17. Extreme Weather Conditions

17.1 CANCELLATION

Volleyball Victoria reserves the right to postpone or cancel any day of this three-day Tournament in the event of extreme weather conditions.

17.2 If on the day prior to an event the weather forecasters predict that temperatures and conditions will be excessively hot, cold, wet and/or windy, Volleyball Victoria may elect to cancel or postpone one or more days of the Tournament. In such circumstances Volleyball Victoria will contact all Schools on the day prior to advise of such a decision. Schools who have paid their fees in advance will receive a full refund in such circumstances.

17.3 If after play commences on any given event day, the weather conditions become extreme, it is at the discretion of the Volleyball Victoria Tournament Director as to whether the tournament will continue. In the event the tournament is then cancelled there will be no refund of fees paid.

18. Comfort and Safety

18.1 Beaches in Victoria are unpredictable places with a wide range of possible weather conditions and for that reason we suggest the following to ensure comfort and safety:

- Warm clothes e.g. tracksuit and windcheater.
- A hat/cap and long-sleeved shirt.

- A Tee-shirt or similar to change into at the end of the day
- Food to eat during the day. Suggestions include fruit, muesli bars, sandwiches etc.

18.2 HYDRATION

18.2.1 Hydration is essential. Even on a mild day, it is not unusual for people to lose up to 4 kg over the course of the day from perspiration. Bring plenty of water, and try to continuously drink throughout the day.

18.2.2 In very hot and humid conditions, you should aim to drink at least 1 litre of water for every hour that you are at the beach.

18.3 SKIN PROTECTION

18.3.1 Volleyball Victoria recommends you follow sensible procedures when you are at the VBVSC.

18.3.2 Avoid sun exposure by seeking shade wherever practicable. **It is recommended that all Schools try to bring their own tent to the VBVSC and set them up as meeting points for all players between games and to store their students' personal belongings.**

18.3.3 Apply sun screen before you arrive at the beach, and reapply in accordance with the manufacturer's directions.

18.3.4 Wear appropriate clothing to block the sun's rays wherever practicable. This includes hats and shirts when playing, and long-sleeved tops and pants when you are doing duty.
