

FOOTY - MAGPIE STYLE IN ROUND 4

Round 4 – May 2019

Magpies were home and away for Round 4 as we headed into Round 4. Friday night games have become a signature event for our club. It's great to see the kids getting to experience Night Footy at Memorial.

A huge shout out and thank you to all our volunteers who help out with home and away games. Friday nights, Sunday mornings, getting to the ground early, leaving late. Travelling to away games to help coach, team manage, water carry or run for the team. Working in the canteen, cooking the BBQ, picking up rubbish and everything in between. Our club could not run without your support and help, we are truly grateful for your contribution.

We celebrated milestone games this round, with **ANGUS LANGLEY** (13s) celebrating his **150th** game with Ingleburn Magpies along with **JETT ELLIS** (U13s) and **ANDREW DIXON** celebrating their **50th** game milestones. Congratulations to these players.

UNDER 14S LOVING FRIDAY NIGHT FOOTY

This team took on a strong Emu Plains side for Memorial Friday night footy this week. What a game! From the first bounce our Magpies were first to the ball, picked it up and used it perfectly. A hard fought first quarter was the difference at the final siren with every other Quarter being very close. A big shout out to our new recruits Tayvian and Semi. They played with great skill and it was great to see how the boys and girls welcomed their new team mates.

U9s HOME AND AWAY

Under 9 White

U9 Whites had a great game on Sunday. The hand balling and kicking skills are coming along nicely. And talking between each other was awesome to see. Giants of the week went to Connor and Mathew. Well done boys!

A massive well done to the whole U9 team on the hard yards and the effort they put in every week!

Under 9 Black

This week our future superstars travelled to Peter Miller Park to play against the Liverpool Eagles. A great game of footy by both teams. Lots of tackle pressure and great teamwork lead to lots of goals. Loved seeing the team get around Eric and Heath after kicking their first ever goals. Congratulations to our Giants Player of the Week Eric

U10s - MIGHTY BLACK AND WHITE

Under 10 White

What a great little team this is. They continue to improve each week as they enjoy their footy. Playing in different zones each week greatly supports player development. Running, handballing – is it like a black and white flash running past each week. Well done everyone.

Under 10 Black

Excellent performance from the Under 10's Black this week from every player. Great handballs, great leads, strong tackles and 100% effort at every contest. Congratulations to Sebastian and Levi for receiving the Giants player of the week award. Special mention to Angus W for putting 100% effort in at all times, using his hands well and his kicking was phenomenal. All-around strong performance from the Magpies!

UNDER 11s START AND FINISH STRONG

This week we saw the clash of the competitions two undefeated teams, Ingleburn vs Camden at Fairfax Reserve. Our Magpies swooped at the ball from the first siren using the strong wind to pile on the pressure. We came away with a solid win because our boys held their field positions all day. Well done team!

UNDER 12s WHITE DEBUT WITH STRONG PERFORMANCE

Our first outing for our newly entered U12 team had us visiting the Liverpool Eagles. The new Magpies took a couple of quarters to come together but then produced some lovely linking footy, and great pressure. Well done Magpies on a great winning start to your 2019 season!

UNDER 12s BLACK FINISH STRONG IN TOUGH CONTEST

A home game for Round 4 against a strong Blacktown team for our U12 Black side. After a close first half, Blacktown kicked ahead by 2 goals at three quarter time. What can we say about our last quarter of footy? Every player dug deep and played their part to come away with a great win. All the boys are learning their roles in the team and putting their training into practice in the game. Great game boys, super proud of you all. A special thanks to Daragh, Kezia and Angus for supporting Coaches Trevor and Heath on Sunday.

UNDER 13s WHITE

An exciting game of football against the Parramatta Lions at home this week in Round 4. Both teams played great football with a real focus for the Magpies on first to the ball which required hard running. Commitment from our players to work hard for each other every quarter made this an enjoyable game of football to watch with great teamwork on display throughout.

Well done to the Magpies who came away with a close win and the Parramatta Lions who played a very good brand of football.

UNDER 13s BLACK

A highly anticipated game against a great team who we all have a tonne of respect for.

What a great game of footy played in great conditions at the home of footy in Round 4.

Emu Plains came to Ingleburn and were a part of a classic game in what was dubbed as the Grand Final Replay. Our U13s Blacks were amazing on the day playing Magpies footy all day continually getting first to the ball and working hard for each other and getting around each other at every contest. We fought hard to the end against a great side and our ability to run harder and faster for longer helped us get a great win. Well done to Emu Plains who helped make this one of the games of the season!!

U13 YOUTH GIRLS

A great day of footy was had by our Magpies and the visiting Fairfield Falcons. Fantastic footy was played in the spirit of the game and fun for all. The girls continued to look for their teammates and move the ball along in packs producing a fine win. Keep it up!

U15 YOUTH GIRLS BYE

U15s (JV)

What a cracker of a game for this Alliance team. A close and physical encounter with Emu Plains/Glenmore Park saw this team work hard for a solid win. Moving the ball around, teamwork and getting to every contest were key factors this Round. Well Done Magpies, Redbacks and Kangas.

U17s

This team continues to play great footy. Teamwork again the key to a solid win this round. The commitment to getting to every contest, looking for team mates and sticking to their game plan were integral parts of the Round 4 game. Congratulations.
