

## **Videoring and Photography Policy**

Basketball SA is conscious of concerns raised regarding the taking of video footage or still photographs in basketball stadiums. Nevertheless we are also conscious that there are genuine and innocent reasons why this may happen, including the recording of family memories and scouting by team coaches.

In setting a policy with regard to the use of cameras in its stadiums and during its competitions and programs, Basketball SA has endeavoured to reach a fair and simple compromise between these competing needs.

The following policy shall apply to the use of cameras in all Basketball SA stadiums and during all Basketball SA competitions and programs.

A person is permitted to video and photograph games involving minors provided that they are:

- a) related to a player involved in the game, or
- b) doing so for scouting purposes or
- c) approved by the Officiating Development Manager Basketball SA for the purpose of referee development and education.

If parents have concerns about people videoring or taking photographs of junior games, they should raise them with a stadium official. If the person using a camera is then unable to convince the stadium official that they fall into either of the above categories, they will be asked to discontinue taking photos/filming.

Any person aggrieved by that decision should raise the matter at the earliest opportunity during business hours with the Basketball Manager at Basketball SA.

No videoring or taking of photographs will be permitted under any circumstances in the toilets or changing areas of stadiums where Basketball SA programs or competitions are being conducted.

Under no circumstances should video footage or photographs taken in Basketball SA programs be posted online or in any public forum without the permission of the parents of all minors appearing in the video or photograph first being obtained.
