# *From the Football President*

Welcome Tailem Bend football and netball clubs.

This weekend we celebrate the opening of our new electronic scoreboard. Named the Reg Eichler scoreboard this amazing achievement has only been possible through a wonderful gift by a passionate supporter. The Mannum Football club are grateful for the opportunity to have this new facility. We welcome Kerry Yeates, Reg's niece, who will officially open the scoreboard before the league game today.

Best of luck to all Roos teams today, leave it all on the park and enjoy all your games.

Tonight stay (or come back) and enjoy a fabulous paella meal along with some great games.

Dave

# League Football

Welcome back to footy after a 3 week break. I hope everyone had a safe and Happy Easter but I am glad footy is back.

Last game we headed to Mypolonga, to face whom I believe, are the ones to beat for 2019. Our first quarter was challenging as Mypo jumped us to kick 10 goals to 1 at quarter time. We struggled to start with any kind of intensity and it showed on the scoreboard. The second quarter we lifted a little, but obviously, we still needed more out of our boys. The second half we showed some resilience and won the half, but it was a realistic, hard hitting truth, that we need to be better and bring our best week in and week out. Isaac Hampel and Blake Tabe were serviceable in defence and once again, captain Levi Krause, battled all day for us. Both Jack Woolard and Bryson Keeley worked tirelessly kicking 3 goals each,

This week, we head back to Mannum, to take on Tailem Bend FC. After 3 weeks between games we will need to be mentally ready come 2:30, and make sure we start fast. I'm ready, and I know the boys certainly are, so make sure you cheer loud and help us get our first win of the season.

Cheers  
Knowlesy

## A Grade Netball

Unfortunately due to a serious injury (to her foot) the A grade coach was unable to submit a write up. BUT she will be back with a huge write up in the next Roos News.

Get Well soon Jemma

## A Res Netball

The A reserves team was named this week and the talented players are Shohan Fridge, Deanna Paech, Emily Schultz, Kimberly Rathjen, Kady Poole, Shari Hampel, Taylor Poole and Sam Eichler. The team has been working hard and a couple of close games against the top teams, from last year, has built confidence within the team. It should be a great game today and as always, the team will be working extremely hard to walk away with the win. Coach Kimberly Rathjen

## C Grade Netball

C grade has had a great start to the 2019 season, the team is newly constructed and consists of coach Rikki Morland and team manager Jodie Maloney. The games played so far have been a lot of fun and have allowed the players to get to know each other and develop their approach to play. A strong defence has led to minimising the opponents opportunity for goals with many intercepts and rebounds taken. On the opposite end of the court, consistent shooters who rarely miss has enabled strong leads. Mid court keep the ball moving through the court and have a keen eye followed by strong passes. The team are excited to take on Tailem Bend for the first time this season and look forward to a fun match.

Welcome Tailem lads today. The revolving door of reserves footy continues today after a two week break. A few in a few out.

Our boys have been competitive the first three rounds. We have matched sides for large periods throughout the game but unfortunately not being able to get a consistent side on the park makes things tough. I thank the u17's lads who have stepped up in the early rounds and have held their own after playing a full game prior. Today will be a challenge as the Tailem lads have been playing well. On the flip side I'm confident the lads will step up and continue to improve with a few lads coming back into the side and surprise a few sides starting today.

## U17.5

Hi all, well it feels like an eternity since we last played a home game. Since then we have had 1 win and 1 loss with the boys playing some good footy in patches. Our main focus at the moment is building a tight group that can keep improving, challenging the top sides and put together more consistent performances.

Well done to Archer Connolly, Mitch and Brock Heward for representing the RMFL and to Mitch for being selected as captain and being awarded best on ground honours. Good luck to all footy and netball teams today. Cheers, Quinny

## U13's

A two week break and plenty of fresh legs on the track Thursday night, looking forward to lining up against a usually good side in Tailem Bend on our home turf.

Mitch and myself are both proud to be coaching such a great bunch of kids and look forward to plenty of smiles and some great footy.
