

HOW TO REGISTER FOR BRUNSWICK ZEBRAS

Click on this link: [Brunswick Zebras FC](#)

Minimise duplicates by ensuring participants claim your history

Make sure you claim your existing profile

When you register on the new system you need to claim your existing profiles from MyFootballClub. An example of the claiming screen is shown below:

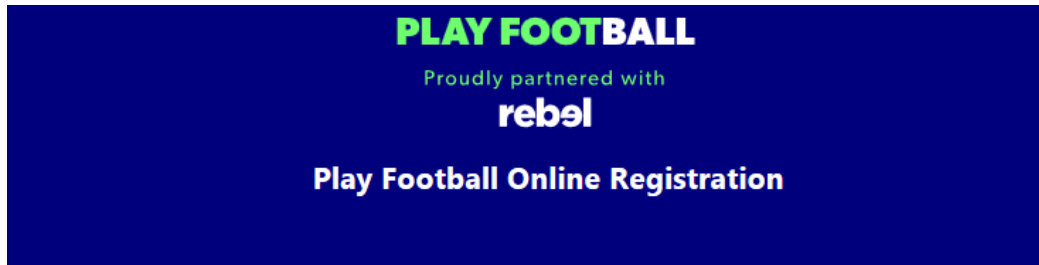

The screenshot shows a dark blue header with the text "PLAY FOOTBALL" in green and white, "Proudly partnered with rebel" in white, and "Play Football Online Registration" in white. Below this is a white box titled "Claim Profiles". Inside the box, it says: "Hi **Sam**, below you will see a list of existing records which match your email address [samantha.huynh@ffa.com.au](#) You can choose to link these records to your account." Below this is a paragraph: "Checking the 'Link' option will add those participant records to your account and allow you to manage registrations on their behalf. You can also indicate if one of the existing records is you." At the bottom left of the box is a "Clear" link. Below the text is a record: "3.2.3, Test (Reference: 4721140)" with "Organisation: FFA Test Club" below it. To the right of the record are two radio buttons: "Me" (selected) and "Link". At the bottom of the box is a blue "Continue" button. A small grey button with a downward arrow is at the bottom right of the screenshot.

Use the same email address you used on MyFootballClub to create your football account

The key to this process is your Football Account which we will use to lookup matches for you.

You will not be able to claim your participant history if your email address or social login does not match the email address used for registrations on the old MyFootballClub.

Please ensure the Football Account is created in your name not the name of your child or dependant. Once you have created your Football Account you will be able to register any child or dependant.

Welcome
