PRESIDENT'S REPORT

I wish to thank everyone for their attendance at our AGM.

Wow season 2018, what a year. Firstly I would like to thank everyone on our committee for your support of me in my first year as President.

A lot of work went into recruiting this year for new committee members, football and netball. It would be fair to say that the recruiting was a big success.

We welcomed Pauline & Gordon Bayley back to the club in their executive roles as Adam Talbot and Peter Churchill in their Vice President roles. The executives were well assisted by our other 10 committee members and volunteers.

The appointment of Bronwyn as the head coach of Netball was well accepted by everyone. Although the results weren't great, they certainly didn't reflect how well all grades played. Moving forward I think the Netballers are in great hands and great spirits.

It was great to see a Thirds side back on the park after 3 seasons. Steve Hazelman had put together a junior committee consisting of himself, myself, Peter, Adam, Guss, Darky, Leigh & Frank. We had monthly meetings from October 2017 until late March with the involvement of AFL Gippsland to be able get the 15 kids we had to play for season 2018. It is with great excitement to know we have already appointed a new thirds coach (Michael Walton) for season 2019 which will see that the great work doesn't come unstuck.

Injury did have a massive impact to the Senior side, but we can only move forward from here and recruit well for next season with also a new coach already appointed (Jarrod Zuelkhe) after Steve stepping down and not away from the role as senior coach. Boyd and the reserves did a super job this year by making finals which is a reflection on Steve's work with Boyd from season 2017.

A lot of work has been done over the off season and throughout the year with a fantastic turn out for our March working bee, a new ice bath installed and partitions in change rooms. Solar installed and a grant for new lights for both the football and netball which will make our club more attractive to future players. A big thank you to Trish for her work along with others to get this grant.

The chook auctions are producing fantastic numbers this season, which is creating great financial stability. Thank you to all our volunteers that give up their time to make the auctions a success. You're all awesome.

Lastly, I am very appreciative of every single one of our members for your help throughout season 2018.

Wayne Henry
President.

FOOTBALL COACHES REPORT

The 2018 season was one of mixed emotions and results.

After really struggling over the 2016-17 seasons we were able to be really active in the pre-season recruiting some 12-13 players to our senior line up which created a really positive atmosphere around the club and a sense of expectation that we could play some good football throughout the year and climb up the ladder and be around the finals.

We started the season really well with a big win over Cowwarr in Round 1 but from that point onwards we really struggled to play good consistent football throughout the season. While we coped a few injuries throughout the year I really think at no stage did we reach our full potential as a senior playing group and this was evident with us registering only 4 wins for the year.

With the influx of senior players to the club this made our reserves a lot stronger and they had a great year winning 9 games and playing finals footy which included a great win in the elimination final against Sale City.

For the first time in 3 years we were able to field a thirds team which was without doubt the biggest achievement within the football department as this is critical for the future of our club. While we only had 14-17 players most weeks and we didn't register a win the fact that we had a team is something that we can now build on for the future.

All our social functions throughout the year were really well attended and all the boys efforts in supporting the club and making it own was a significant improvement from the past. To Stacey & Talby thanks heaps for all the work you both did in this area.

To everyone that has helped me over the past 2 years in working hard to get the football department back on track I thank you.

Marc Adams, Troy Adams, Adam Talbot, Leigh Fabris, Paul Richards, Darian Milington, Pete Churchill, Rob Bachetti, Boyd Hegarty & Steve Burgess

To the committee thanks for all your hard work in making the club a place where it is now fun and enjoyable to be at - in particular.....

Wayne Henry, Frank Venturino, Gordon Bayley, Pauline Bayley, Adam Talbot, Pete Churchill, Sharon Richards & Stacey Burgess.

To our new coach for season 2018 Jarrod Zuelkhe I wish him all the best and I hope that he can continue to grow and develop our playing list so that we can continue to climb the ladder and be successful into the future.

Regards

Steve Hazelman
Senior Coach 2018

NETBALL COACHES REPORT

Preseason started early for the junior netballers. A first for the club, the Junior Blitz saw around 20 young netballers participate in four weeks of skills training as a precursor for the 2018 season. The vibe was electric and new faces appeared at the club boosting numbers in preparation for an exciting selection process.

Bring on the new year! The traditional try out process was shaken up. Player numbers were high as the senior netballers embarked on two weeks of skills training and two weeks of one court match play to select the year's teams. There was not going to be any concern about filling teams with old and new faces appearing and a real energy buzzing around the group.

The year began with a BANG! The B Grade team flew out of the blocks winning their first three rounds and sitting happily on top of the ladder. With an expectation for some of the other teams to be winning, close loses were occurring across the grades. The A Grade team continued to be super competitive missing wins by only a margin of a few goals.

As the season continued, it was so rewarding to see all teams winning games and the comradery amongst everyone strong. Mid season saw the Thirds boys coming over to the courts to support the junior netballers before their game. This was one of the highlights of the year. This act of support between the footballers and the netballers showed the culture of the club and that we were in this together. This small gesture saw the 15 and under team continue to build momentum as the season continued. The team finished off the season with some very narrow loses to the top contenders.

The 17 and Under team battled at times with commitment, with lack of numbers at training getting it right on game day was a challenge. Nearing the season end the girls found their rhythm as a team. Wins were short to come by but the dedication to each other was strong and so positive to see. With a young team it will be exciting to see what 2019 brings for the 17 and under girls.

D Grade can be the team people perceive as the least important of the senior teams but this could not be so very wrong. With some new faces these ladies had the season of their lives. Just missing finals, they fought hard each week challenging all teams they lined up against. The leadership in this team is first to none with players like Emma Logue and new player Ang Nichols always guiding the younger members of the team. Belinda had challenging times with injuries decimating her team mid season, but her coaching experience and rapport with her team seen her win some close, exciting games.

After selections, everyone was focused on the C Grade team to be finals contenders before the season even began. Carrying this weight saw the team lose games early on that should have been clear wins. This inconsistency came

back to bite the team at the end of the season seeing them narrowly missing finals by just a few points. This team was lead professionally by Jodie Mills who rallied the team every week and mentored the young players in the team especially Shaynia Logue. With all players set to return to the club, 2019 could be a promising year for this grade.

Winning was fast and furious for the B grade team, leading the ladder early. Leon has selected a young team with great prospects. With injuries hitting the A Grade team and player numbers low, the lose of Taylah Pendelbury to higher ranks really rattled the team. Losing some games that were there for the win saw Leon work hard to get the right fit for his team. The big positive that appeared was the diversity of the players in the B Grade team. Players were rotated into different positions showing a real versatility. Finishing with five wins' finals were not too far away for this team.

The A Grade team would have to be one of the unluckiest teams of the year. Finishing on the bottom of the ladder was no indication of the team's year. Injuries to Carly Jennings early in the season and then Coop Justice mid season, the girls played with a different mix of player's week in week out. This group of ladies were a real testament to themselves. Losing over ten games by less than five goals, wins continued to evade them, but moral never died. Each week the team fronted up and played tough and hard ready to battle every team they faced. As a final assessment the year was highly successful on the netball courts. All teams finished with wins and three of the six teams just missed out on finals. The support of players scoring, recording stats and personal caring was phenomenal each week. A special mention to players like Toni Trotman who was always around volunteering to help through out the day even at the A Grade time slot. Maryanne always had everyone organised and she is a real asset to the club. Lastly to the coaches, their time and support to me as the Head Coach was effortless. Training sessions and game day saw nothing but back up for each other especially in some tough moments. Our apprentice coaches Channy Weber and Bec Baxter came so far in their journey and built really strong coaching bonds with their teams. It was a pleasure to mentor them both.

My analysis is to watch out in 2019, as the Gormandale netballers have a lot to offer the club on the courts and are not far off success in the future seasons ahead.

MEMBERSHIP OVERVIEW FOR SEASON 2018

It has been really pleasing to see that the work completed by the committee in early 2017 has ensured the membership role in 2018 has been a much easier role than in previous years. This improvement is due to the football department having an actual stable playing list to fill both senior sides throughout the entire season. Ensuring that all memberships were collected and paid on time was completed much earlier this season due to a football player list being provided to myself prior to the commencement of the 2018 season. This allowed follow up with football players earlier than previous seasons.

The netball department has always been pro-active in providing player lists early, it is recommended that both netball and football continue this process each season allowing the membership person to complete their role effectively and have everyone paid up by round 5 - as per the club's set timelines.

Having the remote EFT machine also assisted with obtaining payments off players as they did not need to remember to bring cash. The flexibility it offered where it could be taken to training's in Traralgon before the season commenced and to the away games was pivotal.

Due to a more stable football player list memberships have increased this season, including the increase of Ultimate Tiger Memberships (40). The Ultimate Tiger Membership has usually been popular however in 2017 numbers had reduced due to the lack of committed football players; therefore, it is positive to see that with more stability in the football department memberships have again increased in 2018. The Ultimate Tiger memberships have been very popular, the Thursday night meals being the key selling point.

Memberships were reviewed at the start of the 2018 season and the changes have been well received and membership numbers are positive, it would be anticipated that no changes need to be made to the current packages for the 2019 season. It is hoped with all the hard work that commenced early in 2017 and continued throughout 2018 to re build, stabilise and improve the football department that memberships will continue to increase with the future success of the club.

SPONSORSHIP REPORT FOR SEASON 2018

2018 saw a continuation of the new Sponsorship regime introduced in 2017.

At the commencement of 2018 we saw \$24,980.00 owing for current Sponsorship Contracts. \$100.00 outstanding from 2017.

During 2018 new contracts were negotiated with Agventure, Turnbolls Gippsland, Bridges on Argyle, East State Credit, The Grand Junction Hotel, Intersport, Missen Painting & Novus Autoglass which have all been locked in for future further terms. This year saw Sponsorship's final figures come in at \$37,447.

Before the start of the 2018 season all current sponsors were provided updates and passes and their social calendar. This seemed to work better than in previous years with all Sponsors receiving their packs at the one time. Regular email reminders and information was also relayed to Sponsors during the season.

2018 saw the first full year of the implementation of logos being ran on a rolling scroll digitally within the Club rooms.

Work has commenced on Sponsorship for 2019 with potential Sponsors already being contacted. There were some issues with late payments and expectations of some of the Sponsors which were dealt with appropriately but a good learning curve that all arrangements must be clear and concise and in writing as we move forward, I cannot foresee any further issues in this regards now with our firm contracts which are signed by all parties concerned. Moving forward passed 2019 some discussions will need to be held regarding how the Club utilise Merchandise as a Sponsorship tool.

I would like to thank the 2018 Committee for their Support and look forward to what is in store for 2019.
