Waverley Park Hawks: More Than a Football Club

25 APRIL 2019. VOL I

SEASON 2019 LET'S GO!

CLUB SONG

We're a happy team at Waverley
We're the Mighty Fighting Hawks.
We love our Club, and we play to win,
Riding the bumps with a grinat Waverley.
Come what may, you'll find us striving
Team work is the thing that talks,
One for all and all for one
Is the way we play at Waverley.
We are the Mighty Fighting Hawks

AFTER MATCH KICKS OFF THIS WEEK

Our first Aftermatch is for ANZAC Round with pulled pork & coleslaw rolls cooked by our hard working committee. Come down, share the news from around the grounds and enjoy a meal with friends.

FROM THE PRESIDENT...

Hi and a big welcome to all our returning and new Waverley Park Hawks families for the start of the 2019 footy season. My name is Paul Shaw, the President of the club and looking forward to a successful and fun year ahead for all.

This year we are fielding teams from under 9's to under 17's including 4 girls' teams. As usual, a lot of work has gone on behind the scenes to get all these teams up and running. I would like to put out a big thank you to all our club volunteers who work tirelessly to get our kids on the park to play footy each Sunday! A great, successful club is only as good as its volunteer base. We have been blessed at the Waverley Park Hawks with a dedicated bunch of volunteers over the years and it is vitally important that we continue down this track. If anyone is new or old to the club and would like to contribute, please contact myself or anyone on our existing committee for further info.

This year will be a big year for the club. We get to see and use our new clubrooms for the first time. For the first time we will have 4 changerooms at Columbia to interchange between teams between games. We will have a fully kitted out kitchen/canteen which will have a big variety of food for both gameday and aftermatches. Basically facilities we can all be proud of as a club! A lot of work has gone into getting our old rooms replaced with our brand new facility. Previous and current committee members have worked/lobbied tirelessly to get to where we are today. All volunteers, who give up their time to ensure our kids have a great environment to play footy with their mates.

Also this year, we will no longer be playing our overflow games at Lum Reserve. This year, we have secured a much larger ground and facilities at Wellington Reserve. Most will remember the issues we have had recently at Lum Reserve, thus the reason for changing to a much more user friendly ground at Wellington Reserve.

One very important feature and tradition of our club will be continuing this year and that is our World Famous Sunday Night Aftermatch functions (5.30pm-7.30pm). We will have our usual team sponsored themed nights, our kids will have full access to the ground under lights to have a kick of the footy with their mates, food and drinks at bar prices, team results and most importantly coaches awards from the day and 50, 100 and 150 game milestone awards. Please support and try to get to as many of these nights as you can as they are a great way for our families from all teams to get together and enjoy the achievements of our kids!

Keep an eye out for our annual Dinner Dance, Sportsman lunch and other social activities. Please try to support these events as plenty of work goes into organising these events for the sole benefit of running our great club for the ultimate goal of providing a safe and enjoyable environment for our kids to play footy.

Enjoy round 1 this weekend and please remember that junior footy is all about the kids and having fun and being a part of our great game! Look forward to seeing as many families at our first After Match (Anzac day round) for the year this Sunday hosted by the committee.

Go Hawks!
Paul Shaw

WEEKLY TIP FROM WAVERLEY PARK PHYSIOTHERAPY CENTRE: Your Health, Your Hydration: Fatigue near the end of training or game is more likely to result from effects of dehydration than from fuel/food depletion.

Our Social Committee is looking for new members. We'd love to get more people involved in creating and organising our social events. If you would like to help out we'd love to hear from you.
