
ROUND 11 PREVIEW

Just over half way through the season and everything on field is starting to take shape. Round 11 is one of the most unique two weeks of football we have had in the TRFM Gippsland League with eight matches to be played over the next two weeks. This is of course to help benefit the clubs who have moved some fixtures from other rounds to complete various requests throughout the season. Bairnsdale and Sale will play their round 10 makeup match in the second week of round 11 on Sunday the 7th July, this coincides with the school holiday time in East Gippsland and we hope that the Red Legs can draw a big crowd for a crucial senior clash. Other games include Wonthaggi against Maffra which

will be a make up game for Round 15 and Warragul against Leongatha which will be a make up game for round 13 after the Western Park venue was unavailable for that week. It may distort the ladders for a few weeks so please make sure you read them carefully when following your side. It is great to see that the clubs and the League is flexible with changing up these arrangements to maximise the benefits for the clubs involved. Be sure to keep checking AGA Gippsland League TV. There are plenty of highlights and match replays on there from the first 10 weeks. The League has invested in two matches per week this year to help cover more sides.

MID SEASON REPORT

Race for the five takes shape

The race for the finals spots are taking shape after the first ten weeks of the season. Sale, Maffra, Moe & Drouin have separated from the pack and look destined to form the top three come season end. Drouin have only lost to the top three sides so far in 2019 but their percentage still sits below 100% despite having 7 wins from their first 10 matches. History says that nine or ten wins will secure you a finals spot and the Hawks have Warragul, Wonthaggi and Morwell at home in the second half of the season. If they can win those games they will be back in the finals for the first time since 2016. Leongatha round out the five at this point in the year and with some midfield cavalry expected to return in the second half of the season they will be hoping to hold on to this spot. Their final round match away to Bairnsdale could be vital to their finals makeup with the Redlegs sitting in sixth for most of the first half of 2019. The Maroons are the only other realistic chance at this point of the year to push into the five but history is against them with the 2016 Drouin side the only team in the past decade to make the finals after only posting three wins in their first 10 matches. The 2016 Hawks (3 wins), 2011 Parrots (5 wins), 2010 Parrots (4 wins) and 2009 Hawks (5 wins) are the only sides in the past decade to have claimed a finals spot after sitting outside the five after round 10. The 2016 Drouin side and 2011 Leongatha side are the only teams in the 10 team era to do this. Bairnsdale sit with four wins but have only played nine matches with the makeup game against Sale to come.

Sale have been the side to beat so far in 2019 with their only loss coming at the hands of rivals Maffra in the Good Friday Battle of the Birds. While it was a comprehensive win to the Eagles the footnote to the match was that Sale were missing two of the Leagues top 10 and arguably top 5 players in Kane Martin and Jordan Dessent. All eyes will be East on July 14th as Sale host the Eagles in a Battle of the Birds where a victory could give Sale one hand on the minor premiership. Moe have had their ups and downs so far with a streak of four unbeaten to start the season followed by three losses and now another stretch of three consecutive wins. The Lions look like they have a solid list and age profile that could challenge this year. Their biggest hurdle will be making sure they get the double chance come finals and have their stars like Spencer White fit and firing in September. In the past decade the premiers have come exclusively from the top three sides meaning that the race for the double chance will be exciting to watch come the second half of 2019.

SALE

Current Ladder position: 1st – 8 wins and 1 loss at 126%

2018 Ladder position after Round 10: 3rd – 8 wins and 2 losses at 130%

Leading goalkicker: Brad Dessent 34 (1)

MVP Top 3 at RD 10: Tom Hams (9) 4th, Brad Dessent (8), Zac Hurley (6)

Best win for the season: Round 7 v Sale. A terrific contest and a gutsy away win which proved the Magpies' credentials. Final score: 14.10-94 to 13.5-83.

One that got away: Round 3 v Maffra. With key players missing the Magpies' weaknesses were ruthlessly exploited in a 15.12-102 to 4.4-28 defeat.

Highlights of the year so far:

Where to begin? Let's start with the obvious: every game either side of the trip to Maffra, which stands out as an anomaly in a brilliant campaign that has included away wins at Moe and Leongatha. After 10 rounds the Magpies are a game clear atop the ladder with a game in hand. There are plenty of tests to come, but the first half of the season could hardly have gone better. How about Brad Dessent's 10-goal haul against Wonthaggi Power in round eight? A breathtaking display of good old-fashioned full forward dominance. Or perhaps Chris Laverty's 300th game? The first player to do so for Sale and only the sixth name on the list of players to have achieved the milestone in Gippsland's premier football competition, putting him in elite company. The Pies faithful will be hoping that by season's end, the above merely serve to complement one major highlight.

Players that have caught the eye:

Once again, it's quite a list. Winger Tom Hams started the season like a house-on-fire with maximum MVP Award votes in the first two rounds and looks to be back to his silky best after a year out of the game. Forward Brad Dessent has 28 goals in his last five games and hauled in seven contested marks on his way to a bag of five against then-ladder leader Moe. Jordan Dessent and Kane Martin have been magnificent in the middle of the ground, racking up possessions, clearances and inside-50s at will. The

2017 Trood award and Rodda medallist Kane Martin has again starred in 2019.

former had 28 disposals at 67 per cent efficiency, including seven clearances and five inside 50s against the Lions, while the latter had 41 disposals and 10 inside-50s against Drouin in round five. Another to make waves is 19-year-old defender Zac Hurley who has polled well in the MVP Award.

MAFFRA

Current Ladder position: 2nd – 7wins and 3 losses

2018 Ladder position after Round 10: 1st – 9 wins & 1 loss

Leading goalkicker: Daniel Bedggood (20) T4th

MVP Top 3 at RD 10: Jack Johnstone (5) T16th , Tom Jolly (4), Sam Fleming (3)

Best win for the season: Round 3 Good Friday versus Sale. Maffra 15.12-102 def Sale 4.4-28

On that got away: Round 4 away to Morwell. A late Kuyi Jiath goal stole the show for the Tigers. Morwell 6.8-44 def Maffra 5.10-40

Highlights of the year so far: The Eagles look like they will be up there again in 2019. They are the only team to have beaten top of the table Sale and did so in convincing fashion by 74 point winners in Good Friday Battle of the Birds clash. During the season the Eagles secured a big signing with one of their favourite sons and former Port Adelaide forward John Butcher joining their already talented list. Surprisingly they have lost a few games away from home this year notably to Drouin and Morwell. They are still yet to drop a game at home which holds them in good stead come the back half of the season. All going to plan they look destined to finish in the top three and have another crack at the premiership title.

Players that have caught the eye: Maffra arguably have the best top end talent in the League and have only further added to that this year with the return of John Butcher. 2019 has seen the emergence of some of the next generation of Eagles stars with the likes of Hudson Holmes and Kade Renooy getting the opportunity to play senior interleague after an impressive start to 2019. Keiran Jones is another young star that has been earmarked for big things and his performance in R8 against the highly fancied Lions where he won 45 hit outs to go with 26 disposals and 6 marks showed what he is capable of at senior level. Ed Carr has again been a star in the midfield and continues to rack up the possessions every week and along with Jack Johnstone and brother Alex, the Eagles midfield continues to run deep. Daniel Bedggood has also hit form in the past month of football with 16 goals in his last 6 games.

Eagles veteran Daniel Bedggood is again among the top goalkickers in the League this season.

MOE

Current Ladder position: 3rd – 7 wins and 3 losses

2018 Ladder position after Round 10: 4th - 6 wins and 4 losses at 124%

Leading goalkicker: Ash Dugan 19 (T6th)

MVP Top 3 at RD 11: Bernie Vince (6) tied 9th, Joel Bragagnolo (5) , Dylan Farrell (4)

Best win for the season: Round 3 Moe on the back of a big last quarter defeated Traralgon 9.6-61 to 8.5-53

On that got away: Round 5 v Bairnsdale Moe 12.9-81 def by Bairnsdale 13.11-89

Highlights of the year so far: The Lions had the best start to the year of any side as they sat on top of the table after four rounds undefeated. After dropping three games in a row they have responded winning their last three to sit with seven wins so far this year. Moe had the two biggest recruits of the offseason welcoming Bernie Vince and Spencer White and on the field the two haven't let the club down. Vince proving crucial in the round 3 win over Traralgon and being among the best in every game he has played. White has been missing over the past few rounds but his scoreboard impact early in the season helped the Lions start with four wins. Their Round 8 win was possibly the highlight of the year when they toppled the reigning premiers Leongatha. The Lions hadn't tasted success against the Parrots in almost a decade and broke the losing streak with a 16 point home win. They are now setup to have a genuine crack at going deep in the finals and will be looking to secure a top 3 finish come the end of the season.

Players that have caught the eye: The obvious choice is Bernie Vince, he has been sensational so far in 2019. In the AGA GL TV games he has rarely dropped under 20 disposals a game and wins a lot of ball from stoppages. Ash Dugan has been another star early in the season and found himself in his first Interleague side. Dylan Farrell started slowly but his past month or so has been elite with the big ruckman spending more time up forward and hitting the scoreboard. In round nine against the Gulls he finished with 5 goals and 11 marks playing most of his time up forward. James Blaser is another player who has caught the eye spending more time around the forward line he is hitting the scoreboard averaging over a goal a game with 14 majors from his first 9 games. All things going to plan he should play his 150th game in round

Former AFL star Bernie Vince has been a welcomed edition to the Lions line-up this season.

12 against the Maroons. Finally speaking of milestones, Peter Ainsworth played his 350th senior game earlier in the season which is an amazing feat of longevity at senior level in this standard of competition.

LEONGATHA

Current Ladder position: 5th – 5 wins and 5 losses at 109%

2018 Ladder position after Round 10: 2nd – 8 wins and 2 losses at 155%

Leading goalkicker: Chris Dunne and Jack Ginnane 19 (T6)

MVP Top 3 at RD 10: Chris Verboon (12) (1st), Cam Olden (8), Josh Schelling (4)

Best win for the season: Round 1 v Maffra. Missing five recommitted premiers heroes and walk-up starters, the Parrots still managed to unfurl their flag in style against grand final foe Maffra, 10.11-71 to 9.5-59

One that got away: Round 4 v Warragul. Never much in it but the Parrots worked their back from 17 points down at three quarter time only to lose to a Matt Rennie behind at the death, 11.7-73 to 10.12-72.

Highlights of the year so far:

They've had a slate of injuries to deal with – including several longterm problems to key players – and seldom been close to their best, but still sit fifth on the ladder at the halfway mark. To be at this point without a single kick in anger from either of their premiers co-captains in Hayden Browne or Tom Marriott, and only three games from Luke Bowman says plenty about the makeshift midfield coach Paul Carbis has managed to assemble. It's also given the Parrots an opportunity to integrate some more young players into the group, with the likes of Cam Olden (19), Travis Nash (17), Jack Hume (17) and Jacob Lamers (17) all enjoying a run in the side. Plus there have been good wins against Maffra (round one), Drouin and Bairnsdale along the way.

Players that have caught the eye:

Josh Hopkins has benefited from increased midfield time and is having a huge impact. In four AGA feature games, the 22-year-old has averaged 25 disposals (six contested), five tackles, four clearances and three inside-50s and a goal a game. Swingman Chris Verboon has long been a leader for the Parrots but in the absence of Brown and Marriott he has stepped up to a new level. His ability to play in defence or attack makes him a huge asset, with his knack for shutting down key forwards at one end complemented by the odd goal at the other. He's also a smart ball user which enables Leongatha to control possession in the back

Josh Hopkins has been one of the Parrots best in 2019. He also represented the League at the Community Championships in May.

half. All that was on show at Maffra last weekend, when he tallied 21 disposals (six contested) at 76 per cent efficiency, with three contested marks and four rebound-50s. Of the young guns mentioned above, Olden has made the most notable impact. The hard nut is proving himself a beast at the stoppages, with more than 10 contested possessions and five clearances per game.

MVP Top 3 at RD 10: Keenan Hynes (5) & Josh Whykes (5) T11th, Shaun Wyatt (3)

Best win for the season: Round 5 v Moe. The Redlegs first side to topple the rampaging Lions, as Kieran Vickery starred with four goals in a stirring 13.11-89 to 12.9-81 win.

One that got away: Round 1 v Sale. A high-octane encounter that neither side deserved to lose but the Redlegs will rue what in hindsight would have been a huge scalp to open to the season. Final score: 16.6-102 to 15.9-99.

Highlights of the year so far:

It hasn't been an easy ride for the Redlegs in many respects but their response to adversity has been a real feature of their season so far. Three road defeats in the opening four rounds put them behind the 8-ball and long-term injuries to captain Simon Deery and key defender Corey Timms compounded the concerns. However, the boys from the 'Dales have bounced back admirably, winning three of their next five, including a brilliant performance against Moe and a thriller against Warragul, which had rattled off five unanswered last quarter goals to grab the lead, before two late goals from Link Robinson snatched back the points. Win their game in hand and they are within percentage of fifth spot. The return of the reserves side has also been a huge positive, providing the senior side with greater depth and the club a broader off-field base. That the twos are on track to play finals themselves is a terrific bonus.

Players that have caught the eye:

Russell Cowan has been doing Russell Cowan things – for the 'Dales and the league's interleague side – and Brayden McCarrey's prowess in front of goal continues to shine. The former seldom dips below 20 possessions in a game, while the latter has 25 goals in seven starts, despite rarely gathering more than 10 disposals and is a tough matchup for any defence. Athletic midfielder Tomm Bryan has also been super consistent, as has Brayden Radford in an undermanned defence, following the loss of Deery and Timms. Keenan Hynes starred in the wins against Morwell and Moe with his run off half back and his 26 disposals (18 kicks and 8 handballs) at 81 per cent efficiency against Traralgon in round nine was a

great example of how important he can be to the way the Redlegs move the ball. Developing tall Josh Whykes was brilliant against Traralgon, with 23 disposals and 22 hitouts, while Shaun Wyatt has shown glimpses of his best throughout the season, with a three-goal showing in the crucial win against Warragul particularly impressive.

TRARALGON

Current Ladder position: 7th – 3 wins and 7 losses

2018 Ladder position after Round 10: 5th – 6 wins and 4 losses

Leading goalkicker: Dylan Loprese (18) 9th

MVP Top 3 at RD 10: Jackson McMahon (5) T12th, Jackson Hall (4), Michael Jacobsen (3)

Best win for the season: Round 7 - Traralgon 15.11-101 defeated Warragul 6.4-40

On that got away: Round 2 Leongatha defeated Traralgon 11.10-76 to 11.7-73 and round 4 Moe 9.6-61 defeated Traralgon 8.5-53

Highlights of the year so far: It has been a tough year so far for the Maroons. They started the season off with four consecutive losses and have never really recovered. Their first win came in round five at home against Wonthaggi by an unconvincing 14 point margin. They managed to win three out of four games from round 5-8 which had them back in touch with the top sides. The Maroons looked back on track with an impressive win away to Warragul in round 7 kicking 15 goals in the 61 point win. Consecutive defeats to Maffra and Drouin ended their resurgence and have them sitting with just the three wins after round 10. Mathematically they are still a chance but history is against them from this point of the year.

Players that have caught the eye: Traralgon have played a lot of players through their senior side this year. Dylan Loprese was in good form early in the season and has been among the top goalkickers in the League. Chris Thuring has been a shining light also in his first year at the club although his season is now over after the serious injury he suffered in Round 10 against Drouin. Jackson McMahon made Frankston's VFL list but has been back at the Maroons for patches of the season which has helped with their midfield depth. Jackson Hall has also been playing higher up the ground and has had a number of games where he has reached over 20 disposals most notably his 34 disposal effort in round 6 against Bairnsdale which included 9 rebound 50s.

2018 Wilkinson medallist Ewan Williams has stepped up into the senior line up this year and is one of the next gen Traralgon midfielders.

WONTHAGGI

Current Ladder position: 8th – 3 wins and 7 losses at 77%

2018 Ladder position after Round 10: 9th – 2 wins and 8 losses at 57%

Leading goalkicker: Mitch Betson 13 (T16)

MVP Top 3 at RD 10: Troy Harley (7) T8th, Aiden Lindsay (5), Toma Huther (3)

Best win for the season: Round 3 v Leongatha. Does it get any better than knocking off your highly-regarded rivals in front of a big crowd like the Power did on Good Friday? Final score: 9.10-64 to 7.8-50

One that got away: Round 10 v Warragul. Ten points up at the final change, but wasted opportunities saw the Power overrun 10.9-69 to 9.9-63 and miss a golden chance to keep pace with the top five.

Highlights of the year so far:

As noted above, it's hard to look past the Good Friday win against Leongatha as the highlight of the season so far. The Parrots were short-handed but the Power were relentless and fully deserving of their win in front of a sizable and vocal home crowd, with the reaction to Lachie Jones' decisive last quarter goal – both on the ground and the other side of the fence – a moment to remember. Beyond that, it was great to see a couple of Power stars get some recognition outside of Wonthaggi. Classy midfielder Aiden Lindsay earned just his second interleague call up for this year's Worksafe Community Championships match, while talented tall Toma Huther has well and truly put a horror knee injury that cost him a season and a half of football in 2016-17 behind him with selection in the initial squad just reward for his early season form.

Players that have caught the eye:

Huther and Lindsay have undoubtedly been standouts, with the latter named in the Power's best in nine of 10 games this season. However, a few others have shown promising signs at different stages. Off-season recruit Tim Knowles has impressed at half back with his composed ball-use, proficiency overhead and running ability all on show against Morwell in round two, when he had 15 disposals at 87 per cent efficiency, along with three contested marks, two inside-50s and three rebound-50s in a disappointing defeat. Tall forward and fellow new arrival Mitch Betson was in everything against Moe, with five contested marks, five tackles and two goals.

Ben Eddy was a shining light for the Power early in the season. His form saw him bought into the Interleague squad for 2019.

WARRAGUL

Current Ladder position: 10th

2018 Ladder position after Round 10: 7th – 4 wins & 6 losses

Leading goalkicker: Ben Hughes (21) 3rd

MVP Top 3 at RD 10: Matt Rennie (8) T4th, Kim Drew (5), Mitch Nobelius (3)

Best win for the season: Round 4 is the obvious choice with one of the surprises of the season Warragul 11.7-73 defeated Leongatha 10.12-72 thanks to a late Matt Rennie point.

On that got away: Round 8 Bairnsdale 14.10-94 defeated Warragul 13.12-90

Highlights of the year so far: The Gulls have had a challenging year so far but they have also had a few highlights amongst the tough times. Undoubtedly the biggest high point in the year and in recent history for the Gulls was the defeat of reigning premiers Leongatha. Warragul suffered a heavy defeat at the Avery last year and went into round four winless which didn't bode well for them. A red time Matt Rennie behind put the Gulls up by a single point and that was enough to secure the victory. They followed up with another win two weeks later over Morwell at home in a tight 6 point game. They will be looking to claim some scalps in the last half of the year to help shape the finals race.

Players that have caught the eye: The Gulls have arguably lost the most top end talent in the past few years with like likes of Brad Scalzo, Nate Paredes and Chris Carey departing the club since their last finals berth back in 2016. They have looked to their youth to replenish this gap and Kim Drew is leading the way. The midfielder scored his first Interleague guernsey on the back of good early season form and has made his way onto Frankston's VFL list. He has had a few big games including his 26 disposal and 9 clearances game against Moe in round 9 and his 33 disposal and 11 clearances game in the Western Derby in round 3. Ruckman Sam Whibley has been a key presence and the club have featured him the best players almost weekly in the early parts of the season. Coach Ben Hughes has provided a target and managed to hit the scoreboard from his limited opportunities. Hughes currently sits third on the league goal kicking table with 21 majors from his 9 games.

High flyer Matt Rennie has been one of the Gulls best in 2019. He kicked the behind of the season which secured their famous win over the Parrots.

MORWELL

Current Ladder position: 10th – 2 wins and 8 losses at 78%

2018 Ladder position after Round 10: 8th – 2 wins and 8 losses at 63%

Leading goalkicker: Tyler Hiller 11 (T23)

MVP Top 3 at RD 10: Anthony Roasto (10) T2nd, Daniel Musil (3), Daniel Siddle (3)

Best win for the season: Round 4 v Maffra. No doubting this one, Kuyi Jiath the hero with a goal at the death to steal a thriller 6.8-44 to 5.10-40

One that got away: Round 6 v Warragul. The Tigers roared home with the only three goals of the last term but fell short 8.7-55 to 7.7-49

Highlights of the year so far:

It was no secret Morwell was embracing a rebuilding phase under newly appointed coach Denis Knight and most pundits tipped the Tigers to struggle. So if the early win against Wonthaggi Power was a pleasant surprise, the round four defeat of Maffra was startling. As is often the case with young playing groups, consistency has proven the main challenge and there have been some reality checks along the journey. The Tigers do still find themselves propping up the ladder but that hardly tells the tale. In addition to the last-gasp win against the Eagles and the dismantling of the Power, Morwell has unearthed a host of talented young players that have – perhaps most importantly – bought into Knight's game plan and ethos. In some ways the truest highlight of the season so far has come from the narrow defeats away to Warragul and Bairnsdale which were met with a level of disappointment that was only due to the bar the Tigers had set for themselves in the opening month and the unexpected expectation that inevitably followed. They may well finish last but there's still plenty to smile about.

Players that have caught the eye:

The rapid rise of winger Kuyi Jiath was highlighted with a place in the TRFM Gippsland League senior interleague side and it was just reward for his early season form in which he has averaged 28 disposals in four feature games. The continued development of tackling machine and fellow league representative Anthony Rosato has also been also notable, with the hard-nosed midfielder laying 15 effective tackles against Traralgon in round eight to go with 30 disposals in a particularly impressive performance. However, as alluded to above, the story of Morwell is all about the fresh faces coach Denis Knight has blooded in the opening half of the year. Judah Leak (18 years), Nathan Noblett (17) and Cody MacDonald (16) are among the standouts, with Leak and Noblett playing every game so far, while small forward MacDonald hasn't missed a

Anthony 'Tank' Rosato has developed into one of the key midfielders in the competition. He currently sits second in MVP voting and has been a shining star in a tough season for the Tigers.

beat since kicking two goals on his senior debut against Bairnsdale in round three. Judging by how encouraging the present is, the future is very bright at Tigerland.

5 YEARS AGO ... 28TH & 29TH JUNE, 2014

Traralgon and Wonthaggi fought out a sensational draw, while Maffra came from 24 points down to pip Bairnsdale by a point in a pair of heart stoppers. Traralgon appeared to have the game in its control when it kicked six first quarter goals and led 9.4 to 5.0 at half time. Wonthaggi, with Kane McCarthy and Ben Eddy busy in the midfield, edged their way back into the game and trailed by 11 points at the final change. Two goals to the Power in the first six minutes of the final term drew the scores level. They added two behinds before Adrian Slottje snapped out of a pack at the 12 minute mark to regain the lead for Traralgon. The Maroons added two behinds (one hitting the post) to be ahead by 6 points, and there it stayed until the 25 minute mark when the Power's Nathan Jones kicked his fourth goal from a free kick. Six tense minutes followed until the final siren. Maffra, led by five goals from Darren Sheen kicked 4.2 to Bairnsdale's 0.1 to win by the narrowest of margins. Moe took three quarters to shake off a determined Warragul side, the Lions kicking five goals to one in the final term to win by 44 points, Lucas Jenkinson and Peter Ainsworth the best for the winners. Mitch Davis kicked five goals to steer Sale to a comfortable win over Leongatha. On the Sunday, in atrocious conditions, Drouin was held to a solitary point as Morwell managed 11 goals from 38 scoring shots.

Moe missed a golden opportunity to get into the top four when they fought back against Sale to gain a narrow lead at the final change. Unfortunately they were unable to complete the job with Sale kicking two unanswered goals to take the game by eight points. Kane Fraser (Sale) and Lachlan Sim (Moe) were named as their side's best. Traralgon's record remained unblemished when they overwhelmed Warragul. The Maroons kicked seven, seven and then eight goals before cruising to a huge win. Paul McCulloch's six goals headed a four pronged attack which accounted for 19 of their 25 goals. At home, Wonthaggi jumped Maffra with 6.6 to 1.1 in the first quarter. Darren Beesey kicked six goals for the Blues in their 29 point win. Leongatha, with Barry Standfield kicking seven goals, won comfortably against Morwell.

Despite sitting in eighth position on the nine team ladder, Morwell's win over Moe saw it just one game behind fourth placed Maffra with a comparable percentage. The Tigers had trailed at half time, but the third quarter saw them score 5.4 to 1.0 to take the lead which they built into a 23 point win. David and Steve Allison were Morwell's best players with Brad Paulet and Kevin Jose best for the Lions. Glenn Thorson went to the head of the league goalkickers with eight goals in Leongatha's 75 point win against Churchill. The Parrots built their lead as the game progressed, then they iced it with eight final quarter goals. Traralgon gained outright leadership of the ladder when they gained a useful half time lead against Sale, then put the game beyond doubt with a seven goal third quarter. Martin Cameron was impassable in defence with Jim Stevenson very effective in a tagging role. Neil Mildenhall led the scoring for the Maroons with six goals, while Ted Fidge and Bruce Pendlebury stood out for Sale. Bairnsdale and Warragul fought out their match right down to the final minutes. The Redlegs' backline was credited with the win in restricting the Warragul forwards. Stuart Clements led the way for Bairnsdale with great support, while Rob Ballingall put in yet another best afield performance for the Gulls. Maffra had the bye.

40 YEARS AGO ... 7TH JULY, 1979

Maffra booted a league record for a first quarter of 13.4.82 (since equalled twice) against Newborough on their way to a mammoth win by 205 points. Trevor Zeltner kicked 12 of Maffra's 35 goal total, he, Ted Carroll (7) and Jeff Gieschen (5) named as the Eagles' best. Morwell boosted its finals chances with a nail biting win over second placed Leongatha. The Tigers led by a goal at the final change then both sides kicked five goals in the final term, the Tigers hanging on to win by four points. Peter Petrou and Kevin Smith were Morwell's best, while Leongatha was best served by Clive Salmon and Peter Lynch. Warragul remained two games clear at the top of the ladder, but had some heart flutters getting there. Yallourn/Yallourn North trailed early, then kicked seven goals to go in at half time leading by 17 points. Warragul hit back with eight goals to one in the third quarter to regain the advantage, then withstood a final charge from the Blues to win the high scoring clash by two goals. Tony Nott (5 goals) and John Caddy (4) led Warragul's scoring with Peter Quirk and Tony McGrath their best. The Blues' Ray Sweeney kicked seven goals with Rudi Bence and Sweeney named as their best. Moe burst out of the blocks against Sale with seven goals in the first quarter, a four goal lead which built steadily throughout the game. Peter Boyce kicked five goals for the Lions who were best served by David Clinch and big John Gallus, while Stan Davidson won on the wing for the Magpies. Traralgon and Bairnsdale went almost goal for goal from half time onwards before Traralgon edged away late to win by 15 points. Peter Black and Kevin Johnson were best for Traralgon with Allan Jennings and Richard Johnston each kicking four goals.

Most goals (match): Bairnsdale 9 T.Somerville (1938), T.Bull (1995)

Maffra 12 H.May (1928)

Notes: Bairnsdale and Maffra find themselves this afternoon more evenly matched than for a number of years. Both teams are striving to cement a place for themselves in the top Five to secure a spot in the finals. Bairnsdale is unbeaten this year on the City Oval, but haven't defeated the Eagles there since 2014. If the Redlegs are to be a threat this year then they simply must show that they can beat sides in the top bracket. Maffra's form has been uncharacteristically patchy this year, injuries to key personnel not helping their cause. There is a lot to be gained and plenty to lose today depending on the outcome of the game, a match which will be witnessed by a blockbuster East Gippsland crowd.

Sale v. Warragul

(1954 - 1999, 2005 - 2019)

Present winning sequence: Sale 4

Match Aggregate High: 278 pts (1994) Warragul 27.21.183 d Sale 15. 5. 95

Match Aggregate Low: 59 pts (2008) Sale 4. 7. 31 d Warragul 4. 4. 28

Most goals (match): Sale 12 M.Ferguson (2011)

Warragul 8 M.Ridgeway (1981)

Notes: The Sale Magpies have made a flying start to the 2019 season, their record of 8-1 matching that of the 2012, 2013 and 2014 seasons. What is crucial for them at this stage is the maintenance of their systems, concentration and fitness. Warragul visits "The Nest" today, a ground where they have won just twice since returning to this competition in 2005. Those wins, coincidentally by 25 points each time, came in 2009 and 2017. Trips to the three eastern grounds have been a nightmare for the most part for the Gulls, however they have recently shown that this hoodoo may be coming to an end. They lost at Sale in 2018 by just ten points, and came up just four points short at Bairnsdale just a few weeks ago. While finals may now be out of reach for the Gulls there is plenty to be gained between now and season's end. Expect a closer game than many may predict.

Wonthaggi v. Morwell

(1995 - 2004, 2010 - 2019)

All matches: Played 47 Wonthaggi 26, Morwell 21

At Wonthaggi: Played 21 Wonthaggi 12, Morwell 9

2019 (M) Morwell 16.14.110 d Wonthaggi 7. 9. 51

Present winning sequence: Morwell 5

Match Aggregate High: 276 pts (2004) Wonthaggi 29.19.193 d Morwell 12.11. 83

Match Aggregate Low: 70 pts (2015) Wonthaggi 4.16. 40 d Morwell 4. 6. 30

Highest scores: Wonthaggi 29.19.193 (2004), Morwell 22.26.158 (1997)

Lowest scores: Wonthaggi 3. 4. 22 (1995), Morwell 4. 7. 31 (2003)

Greatest winning margin: Wonthaggi 134 (2003), Morwell 88 (1997)

Most goals (match): Wonthaggi 11 M.Silver (2004)

Morwell 7 R.Taylor (1996)

Notes: Morwell's current five game winning run in games against Wonthaggi is the best by the Tigers since they won their first seven encounters with them. Morwell continues their team building project and the coaching staff will be enthused by the young talent that they have uncovered this year. Wonthaggi still has its eyes set on making a late run at the top five, and to do that they must win this afternoon before finding a way to knock off some of the teams ahead of them. Young teams such as Morwell's can be unpredictable, so expect a close, hard fought game to unfold with the result still in doubt late into the final quarter.

Traralgon v. Leongatha

(1936 - 53 (CGFL), 1969 - 2019)

All matches: Played 155 Traralgon 87, Leongatha 65, drawn 3

At Traralgon: Played 66 Traralgon 44, Leongatha 22

Last ten matches: Traralgon 3, Leongatha 7

Last win at Traralgon: Traralgon 2018, Leongatha 2016 (Prelim F.)

Present winning sequence: Leongatha 2

Match Aggregate High: 258 pts (2011) Leongatha 21.12.138 d Traralgon 17.18.120

Match Aggregate Low: 72 pts (2012) Leongatha 5.12. 42 d Traralgon 4. 6. 30

Highest scores: Traralgon 29.14.188 (2009), Leongatha 23.24.162 (1995 Grand Final)

Lowest scores: Traralgon 1.14. 20 (2003), Leongatha 2. 7. 19 (2006)

Greatest winning margin: Traralgon 127 (2009), Leongatha 123 (2015)

Most goals (match): Traralgon 12 T.Aitken (2009)

Leongatha 10 W.Ryan (1936)

Notes: This match is arguably the Match of the Day in terms of what is at stake for the combatants. Traralgon, after a poor start to the year, has picked up and has designs of making a barnstorming second half of the year. Leongatha, decimated through injury, finds itself clinging on to its place in the Five with several clubs nipping at its heels. This could well be a match where each team looks back on it as a kind of sliding door moment. Fans will be treated to a match played in a finals-like atmosphere.

WEEK 2 ... 6TH & 7TH JULY

Drouin v. Moe

(CGFL 1909-11, 19-30, 33-40, LVFL 1960-64, 2005-19)

All matches: Played 77 Drouin 26, Moe 49, drawn 2

Match Aggregate High: 227 pts (1938) Moe 20.14.134 d Drouin 14. 9. 93

Match Aggregate Low: 23 pts (1922) Drouin 1. 8. 14 d Moe 1. 3. 9

Highest scores: Drouin 27.13.175 (2010), Moe 22.19.151 (1929)

Lowest scores: Drouin 0. 5. 5 (1920), Moe 1. 3. 9 (1922)

Greatest winning margin: Drouin 135 (2010), Moe 114 (2005)

Most goals (match): Drouin 11 C.Dunne (2011)

Moe 11 F.Robinson (1929)

Notes: Drouin and Moe both seem destined to be featuring in this year's finals series, both teams making one of their best starts to a season. Moe was 7-3 in 2017, but hadn't matched that start since 2002, while Drouin's best start in this

By Paul Carter

competition was back in 2011 when they were 6-3 and a draw after 10 rounds. Today's game is vital to both teams as Moe strives to stay in the top three and Drouin looks to establish themselves in the top bracket and maybe threaten the top three. The Drouin ground has been the undoing of many a quality side over the years and, with the possibility of the Hawks and Lions meeting later in the year in a final, a psychological advantage could be gained by a good win today.

Maffra v. Wonthaggi

(1995-2004, 2010-2019)
All matches: Played 51 Maffra 30, Wonthaggi 21
 At Maffra: Played 22 Maffra 15, Wonthaggi 7
Last ten matches: Maffra 9, Wonthaggi 1
 Last win at Maffra: Maffra 2018, Wonthaggi 2014

 2019 (W) Maffra 11.14. 80 d Wonthaggi 3.11. 29

Present winning sequence: Maffra 6
Match Aggregate High: 253 pts (2010) Maffra 29.13.187 d Wonthaggi 10. 6. 66
Match Aggregate Low: 71 pts (2001) Wonthaggi 6.11. 47 d Maffra 3. 6. 24
Highest scores: Maffra 29.15.189 (2002), Wonthaggi 20.12.132 (2000)
Lowest scores: Maffra 3. 6. 24 (2001 & 2014), Wonthaggi 3. 4. 22 (1998)
Greatest winning margin: Maffra 147 (2002), Wonthaggi 70 (2000, 2001 & 2011)
Most goals (match): Maffra 9 A.Burgiel (2010)
 Wonthaggi 7 D.McCarthy (1997), D.Wheildon (1998)

Notes: This match has been brought forward from Round 15. In the early years of Maffra's "Golden Age" (2002 – present) there was one team which always seemed to match up well against Maffra, and that was Wonthaggi. They met in five finals, including two Grand Finals, in the last four years that the Blues competed in the WGLFL. The home and away wins were shared and many epic battles took place. On their return as the Power, Wonthaggi again matched it with the Eagles, sharing the home and away points and meeting in another two finals (one win apiece). In recent times Maffra has had the edge, however there is just the suspicion that the Power could cause another upset in what has been the year for unexpected results.

Warragul v. Leongatha

(1934-53 (CGFL), 1969-99, 2005-2019)

All matches: Played 133 Warragul 47, Leongatha 83, drawn 3
 At Warragul: Played 61 Warragul 30, Leongatha 29, drawn 2
Last ten matches: Warragul 1, Leongatha 9
 Last win at Warragul: Warragul 2013, Leongatha 2018
 Last 5 years at Warragul: Warragul 0, Leongatha 5
Last three matches: 2018 (L) Leongatha 21.21.147 d Warragul 6. 8. 44
 2018 (W) Leongatha 14.15. 99 d Warragul 5.10. 40

2019 (L) Warragul 11. 7. 73 d Leongatha 10.12. 72
Present winning sequence: Warragul 1
Match Aggregate High: 276 pts (1977) Warragul 22.11.143 d Leongatha 21. 7.133
Match Aggregate Low: 58 pts (1994) Warragul 5. 8. 38 d Leongatha 2. 8. 20
Highest scores: Warragul 25.16.166 (1993), Leongatha 27.11.173 (2011)
Lowest scores: Warragul 2. 4. 16 (1987), Leongatha 2. 8. 20 (1994)
Greatest winning margin: Warragul 123 (2006), Leongatha 120 (2011)
Most goals (match): Warragul 14 S.Byrne (1989)
 Leongatha 11 A.Campbell (1997), N.Nagel (2011)

Notes: This game, brought forward from Round 13, could well provide another upset result. Warragul's win against the Parrots in Round 4 this year, by the narrowest of margins, was totally out of the box as the Gulls went into the game winless and the feeling around the league was that the current back-to-back premiers in Leongatha were starting to hit their straps. The win brought to an end a run of eleven straight victories by Leongatha over Warragul, all by margins of 45 points or greater. At Western Park this afternoon the Gulls' coaching panel will be stressing the importance of a sustained four quarter effort if they are to repeat their feat.

Bairnsdale v. Sale

Notes: This game, originally scheduled for Round 10, should draw a massive Sunday crowd to Bairnsdale's City Oval. After their Round 11 thriller, which saw the Redlegs fall just three points short of victory, this return clash has been much anticipated. Bairnsdale's form at home has been impressive, while they are yet to win on the road. Sale has sat on top of the ladder since Round 6 and has been able to cover the loss of key players very well despite questions being asked about their depth. This game will be a true test for the Magpies, while all at Bairnsdale realize that they must win against top five sides if they are to participate in the finals series.

Tigers top the table

For the second season straight, the Tigers have been dominating the regular season. After 10 rounds the Morwell side is undefeated, two games clear on top of the ladder. Their round 10 win over the reigning premiers Moe have set the scenario where the minor premiership now sits in their hands. They have conceded the least goals overall this year and their percentage is over 10% clear of the second place Traralgon side. Traralgon and Warragul round out the top three with both sides sitting with 8 wins each out of the first 10 games. The Gulls have stood up defensively this year despite not having 2019 MVP Renee Cook for large parts of the year, the addition of Christie Urie (Hillberg) has been crucial for the Gulls in the defensive end. Traralgon's offensive still looks the most potent in the League with Taylin Gourley continuing to pile in the goals with the service from Stacey O'Brien, Kate French and co. The top four are virtually locked in at this stage of the year with the battle for fifth spot on between Maffra and Leongatha. The Eagles were the more fancied side coming into the season with the recruitment of Montana Holmes and some of their talented juniors developing. Leongatha have been solid this year and won the games they should with their list. Jess Edgar has been a star in goals and sits third in the Shooting Star award averaging nearly 30 goals per game. Leongatha sit 6 points clear in fifth after their victory over Maffra in round 10. The Eagles will need to beat a top four side and rely on Leongatha dropping a game against Drouin, Sale, Bairnsdale or Wonthaggi to be any hope of finals action in 2019.

Drouin Football Club Notes

We had a tough contest against Traralgon last round. The game ebbed and flowed throughout the first half with our Hawks looking really good in patches. Sadly the game ended with a Traralgon player Chris Thuring being badly injured and the game was stopped 10 minutes into the last quarter. We won the game as we were ahead at the time but the circumstances were unfortunate. Our club sends its best wishes to Chris for a speedy recovery. We need to consolidate our positive first half of the season with a win over Moe today.

Our seniors started well in a very fast paced game and led narrowly at quarter time. Scoring was tough as the ball moved between the half back lines. We weren't taking our scoring chances well but held a small lead at both half time and three quarter time. The game ended at the 10 minute mark of the last quarter with a serious injury to a Traralgon player who could not be moved until an ambulance arrived. As we were leading by 7 points we won the game but our thoughts were more with the injured player. Our coach Jordan Kingi also hurt his arm again early in the game. We wish him a speedy recovery. Best players were: Barry Plant Award – Chris Robinson, Middel's Award – Tom Barr, Family Hotel Award – Joe Collins, Kim's Kitchen Award – Bob McCallum and Drouin Hawks Award – Todd Beck.

The reserves had a tough day against second placed Maroons side. We were competitive in general play but struggled to get clearances from the centre putting our backline under considerable pressure. We were soundly defeated on the scoreboard but our effort was solid with a few quality players back from the seniors. Traralgon were very efficient in front of goal and took every opportunity to hit the scoreboard. Our best players were: Select Office Award – Kurtis Harper, Warragul Bank Bar – Kiam Rose, Middel's Award – Fletcher Robertson Edgar, Drouin Gourmet Café – Will Bryce and Family Hotel Award – Austin Haymes.

The under 16's faced a Traralgon team who beat them badly in round 1. This time our young Hawks were more positive and competed hard around the contest. We were competitive in general play and kept working hard against a talented Maroons team. The loss of Kaleb Hermansen to injury had an impact but our endeavour was good. We trailed by 23 points at half time. Our boys continued to work hard and

CLUB NOTES

MAFFRA

Volunteers. Where would sporting clubs be without them?

As we enter the second half of the season if I could just digress for a moment and pay my tribute to those humble and hardworking folk!

Very hard to detect in the wild but once you identify and tame them they become quite loyal, they value please and thank you and love to say Hello!

In the seniors a win against the Parrots is always pleasant. We welcomed Channing back for his 1st game and Michael Coleman is losing his hair as his polish across half back continues to shine.

Best Players were Danny Butcher, Kieran Jones, Edward Carr, Daniel Bedggood, Kade Renooy and Jam3s Read.

Davo's seconds continue to play team footy but I suspect the parrots will be a different side come finals!

Best players were Luke Shelton, Ryan Thatcher, Jim Reeves, Jesse Ross, Sam Robbins and Joel Hutchins.

Sam Bedggood's cool and calm coaching style has his thirds boys playing consistently good footy, also great to see the boys putting their hand up to help out the two's when needed!

Best players were Ethan Kincaid-Shingles, Junior Bradshaw, Floyd Fulton, Tom Thatcher, Ari Fleming and Harry Langford.

The Fourths had a win and whilst they haven't had a lot of success this year they have played well in patches. As a group they are learning what it takes to play four quarters, Do that and the results will speak for themselves!

Best players were Tyson Daly, Harry Langford, Jonti Schuback, Zane Perkins, Darcy Woodall and Shaymus Wain.

Our A graders had a horror day on court against Leongatha – losing by 20 goals. The Parrots were just too good defensively, and capitalised on our mistakes - as a team, we really struggled to get any rhythm going.

In B grade, the Parrots got us again – 56-32. Defensively, our girls stuck it to them, but it just wasn't our day. Despite this, Mollie Huts was stoic under goals, while Hannah Bourke led the young defence.

Snagging the only win of the day for our senior sides, C grade reeled in intercept after intercept to take the win 40-53. Meg Fitt and Megan Raine held down the fort in defence to provide our attacking end with turnovers a plenty.

Our under 17s couldn't overcome the Parrots either, despite Abbey Ross in goal attack putting on an absolute clinic, and Abi Allman demonstrating she's from good stock.

In the under 15s, we cleared the lead early to take home the win, 47 to 21 – April and Kate were the breadwinners, leading the charge against the Parrots. This puts our girls a win clear of Bairnsdale in second spot – just where we need to be heading into the second half of the season.

The under 13s saw Tayli, Bridie and Chloe really step up, playing netball beyond their years to get us the win 34-29. These girls, just like C grade, are top of the ladder with only one recorded loss – an absolute credit to their hard work at training and game day focus.

LEONGATHA

This week's and next week's games will have a big bearing on our season at the Parrots. A number of our teams (in both netball and football) are teetering on the edge and need wins to give them a chance of making finals. Finals are always the goal of teams at the start of the year and the longer the dream is alive the easier it is to keep fronting up to training. Good luck everyone and keep pushing, anything is possible if you work hard and believe.

The journey to Maffra resulted in a very tough day for the Parrots! Across all grades of the football Maffra proved to be too strong. Playing their signature brand of football they seemed to be able to control the tempo of games for long periods of time.

We are certainly going through a tough patch at the club at the moment. With players missing long periods through injury and then throwing in some unavailable on holidays and with illness we have been stretched to the max in all grades. Fortunately we are so very lucky to have plenty of people willing to answer the call and make sure we field full teams every week. We certainly appreciate the efforts of you all and it is just one of the things that make The Aviary a great place to hang out. One benefit of these times is the exposure of more players at senior level. Carbs has been very pleased with what the players coming into the side have been producing. Ensuring that there will be plenty of pressure on spots at the pointy end of the season.

The netballers had a more successful day winning A, B and U17s and coming up short in the other grades. Our netball teams are reaping the benefit of similar trying circumstances last year when many players were exposed to netball at a higher level. They are now well settled into those sides and playing the type of netball that is sustainable under pressure. Kathy and the coaches are very pleased with how things are ticking along at the moment but are definitely setting their sights high at the end of the year.

We are halfway through the year already! A stretch of a month without a home game and a bye will lead into the run home to finals football. Please make sure you give your full support to the club. If there is a chance to make a contribution in any way, and especially by

volunteering some time, please jump in and help out. To all the volunteers who keep us ticking along, we thank you sincerely and look forward to seeing you around for the rest of the season.

MOE

A relatively successful day was held at our last outing against Morwell, with a number of teams celebrating wins. Thanks to all our sponsors and centurion members who attended our annual day, your support ensures we can continue to provide an opportunity for people to enjoy a place to come and play football and netball, socialise and enjoy themselves.

Seniors

Did enough to pull away in the final term in what wasn't a great spectacle but the four points were banked in Poochies 50th senior game. Morwell had some good passages, sling-shooting well and will trouble sides before the end of the season. Best players were James Blaser, Tom Fleming, Tyson Biffin, Jacob Wood, Dylan Farrell and Scott Van Dyk.

Reserves

A deal of uncertainty surrounded the twos match heading in as there were only around half a dozen regulars available. Thanks to the efforts of everyone that pulled on the jumper the Lions were able to get a much, much needed win in Robbie Matthews 50th. Best players were Josh Pearce, Peter Yates, Luke Mackay, Sam Cogle, Anthony Gould and Chris McIntosh.

Under 18s

Had enough for two basketball teams and put up a good fight in the circumstances. Were probably stiff in many ways but just couldn't get over the line, going down by a goal. Best on were Pat Bills, Lachlan Rock, Matt Heywood, Blake Dyson, Ben Van Dyk and Callan Hawkett.

Under 16s

Got the win and blasted their traditional Revs 4am playlist to celebrate. The Lions were rarely challenged in what was a frosty morning that had most spectators thinking how cold players must have been. Best players were Riley Moore, Bailey Brown, Tajh Eden, Riley Pearce, Dylan Thornby and Aydan Ponting.

Netball

A Grade

Went down in a tight tussle to the ladder leaders. The Lions played well for the most part and were unlucky on a number of occasions due to various reasons.

Best players were Bella Hodgson, Sammy Waters and Charlize Bird.

B Grade

A fantastic team effort by the Lions saw them defeat the highly fancied Morwell by a surprising margin. Coach Travers is happy so everyone is happy. Best players were Rachel Shaw, Demi Plunkett and Charee Carney.

C Grade

Continued their unbeaten run at home, getting the points in a great display of team netball after half time. Coming from 10 goals down at the main break the team showed a lot of character to eventually win by four and proclaim the home court killers hashtag. Best players were Elly Brown, Remi Edebohls, and Tayla Summersgill.

Under 17s

Had their best win for the year, defeating the undefeated team. Moe came to play and could hardly be faulted in their execution. Best were Laini Galea and Destiny Mackrell.

Under 15s

Got the four points in a good display. Indy Didios and Elise Molesworth were adjudged best on ground.

Under 13s

Started the day with a win, securing victory with a good performance. Hayley Davis and Indy DeDios were best on court.

MORWELL

In Round 10 last week we travelled to Moe and faced tough opposition. As expected the netball was full of close games but unfortunately only our crack 'A' grade side won. In footy it was Michael Hall's U'18 side who won a tight contest.

Netball

Moe proved tough opposition and won 5 of 6 games. The 'A' Grade girls survived a 2 goal nail-biter and hat's off to the girls who prevailed despite injuries on the day. Most other grades were tight contests but Moe finally prevailed. It was the first loss for our U'17 girls but expect them to bounce back quickly.

Round 10 Netball Best: - 'A' Grade – Claire Allison & Daisy Hill B Grade – Stephanie Wilson & Emily Donoghue, C Grade – Joanna Watson & Fiona Cuddy, U'17 – Bella Rosato, Maddy Macf & Jaida Delicato, U'15 – Emma Spagnolo, Alyssa Furlan & Em Neocleous, U'13 – Ruby Knowles, Leila Gaunt & Lucy Riddle.

Football

Once again an undermanned senior side well executed Denis Knight's game plan and it was anybody's game at 3 Qtr time. But similar to the Sale game, a more experienced opponent prevailed in the final term. Congratulations to Liam Charles on his first senior game. A depleted Two's team were no match for Moe but in a 16 aside, U'18 encounter, coach Michael Hall said 'we won an ugly encounter'. Brett Sherriff said the U16's had a game to forget and they will improve next week.

Best Players were - (Seniors) – Tank Rosato, Max Linton & Dan Musil, (Reserves) – Patty Quinn, Reece Lewis & Tom Russell (Thirds) – Damien Hough, Callum Hutchison & Zac Bezzina (Fourths) – Cam Blewett, Tristan Waack & Kyle Vitale

TRARALGON

Last week we hosted Drouin on our patch, with our netballers taking the points across all grades and our U/16 and Reserves footballers doing likewise. As everyone will be aware, the Senior game was called off 10 minutes into the final term with the Hawks up by 7 points, due to a very severe lower leg injury suffered by Chris Thuring. The entire TRFC family wishes Chris (and Evelyn) all the best for a speedy recovery; he has been sensational in his first season at the Club. We would also like to thank Drouin for the respectful way they handled the situation, especially their training staff for their assistance in treating Chris alongside our own wonderful group of trainers.

Our netballers had a great day with our "Mini Maroons" U/13's setting the tone with a 55-12 win to consolidate a top 3 spot. Our U/15's girls gained some breathing space inside the top 5 with a 62-5 victory and our ever improving U/17's winning 44-23. The senior teams did not let the junior sides upstage them, with C Grade (45-32), B Grade (53-42) and A Grade (85-36) all taking the points comfortably. Best players awards to Asha Nightingale, Charlie Hamilton, Emily Scholtes (U/13); Emma Farley, Chelsey Webster, Allyssa Tangi (U/15); Lauryn King-Church, Isabella Bettridge, Chelsea Lawn (U/17); Trax Hanratty, Molly Clavarino Amie Jackson, (C Grade); Lori Scholtes, Cassidy Smith, Heidi Gaudion (B Grade); and Ramayer Gourley, Stacey O'Brien, Taylin Gourley (A Grade).

With our "runner" enjoying a sleep in last week with a later game start, the U/16's played a very different game to our first meeting, with the young Hawks a much improved team. We had control for much of the day but were forced to work hard for the win on the back of some hard running and ball movement. But for some inaccurate kicking by the visitors, the margin would have been closer. Best were named as Nick Fox, Flynn Kennedy, Reagan McDonald, Hugh Dunbar, Hunter Watson and Kade Ruyters.

The Reserves had a big win but the final score was not a reflection of the game, with Drouin just not being able to impact on the scoreboard going forward, with our backline holding tight. With a mounting injury toll, a number of our U/18's on their week off, stepped in to help out and acquitted themselves well. A big thank you to them. Best players were ball magnet Stu Goddard, Wilson Gaudion, Justin Barnes, 3rd's player Tom Webster (5 goals), Josh Twite and Sam Le Lievre.

With the loss of 2 of our big game players for indefinite periods after last week's loss, two youngsters made their Senior debuts (making it 14 for the Season) for the Club. In a sometimes open, sometimes scrappy game, there wasn't much between both sides on the scoreboard. Down

by 7 at the main break, we clawed that back to 2 at ¾ time. As mentioned earlier, the game was "called", so no one will ever know what would have occurred if it had gone the full distance. Best players being Jackson McMahon, Will Broadbent, Hayden Hector, Michael Jacobsen, Riley Loprese and Ben Johnson.

Our Youth Girls took on Bairnsdale last Sunday at home and had plenty of the ball in the first half but some wayward kicking (2.9) gave them only a 14 point lead. Our midfield continued winning the stoppages and providing plenty of supply after the break and with the forward taking better advantage of this, ran out winners by 41 points. Best were Lily-Rose Williamson, Emmerson Taylor, Matilda Van Berkel, Chelsea Hooper, Molly Van Berkel and Zoe Roberts.

Sponsors and Life Members

Today we welcome a marvellous group of people to the Club, to enjoy a day at the footy and thank them for their contributions, some over many decades. Without their support, not only our Club but all Community Clubs would not survive. They may not be known to a lot of the players, parents and supporters, but what they do behind the scenes is invaluable. A huge thank you to each and every one of you, too many to individualise here.

This week the Parrots make the trek over the hill and we welcome them warmly, with an action packed day guaranteed. Good luck to all involved.

Go Maroons.

SALE

After a Bye in round 10, our teams are feeling well rested and eager to take on the second half of the season. In our week off we had our \$10K draw which was scooped up by the lucky Mr E and Potts, well done guys, we hope everyone had fun celebrating the wins and losses this year.

We welcome Warragul to the nest this week and have JACK RYAN'S cooking up a storm in the Clubs kitchen after the senior's game has finished, along with our bar open as usual for all to come up and enjoy. After a big game last round that seen our very own Chris Laverty break into the 300 Senior game club, the boys have now refocused and refreshed from their time off. Jarrod 'Fines' Freeman has been sharpening up on his deadeye goal kicking and getting it on a platter at training from the likes of Tom 'Hammer Time' Hams and Will 'Wes' Leslie, who have been leading from the front and showing the young brigade how to feed the big dogs up forward. Goodluck to all the teams this weekend on the field and court.

We head off to Bairnsdale next week and with our A Grade girls having an up and down season so far, they are hoping to bounce back on the winners list, the girls have been tiresome on the court during the week pushing each other at training too better the team. With a win against Bairnsdale at home in round 1, the girls

will be looking to come out firing and get that winning feeling going. Goodluck to all the Girls and to all footballers that are making the trip to Bairnsdale.

Looking forward on the calendar we have our Magpie Club 50 \$1000 draw coming up. The Footprints Foundation Luncheon is in round 12 against Maffra at the Sale Oval upstairs function room. To show your support and secure your tickets head over to their Facebook page and click on the link, why not grab yourself a beanie while you're there too. The day includes a Two Course Luncheon catered by Tangled in Food, with a glass of sparkling wine.

Good Luck to all our teams! GO PIES!!

WARRAGUL

Senior Football

The chilly conditions kept a few people away from the game last week but the diehards were treated to a cracking contest in the main game. The Gulls were a bit wasteful early but 5 goals straight in the second quarter got us back on track to give us a 9 point buffer at the main change. A third quarter lapse saw the Wonthaggi side get a 10 point lead and a few of us were looking towards the comfort of the warm social club. Hughsey let the lads know that the Mid Season ball to be held that evening wasn't the main agenda item that day and that we had a game of footy to win. It was some time before we could bridge the gap but Matt Rennie grabbed a skyscraper mark in their forward fifty which seemed to lift our blokes. With barely minutes to go and scores level Bones Kelly took a ripper on the angle and slotted a match winner. Gulls by a goal, siren time and a big sigh of relief in that order. Matt Rennie was super all day and clearly our best thanks to the Railway Hotel. Brad Hefford received the Downtowner award after his top game. Sam Whibley was tireless in the ruck and around the ground and is off to Frankies with another great effort by Mitch Nobelius who is starring in the back half thanks to Wild Dog Pizza.

Reserves. The Gulls find themselves in danger of losing touch with the top five after the best start to a season we've had for some time. The Power led at every change and ladder positions meant nothing to them as they controlled the game against an inaccurate but talented Warragul. Jared Lane was our best with the evergreen Brad Nott in the thick of everything. Lucas Monacella has a real crack every week and will enjoy his Waterwise Carwash award. Simon Fairbairn is off to Maloneys Pizza for his good game.

Under 18s. Our thirds continued on their winning way in a good four quarter performance. It was a real team effort highlighted by 5 goals from Lachlan Wilson who enjoyed the good delivery from his hard working mids. Lachlan gets the Somers Carpentry award with Thomas Baum close behind thanks to Maccas. Ty Miller was excellent and Liam Jones will look smart after his Sharkeys Uppercuts visit. Coaches award to Nathan Peterson.

Under 16s. The fourths remain undefeated after 10 rounds and faced Wonthaggi in freezing conditions. After a slow start we gained the momentum required and by half time had a solid 34 point break. Our lads kept up the pressure and went on to record a 59 point win and get the club off to a good start to the day. Matthew Pecoraro was our best with Jai Serong in the awards again. William Luttrell chipped in with 3 goals and Tom Stern rarely plays a bad game. Vinnie Caia gets the coaches ward.

Netball. What a round of netball last week. We had some great personal performances and some really close games. Wonderful to see our 13s and 15s grab the points. A grade won by 25 goals with Myah Healey shooting 49 goals. B grade got up by a solitary goal with Alanis Joyner and Anna Green were our best. C grade had a good 5 goal win. Grace Radford was best on. Under 17s missed out by 14 but Elodie Williamson and Bridie Mulqueen worked very hard. The Under 15s enjoyed a thrilling 1 goal win. Well done to Olivia Muir and Bella Hefford. The Under 13s had a 2 goal win in the trying conditions with Pippa Cook, Maci James, Lucy Williamson and Charlotte Bundle playing very well.

This week. It's off to Sale for round 11 and we look forward to more success on court and the footy ground. Travel safely and GO GULLS.

WONTHAGGI

This Just a reminder for our upcoming social event - tickets are now on sale to our Annual Ball at Silverwater Resort on Saturday 20th July - Get your tickets now so you don't miss out!!

Football:

Under 16's – Coming up against the top side our Under 16 boys come out firing and played our best first quarter of the season and giving them the lead at quarter time. With renewed belief and energy we continued to compete well and take the game on to remain in touch with our opponents at half time. The second half saw our young side remain competitive however the bigger Warragul boys were able to hit the scoreboard more often. We will gain a lot of confidence and belief from this game as we take on our next challenge.

Under 18's – The boys worked hard all game, they had some very good passages of play but missed a few opportunities. Many thanks to the Under 16 boys again who played to enable us to get a game. Best: Noah Anderson, Max Pier, Will Speed.

Seniors – Warragul was the start of our new campaign into the final stage of the year and a tough encounter was expected and it was exactly that. A highly contested game came right down to the wire with Warragul taking their opportunity when it counted and stealing victory. Bittersweet for us as we played courageous Wonthaggi football and it was just a moment that got us. No 4 points but huge confidence within the group moving forward should see us challenge every team we come up against. Toma was a standout in the ruck and tackling. New forwards, Ben Eddy and Tom Murray producing 4 goals between them also is exciting moving forward. Go Power!

Netball:

Under 13's – With 4 players away, super thankful to 11's player Eva Brown for stepping up, and Jobe Scapin for his first game. Both acquitted themselves so well. With the new line up we crowded the centre third, will continue to work on space and court awareness. Bottom age players in all key positions, and all having a great crack. Well done all. Awards: Sarah Seuren and Jobe Scapin.

Under 15's – A disappointing one goal loss, couple more calls our way and the game was ours. Well done goalers on your composure. Good to see improved passes, drives and trust in each other. Keep up the great work at training. Awards: Alicia Smith and Imogen Lindsay.

Under 17's – We came up against Warragul that was sitting on the bottom of the ladder but to their defence they gave their all and we really struggled to get

momentum. We will need to switch on for 4 quarters to be competitive against Morwell next week. Awards: Annabelle Williams and Ellie Bates.

C Grade – Having to play the top side, C Grade gave it their all and had nothing to lose. We were up all match but unfortunately our goals weren't dropping in the last quarter which Warragul took advantage of. The defensive pressure was strong, passages down the court were quick and accurate. The girls walked off the court with their heads held high, knowing how much they have improved as a team and individually. Great starts to the second half of the season, just unlucky we couldn't get the 4 points. Awards: Alesha Kelly and Zoe Lowe.

B Grade – We came to play today and that's just what we did. What a turnaround from Round 1. To go down by 1 goal is usually so disappointing but we come away from our game feeling like we have won. So pleasing to see us improve as a team and individually, the 4 points is coming girls. The game was fast paced and pressure was high all across the court. We had great rebounds, turnovers, passages of play and beautiful shooting from the girls. We just need to compose ourselves and slow our game down. Great start to our second half of the season. Keep believing in each other. Awards: Chloe McBain (A Garden of Thoughts) and Lily Sharples (The Wonthaggi Club).

A Grade – The girls came into the game with a goal in mind, and it was to improve on the last time we met. First quarter there was only 2 goals in it, the girls were definitely switched on. Second half Warragul got a run on and were converting on their turnovers. Sophie really stepped it up in GA for the 4 quarters which was pleasing to see. Awards: Sophie and Ellie.

Good Luck to all of our teams against Warragul this week – GO POWER!
