## Dennis Callahan Award (Best Under 21)

This award was initiated and established in 1995 in memory of Dennis Callahan who started playing for Upper Gully in the Under 16's at 12 years of age becoming captain in 1963. 1964 saw the start of his senior career that continued until 1980 after nearly 300 games including the 1974 premiership.

During this time he was awarded the 1965 Reserves Best and Fairest, the Best Under 21 player in 1967, and he was Runner Up in the Senior Best and Fairest in 1970. In 1971 Dennis was the senior captain. He also coached the Reserves to the 1979 premiership.

Dennis was President in 1981 and went on to fulfil many other roles at the club including Under 18 Coach, Trainer, Team Manager, Tribunal Advocate, Selection Committee, General Committee and is a Life Member of the club.

Unfortunately, Dennis' life was cut tragically short in 1995 as a result of cancer. The club introduced this award to honor and recognize Dennis' contribution, commitment, passion and loyalty to the club and his dedication to developing junior players.

The award is intended to acknowledge the future talent of the Upper Ferntree Gully Football Club and Dennis' passion for the development of up and coming players. It was deemed by the then committee to be incorporated with the previous "Best Clubman" award, to recognize Dennis' contribution to the club made over many years.

Therefore, the criteria are that:

1. Only players under the age of 21 at the beginning of the year shall be eligible for nomination
2. The player has shown outstanding football ability/potential AND
3. Has conducted himself in manner befitting a member of the Upper Ferntree Gully Football Club. That is, demonstrating a commitment to BOTH his on field and off field attitude towards the club and his personal development as a player and a club person

## Dave Baker Award (Most Courageous)

The Dave Baker Most Courageous award was instigated in 1977 in memory of Dave Baker who played for Upper Gully in the early 1970's. Dave played in the Under 17's between 1970 and 1972 before progressing to the seniors in 1973.

Dave was awarded the Best Utility player in the 3rd eighteen in 1972, the Most Improved senior player in 1974 and Most Determined senior player in 1975. He was also a member of the 1974 premiership team.

Dave epitomized the Upper Gully spirit, showing enormous courage every time he played for the red and blue.

Dave's footy career came to an end when his life was cut tragically short as a result of a fatal car accident in 1976 at the age of 21.

The club introduced this award to honor and recognize Dave's contribution to the club and in memory of the courage he displayed.

It is awarded to a Senior or Reserve Player who, as judged by the coaching panel, has displayed courageous determination in his endeavors for the season either through his on field play or his off field attitude in overcoming injury or other adversity to resume or continue his playing career.

## **Best and Fairest**

Three vote cards are distributed to the coaching staff at the end of each home and away game for each of the teams that represent the senior club. The persons voting on all three cards do so independently of each other in selecting their five best players.

The names of the five best players are written down from 5 for the best player to 1 for the fifth best player on all three cards

The votes are then tallied and the player with the highest number of votes receives the Best and Fairest Award.

## **Most Valuable Player Award**

This award was introduced in 2000 by the senior coach, Andy Greenall, to recognize the best senior player as voted by his peers.

At the conclusion of each match the senior playing group select one player they deem the best player on the day.

The votes are tallied at the end of the season and the player with the highest number of votes is presented with the player's award.

In 2005 the club introduced the Most Valuable Player awards to the Reserves and Under 18's teams as well. This has been extended to all sides that represent the senior club

## **Coaches Award**

The coaching panel of each football side chooses a player that typifies what the coaching panel is trying to instill into the team from the start of pre season until the last game of the year.

## **Best Finals Player**

This award follows the same structure as the Best and Fairest Award except is restricted to the finals games played by each team.

Three vote cards are distributed to the coaching staff at the end of each finals game for each of the teams that played finals.

The names of the five best players are written down from 5 for the best player to 1 for the fifth best player on all three cards

The votes are then tallied and the player with the highest number of votes receives the Best Finals Player Award.

## **Netball Best Club Person**
