## ROUND 1

**Under 9's Round 1, First Game!**

For some of us I am sure it only feels like yesterday that we were packing away the winter woolies and footy boots for the season and pulling out the Cricket Bats and pads.

But here we are again and Round 1 is done and dusted. There has been a lot of work going on in the off season creating new playing jumpers for all our teams, our much anticipated training tops (which should be here before round 2). Not to mention the fantastic work of our Sponsorship Coordinator - Jen Peggie in securing

sponsors for each of our 11 teams that we are fielding this season. There is also the Footy Ops Team who ensure that all your registrations are completed, selecting Coaches and Support Team, placing children into the right Team to ensure that they get the most benefit and enjoyment out of their football. Much hard work has gone into getting our club up and running by your wonderful committee. It's nice to see all the hard work pay off and see all our kids from our

first timers in U9's all the way through to our U17's as they play their last season for KJFC. With some great results to kick off the season the Blues are off to a flying start, we look forward to seeing our kids develop and enjoy throughout 2019 season. We wish you all the best of luck and hope that 2019 season is filled with Fun, Friendship & Football.

Coaches Comments: We ventured down to Mernda for our first game of the year and were lead out by captains Blake and Axel. Both teams played the game in great spirits and showed respect for each other and the umpires. Our team listened really well to the instructions and that resulted in us being able to kick a few goals. Thanks to all the helpers on the day. Leigh

## U11'S

MERNDA RED      0.2.2 Def By      KILMORE 10.13.73

Coaches Comments: This Sunday the mighty Kilmore Blues (Under 11's) travelled to the home of the Mernda demons. All the parents and players were excited that round one had finally arrived and what a great day for it...

Kilmore won the toss and our captain this week, Jackson Campbell decided to kick with the wind. Our players took the field.... The siren sounded announcing the start of the 2019 season and we were off. Our Blues took a little while in the first quarter to find the goals however once they worked out where they were they certainly didn't forget. A great all round team effort by all, with all of our players giving there all.

On a different note I have had the great pleasure of coaching these players for the past 3 years and I could not have done any of it without the help of two of this clubs best team managers: David MacBean and Dennys Sibillin. They are both credits to our team and club.
