# League Football

We headed to Meningie, after a tough week against Ramblers at home, with some confidence that we could match them.

Heading into the first quarter we started a little slow yet again, not working hard enough for each other which is unacceptable in my eyes. After a frank chat at quarter time we showed some real character and worked our way back into the contest. Some good ball movement and an increase in effort proved we can match it when we need to.

After half time we continued our good footy getting within three points early in the last quarter. Unfortunately we could not sustain our work rate and pressure and ended up going down by 33 points at the end of the game. Despite the loss, there were signs of improvement and ability to match it with a quality side. We just need to sustain it and be better for longer periods.

This week we take on Imps at home, a game if we play our best footy, is within our grasp.

Stick with us we will continue to work hard and get the desired results we all are chasing.

See you at the footy.

## Agrade—NETBALL

AGrade this week are coming off an outstanding 50 goal win against Meningie. The girls are starting to settle as a team and are making improvements each week. This week we take on the undefeated Imperials. Gemma Horstmann and Amy Loechel in goals are becoming a very strong combination, pairing well Sarah Tucker and Georgia Murray in the mid court, who have fit straight into the Roo family. Emily Paech in wing defence has stepped up her game over the past couple of weeks, applying great defensive pressure. And finally, Kellie McGorman (Klose) and Tracy Dabinett in defence. What can I say about these two? Nothing beats having young aspiring defenders on the sidelines, watching and learning from these guys. Good luck to all the teams today. Let's go out hard and prove to ourselves that we can achieve anything we put our minds to. Believe in yourselves and each other.

Jemma Woollard

AGrade Coach

## U11—FOOTY

We were very excited for our first win last weekend at Meningie. The team have come so far in a short amount of time. Dallas and Nash have been showing some awesome leadership in the midfield with Jamee-Lee and Caleb rucking up a storm while Todd has been kicking goals like crazy. Which would not be possible without a solid backline being led by Katoah who always puts a strong defence. We are off to a great start of the season and I can't wait to see where we end up through the season.

## U7—FOOTY

The Auskickers have been working really hard learning how to kick and handball, they are getting better every week! We've been looking at how to become a supportive team mate and learning the basics of gameplay through our 6 v 6 grid games. Recently, the Mannum and Imperials Auskickers had the opportunity to play at the Adelaide Oval half time of the Crows v Port game. This was such a great night the Auskickers will remember forever.

## U17.5

Since the last home game we have faced the top team in Ramblers and had the bye last week against Meningie. I was really proud of how the boys played against the top side. We had a tough week and it was a credit to the team of how they stuck together and went out against Ramblers and put 4 very solid quarters of footy together. I asked for effort quarter by quarter and that is what they delivered, we are constantly working on developing into a strong close group and the main thing we are measuring against is continuous improvement. Today we face Imperials who are always strong and will be another big challenge for us, but I am sure if we come with the right attitude and keep our work rate and effort up we can definitely challenge them. I look forward to the challenge of improving this group of lads and I can see a bright future for a lot of the guys and our club if they stick to working hard and supporting each other. Good luck to al Footy & Netball teams today. Cheers, Quinny

## U15

Welcome to Imperials football and netball club. Last week we travelled to Meningie. It was a great opportunity to play some kids in the middle who don't normally get a chance to. We started strong and kicked 6 goals in the first quarter and went on to win 16 16 to 4 2. Best players were Gladigau with 4 goals, Kneebone, Cook, Bailey and Chadwick. The usual standouts Reschke, Stagg and Fidge were also best players but you can't pick them all.

The u15's are top now and as last year showed for some boys it's not being on top in May that counts, it's being on top after the last game in September.

Go Roos

Matty

Back home with all teams playing today. A Grade secured a confidence building win against Meningie and B Grade showed they are a strong team and junior players some court time. Game of the day came from 15Div1 who held strong for the win against the undefeated reigning Premiership team. 13Div1 were extremely competitive and 11Div2 getting another win. Our Mini's played with lots of passion and Claire is developing these players for the future.

Congratulations to Gemma & Elise Horstmann and Phoebe & Piper Wegener representing the RMNA at the Woodside Carnival on Sunday and will play in the Country Champs June Long Weekend. Good Luck also to Andrea Wegener for coaching the 15's and big Thank you to Trish Horstmann as the Mannum Representative. The girls were presented with new jackets to be worn this season by Anne Male RMNA President & Jacket sponsors. Well Done to Nicky Smith for her organisation with the Sponsors.

The RMNA is focussing on player attitudes towards umpires. Abuse will not be tolerated by players or spectators. If you are concerned please speak to myself or a committee member. Anthony Lapinskas is continuing his mentoring of Umpires with new Green Shirt umpires starting this season. Congratulations to Nikayla Clark umpiring her first A Grade game at Meningie.

Please come and enjoy bacon n eggs, coffee, homemade cakes, delicious yiros, spuds, fried rice and soup at the canteen.
