from State Titles in Shepparton with a silver medal, many of those players hailing from the Gippsland League and a number of them being selected in the Victorian 17 & Under Squad. I must also acknowledge the depth of Gippsland League talent that competed in the Victorian Netball League, the State's highest domestic competition, some of whom also featured on Grand Final day.

From an operations perspective a warm welcome to newly appointed Megan Avery, Eastern Region Co-ordinator who joined the Netball Victoria family in August. I would also like to take this opportunity to welcome AFL Gippsland General Manager Ben Joske, undoubtedly coming in at a difficult time but I am looking forward to continuing to work with you Ben. A huge thanks to Carlie Dwyer, Jodie Galea, Karen Proctor and Jo Ballinger who do so much work behind the scenes to ensure netball remains dominant within the League. Their pro-active approach will see netball continue to flourish as they work closely with Netball Victoria to deliver best practice. Further to this I would like to take the opportunity to thank Daniel Heathcote who continues to offer strong support to netball.

Well done to all involved and I look forward to continuing to work with you all in 2019.

Judi Buhagiar
Eastern Region Manager

AFL Gippsland

It has been another busy year in the development space for AFL Gippsland.

Our four football development managers – Adrian Bromage (East), Michael Roberts (South), George Morgan (West) and Daryl Couling (Central) – have been hard at work developing and implementing a broad range of activities to support clubs, leagues and other key stakeholders throughout their respective regions.

Through the AFL Player Appearance Program and the annual AFL Community Camp, AFL Gippsland was able to provide dozens of schools and football clubs with various degrees of access to AFL players for clinics, leadership talks and other community engagements.

Collingwood spent two days in the Latrobe Valley in February, while Hawthorn, St Kilda, Western Bulldogs, North Melbourne, Richmond, Essendon, Melbourne and Carlton all visited at different stages. Our FDMs all helped deliver the Toyota Good For Footy program, with four events held across the region. The Sporting Schools Program continued to be rolled out to encourage participation, and Auskick Centres were supported, with pathways to local clubs a major focus.

Clubs were provided with opportunities to host education forums on various topics including Ice and illicit drug awareness, mental health, LGBTI inclusion and domestic violence. These programs help clubs ensure they are able to be welcoming and inclusive spaces for their communities, beyond the football field and netball court and it was great to see several TRFM Gippsland League clubs take up these opportunities. Other initiatives, such as the Traralgon East Community Centre, Community Connect project had an impact more broadly in the community.

Female football continued to grow, with an open women's development competition launched in Gippsland to cater for the expanding number of clubs wishing to field a team in season 2019. Congratulations to the Bairnsdale FNC who fielded a side in the inaugural competition. Add to this various coach education sessions, support for community infrastructure funding applications and pathway opportunities and there has been plenty of great work to be celebrated in Gippsland over the past 12 months that will hold football in good stead into the future.

FINANCIAL REPORT 2018

GIPPSLAND LEAGUE INC NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2018

f) Accounts Receivable and other Debtors

Accounts receivable and other debtors include amounts due from the clubs as well as amounts receivable from sponsorship. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

g) Accounts Payable and other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GIPPSLAND LEAGUE INC

Opinion

I have audited the financial report of Gippsland League Inc comprising the statement of financial position as at 31 October 2018, the income and expenditure statement and cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In my opinion, the accompanying financial report presents fairly, in accordance with the Associations Incorporation Reform Act 2012, the financial position of the association as at 31 October 2018 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the entity in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter - Basis of Accounting

I draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report is prepared to assist the entity in meeting its obligations under the Associations Incorporation Reform Act 2012. As a result, the financial report may not be suitable for another purpose. My report is intended solely for the entity and should not be distributed to or used by parties other than the entity. My opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Associations Incorporation Reform Act 2012, and for such internal control as management determines is necessary to enable the preparation of the financial report free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations or has no realistic alternative but to do so.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

FINANCIAL REPORT 2018

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GIPPSLAND LEAGUE INC

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with the management, I determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The 2018 finals series was again met with high anticipation. While there wasn't much change in the make up of teams in the top grades there was certainly a few stories to play out. Warragul FNC saw their A Grade make the finals for the first time in recent memory where they played off against local rivals Drouin in the Elimination Final. It was a similar story at the top with Maffra and Leongatha leading the football with Traralgon and Morwell again featuring among the top netball sides. The action on the field and courts in the finals series was at a very high quality and showed why we are the premier football and netball competition.

The Grand Final saw six of our ten member clubs have sides compete. Traralgon dominated the netball fixturing with A through to 17 & Under all playing on the day. Moe featured in A & B Grade with Leongatha and Maffra playing off in the two senior football grades. Congratulations to all premiers and a special mention to Moe A Grade who claimed the clubs first A Grade title.

Above: The moment Georgia Moody shot the winning goal to claim Moe's first A Grade title

Off the field, 2018 saw the second year of the shared catering model in effect. While the weather wasn't kind in patches, the model again showed how it can benefit all involved with the clubs all getting a good financial return from the finals. The figures on the next page show how some clubs would have struggled to return a profit without the system on days where the weather wasn't great. This was also the second year that the finals were spread outside the three centralised venues with matches at Warragul and Maffra. Both venues were in great condition and the clubs worked very hard to present a great day. Unfortunately the figures for the catering model aren't at the level the member clubs would have liked however there are always a number of factors that can attribute to this.

Despite a few reports in the papers the night 2nd Semi Final seemed a success. The gate figures speak

for themselves and the increase in revenue from 2017 is notable with the increase in the attendance. As the figures show from our recorded history the 2018 2nd Semi final was both a record gate take and crowd figure eclipsing the 2015 figure. Traralgon FNC did a lot of work for this event and deserve a great amount of credit for hosting this marquee event.

Well done to all the clubs and volunteers who assisted during the finals series. The catering system and finals itself does not run without the hard work of both the League and clubs.

TRFM Gippsland League Grand Final Day Clubs competed - 6 Crowd - 4,021

2018 saw the Morwell Recreation Reserve host the league's football and netball Grand Finals. The recent upgrades to the netball precinct were on full display as another sunny Grand Final day gave the players A chance to perform at their best chasing premiership glory.

Bairnsdale opened the day at the football oval and their supporters filled the Grandstand to cheer both the Fourths and Thirds sides. The Red Legs claimed the first premiership of the day taking home the Under 16 premiership cup defeating rivals Sale.

On the netball courts Sale would win both the 13 Under and 15 Under titles going through the season undefeated while Maffra would go back to back in the 17 Under, coming from 4th place to win the cup. In the Thirds it was an emotional day for Traralgon as they would lift the premiership cup after the personal tragedy for one of their players.

It was the Moe and Traralgon show in the senior netball grades with Traralgon featuring in all three games with Moe in the B and A grade. The A grade match was one for the ages as the reigning premiers couldn't halt the young Lions momentum claiming the clubs first A Grade premiership in front of a large contingent of Moe supporters. Traralgon would claim the B Grade premiership and Maffra completed their dominant season in C Grade with the premiership title.

Over 3,200 viewers tuned into AGA Gippsland TV which featured all four football matches streamed live to the world. It would be the Parrots day in the senior grades as they managed to edge out Maffra for both premierships. The Leongatha reserves came from 4th to beat the undefeated Maffra side. On the back of Gippsland League Inter-league Captain Cade Maskell's 5 goals, Leongatha seniors would come from behind in the final term to round out the trilogy with another premiership win over the Eagles.

KEY EVENTS 2018

TRFM hosted the 2018 season launch with clubs being presented with their premiership flags.

Our junior teams played the Metricon Homes challenge as a curtain raiser for the Open Netball clash in the Worksafe Community Championships

The senior side bounced back from two consecutive defeats to claim a big win over Murray FL at Moe.

Interleague produced 3 wins from 3 grades and was covered by all major Gippsland Media and the match was streamed live on AGA Gippsland League TV.

In a first for the league AGA Gippsland League TV streamed the first regular season match with the 'Distance Derby' between Wonthaggi & Bairnsdale going out live.

The Leagues elite juniors again competed in the Evans Petroleum Cup. The 18s again came home with the title while the 16s narrowly missed out despite missing a large amount of first team selections.
