COMMUNITY CONTRIBUTOR

\$200 / \$300

As a community contributor you can support the team or the club through a small monetary contribution or in product that is used to support the team. This allows the club to replace equipment or purchase medical supplies for the teams and support players who may otherwise not have an opportunity to play.

The Fitzroy Women's Football Club is a not for profit community club. All funds raised are used to assist our players onto the field and growing our club in the inner-city northern suburbs.

All club sponsors are invited to attend all matches and will be recognised throughout the season.

Our goal is to ensure the grassroots are well established in a fun and supportive environment. We believe in the development of a strong competition within the AFWL to provide players with a solid foundation of fitness, skills and game play to enable them to have a long-playing career and pathways at both the social and elite levels.

Community builds clubs and we would be delighted for you to join us as a supporter of the club.
