**8th June NO SOCCER- Queens Bday Weekend**

**13th July: spare weekends that wet weather washed out games can be rescheduled to (IF THE GAME IS RESCHEDULED SO IS YOUR ROSTER)**

- **Shirt and orange rosters** for every game.
- **Ground official** is for home games only
- **Field set up /pack up**
  - U6s will have to set up nets each week
  - U7s will only have to pack up nets.
  - U12s will have to set up their field for every home game
  - U8-16s will need managers to follow the net set up pack up draw to determine when this needs allocating
  - U8-16s allocate a few families each time or all team dads each week to do that job while the coach is organising the team

**Shirt washing** –shirts are to be washed and returned to the coach or manager at the next training session where possible to take the worry out of leaving the team shirts behind on game day – no shirts mean we don't play.

I have rostered the same family on the same week to bring oranges – I believe its easier to remember the 2 things at once.

**Ground Official.** Matches will not proceed without a ground official. It is not a hard job- The manager will have a copy at games if you would like to re read before your official duty. You are generally over-seeing your game, taking control if a player is injured, controlling the crowd/ parents making sure they are conducting themselves in an appropriate manner. The club committee are always contactable and will help if any situation develops so don't feel under pressure with this job.

**Canteen roster** – Canteen is the main income for the soccer club throughout the season to pay for end of year trophies etc. Please help out and do your bit with the roster – its only a few times over the season & with many games you are likely to be able to see your child playing from the canteen. Children under 16 y.o are not permitted in the canteen for insurance reasons. If you have little ones to look after try and organise with another team mum or dad to look after each other's children while you take your turn. It is not fair if we do not help out and leave the canteen for 1 or 2 people each week to run while our kids line up to buy!

17th, 31st August canteen dates TBC. These are Final Series for U12s to seniors however form part of our usual roster duties for the whole club.

If you can't commit to this roster please swap your duty with another team member yourself & let the team manager know.

**Please remember this entire club functions on volunteers. It is a condition of your child's registration that you agree to volunteer to help with these jobs. If teams do not turn up for canteen duty the club will call your team over the loud speaker & will stop games if need be until duties are fulfilled. Remember this service is there for members & profits go back to members.**

Your team is rostered on to canteen TOGETHER. This roster is combined for canteen & BBQ.

	<b>Add in your allocated dates For e.g. 4th June Round 3</b>	eg 8th August Round 10

Managers roster will tell your team your appropriate dates & number of helpers required for the whole designated time
