## WOMEN'S FOOTBALL CLUB

The Fitzroy Women's Football Club is a foundation club of the South Australian Women's Football League. We compete in the Division One Competition of the Adelaide Footy League with an A-Grade and a Reserves Team.

Our club aims to provide an Australian Rules playing environment that is fun, supportive, inclusive and promotes a culture of safety, mateship and fair play for all whilst maintaining a professional and competitive spirit. This ethos allows our coaching staff to focus on developing strong skills, game day play and competitive team structures and continue to strive to further their education with access to coaches and facilities from a number of SANFLW clubs.

In the history of the club we play a competitive brand of football and have been rewarded with multiple Premierships, Dutschke award winners, Players Player recipients and provide a strong pathway for players into both SANFLW and AFLW, with Hannah Martin and Jessica Foley being recent draftees to AFLW Adelaide Crows FC.

Community support for grassroots football enables women to participate and develop a strong competition that is competitive and enjoyable for the players and spectators alike.

This season we are looking for support of our senior women players through a player sponsorship package. The package will assist your player with playing costs and club costs.

### **2019 Senior Player Sponsorship \$495 – Fully Tax Deductible**

As a senior player sponsor your business will be promoted in several ways throughout the season;

- A sponsorship photo will be displayed in the Fitzroy Club Rooms
- On our sponsorship page on the Fitzroy Football Club Website and
- On our Facebook pages
- Listed on home game team sheet, handed out to spectators attending games
- Promotion to our Club's database of members, players, supporters and other sponsors

In recognition of your support of your player you will receive a framed photo of your player and will be invited to our sponsors day held during the season.

We thank you for your support of female football in South Australia. We look forward to your game day support of the team throughout season 2019.

Kind Regards

Giannina Taeger | Treasurer
