HOW TO COMPLETE THIS FORM:

20.17 All clubs must name their Premier Women's, Premier Reserve Women's and 3rd Division Women's teams in their entirety. The listed top 9 Premier Women will not be permitted to play back into Premier Reserve Women and top 9 Premier Reserve Women will not be permitted to play back into 3rd Division Women within a club. However, players not named in the top 9 may play down into their clubs next available senior women's team. For example where a club has Premier Women and 3rd Division teams only players not named in the Premier Women top 9 are eligible to play back into 3rd Division. 3rd Division players can help out in the Premier Women and Premier Reserve Women Competition as required.
