Online Team Entry Period

All teams listed in the draft structures above will need to be confirmed (accepted/rejected) by your Club through the SportsTG online team entry system. Therefore, Clubs must ensure that all existing teams and new team requests are finalised and confirmed prior to 5:00pm Thursday 28th February.

Information regarding the online team entry process is outlined in the following [SportsTG User Guide - Online Team Entry System](#). Please read the user guide prior to completing your Club's team entries for 2019.

When confirming your team entries for 2019, there are two team entry types that Clubs must note as follows:

NOMINATIONS – Existing Senior and Junior Boys teams from 2018

Nominations are existing teams that have been allocated league positions in 2019 as per the Pre Online Team Entry League Structures. Please ensure your Club checks and confirms its existing team entries under the "Nominations" tab, before adding any new team "Requests". If you would like to request a change (i.e. move from 14A to 14B) for an existing nomination, please write the request in the comments tab and 'accept' the team; **do not** 'reject' the team and place a new team request.

For further information, please refer to page 5 of the [SportsTG User Guide - Online Team Entry System](#).

REQUESTS – New Senior, Junior and Geelong MiniRoos (Under 7 – 11) Teams for 2018

Requests are new team entries for the Club. Clubs will need to request all their teams for the following Competitions:

- Geelong MiniRoos (Boys' & Girls')
- Junior Girls' teams
- Boys' Under 12's
- Any newly created Senior or Junior Boys' teams

When grading your clubs MiniRoos & Boys' Under 12 teams, we stress the importance of ensuring you enter the team in a proportionate division for their ability.
