From the Football President

Well here we are our first home game and the club has had some massive changes with new people coming on committee and along with some departures we still have the foundation of a strong team running the club.

For people who have not met the new coach, Wayne Knowles takes over with assistant's Steve Akeroyd and Stevie 'Grub' Dabinett will lead the league team. The league team has had changes as well with ten or so moving away, all for different reasons but we also welcome new players and with a very enthused young group, we are uncertain how the year will pan out. One thing we know is they our boys will never give up and with plenty of game time they will certainly improve as the year progresses.

So let's get behind the boys and the club and support all grades throughout the year. Thanks goes to our sponsors for the upcoming year especially our major sponsor in IGA, Eichlers, The Pretoria and Bowhill Engineering who did a massive job on the frame for the scoreboard.

Next home game we hope to unveil our new scoreboard against Tailm on the 4 of May, So keep it in the diary and have a great day.

A Res Netball

We've had a great start to the year with all girls training very hard. Last week we had several girls take the court in both A and A reserves. It was fantastic to see the way the girls transitioned between the two teams! In our first game with Imperials we only went down by 9, which has given us a lot of confidence going into this week.

Over the next couple of weeks our team will begin to take shape. I am looking forward to coaching this year and watching everyone continue to develop their game. *"Champions keep playing until they get it right."* – Billie Jean King

B Grade Netball

Our B grade team for 2019 has 9 Players. We have Bianca Schache, Zara Male & Olivia Kerkemeyer shooting all those goals with pose.

Then in the speedy midcourt we have Nikayla Clark, Tess Christiansen and Nicky Smith as playing Coach lifting the average age by a huge margin. Also Chloe Schellen will play in the midcourt and Defence with great voice. Lastly the tough defence line of Rachel Paech and Julie Strauss will not let many balls get past them. Looking forward to a fun and enjoyable season of netball with these awesome girls and hopefully some wins along the way. Lets Go Roo Girls in 2019!

League Football

After a long pre-season it was finally good to be back playing footy again. Heading to Imperials FC it was a completely new side compared to one that played off in the Grand Final last year. With 14 players under 21 and a heap of new faces, a new coaching panel, it was certainly a new look Mannum FC.

Kicking against a strong breeze, it was your typical first quarter, Round 1 game, pretty scrappy, manic kind of footy. Going in to quarter time only a couple of goals down and we were pretty happy with our efforts. The second quarter we came out hard, putting the pressure on and showing glimpses of our new game style, which was encouraging. Not making the most of the breeze, we still were within grasp of Imps come half time. After the main break, we found some inconsistency and Imps kicked away making the most of the 4-5 goal breeze to lead us by 50 odd points at three quarter time. Speaking to the boys at the break I asked for a response and as a coach I couldn't be happier. 11 scoring shots to 1 in the last quarter, with some real great ball movement, gave us some real upside to what we can do once we all start to gel, and get an understanding of each other. Final score was Imperials 18.7 (117) to Mannum FC 11.11 (77). Better players on the day were Liam Newton, Levi Krause and Blake Webster. Daniel Hargraves kicked 4 goals and Mitch Heward was brilliant in defence.

We look forward to our first home game for 2019 this week against Jervois FC and I look forward to seeing you all there. Go Roos !!

U15

Welcome to Jervois football and Netball clubs. Last week at Imperials was a great start to the year with all players contributing and showing the depth of our team this year. Best players were Jacob Stagg, Blake Fidge, Chad Reschke, Brodie Maloney and Rory Stephens. Stagg led in the ruck and Fidge dominated around the ground. Declan Gladigau and Chad Reschke kicked 2 majors each playing across the middle and up forward. Jacob Bailey kicked goal of the year (first game of the year unfortunately for him), I hope its remembered and Lawrence McKee stood strong in defence. This year the boys look highly competitive and just need to work hard on the track to reach their full potential. Go Roos

Welcome to the 2019 season, welcome all new players, coaches, sponsors and supporters. Welcome to Wayne Knowles and Steve Akeroyd I look forward to working with you across the year. After another pre-season it's good to get back into playing some footy I am looking forward to coaching the reserves again. With a few new players to add to the local lads, looking forward to a vast improvement on last year.

Was a good effort last week against Imperials who had a pretty handy side. To our credit they hung in there for the majority of the game with some pleasing passages of play. Just ran out of steam in the end. Welcome Jervois this week who will always give a good contest. I'm sure our lads will be willing to keep improving week in week out and get our first win on the board for 2019 this week. Shovel

From the Netball President

Roo Girls are keen to be back home this week after facing Imps first up is always a challenge. But our Seniors played extremely well & all coaches were very happy with the competitive games.

Juniors were all very excited to be back on the court after all Junior Teams played in finals last year.

Congratulations from the off season to Kellie Klose & Luke McGormann on their wedding. Lucinda & Roy McKenzie little girl April, Karissa & Danny little boy Ethan & Nicole & Robbo little girl Amy. But on a sad note we farewelled Brenton 'kid' Kluge and Val Dixon, their past presence around the clubs will be missed by many. Canteen is in full action today with Melinda & Alison working together to supply delicious food & drinks.

Big Thanks again to Charlie Klose our Recorder for all her work at the Club and Anne Male representing Mannum as RMNA President.

Good Luck today Roos.

Jo-en Tabe

A Grade Netball

What a start to the year! The atmosphere at the Roos camp has been so great and I can't wait to see what the girls bring to the court today. Round One saw us taking on the Premiers from last season, Imperials. Although the girls had a hard fought loss, there were a lot of positives to take away from the game. We saw the return of Kellie McGorman (Klose) and Tracy Dabinett, and young Shari Hampel made her A Grade debut. New girls Sarah Tucker and Georgia Murray also made their presence known on the court.

A final A Grade side will be selected over the next couple of weeks and it is definitely not going to be an easy decision. I'd like to thank all of the A/A Res players for their patience, dedication and drive over the last few weeks and I look forward to an exciting year ahead. Let's bring home the win today and as Val would say- "Go you Roo Girls!"

Player Profile

Name/Nickname: Deanna Lush, Dee

Favourite position on court: Traditionally C, but now that I'm part of the Vintage Crew in Mannum Roos NC (those above 30) really just getting to the end of the game in one piece is a good outcome!

Age: 37

Most influential coach/player: Without a doubt that would be Bernice Humphrys ... my U13s, U16s, Country Carnival and SAPSASA coach.

She taught us the fundamentals of netball and is so passionate about the game, I really look back on that time and think how much that set me up for any success I've had playing netball.

Favourite AFL/AFLW team: Crows ... for both men and women's footy

Most admired netballer/coach: Just generally I admire people who come back after serious injury. I've had a few friends who have done knees and the road to recovery can be long and hard.

When did you begin playing and for who: I started for Karoonda Borrika Netball Club in about 1989 ... my first game was at Wynarka and the only thing I remember is copping a ball in the face!

Any serious netball injuries: A right ankle when I was 20, was in a moon boot for 8 weeks, it's still not right but it works which is the maiAn thing.

Most favourite food: Chocolate ... it should be its own food group

Favourite band/musician: I'm quite eclectic when it comes to music, generally anything but the 80s. I play piano so I don't mind a bit of classical music too. I drive a lot so I listen to a lot of podcasts too.

Current career: I have a communication, marketing and events business in Adelaide working with rural and regional clients called AgCommunicators. I'm a journalist by trade originally.

Away from the netball court I like to: Everyone would say I work too much and netball is one of the few things I do that isn't work! The realities of owning a business!
