A note from the League Executive...

Hello all and welcome to the 2019 MPJFL finals series.

The 2019 Home & Away season has come to an end & I would firstly like to thank all clubs and all their coaching staff & great helpers for a fantastic season.

It's been a long preparation for a lot of teams, some starting their preseason in early February this year. 15 fantastic rounds have been completed and its now Finals time. Congratulations to all teams for making the finals and good luck to all.

We find ourselves back at Tyabb and Pearcedale Baxter Junior Football Clubs for the second year running and I am sure we will have another exciting finals series.

Congratulations to South Mornington JFC for holding a fantastic day at the U10's carnival last weekend. Sounded like you all had a great day.

Huge thanks to all our major sponsors including BlueScope, Sherwood Sportswear and Ross Faulkner 1268 for all your continued support.

A friendly reminder to all players coaching staff, officials and Supporters please be on your best behaviour at all times and make this a fantastic event for all!

A Note from a Senior Umpire

Think of the third team on the ground this weekend.

While a number of teams are now competing in a finals campaign, there will be another team playing an important role in proceedings this weekend in the Finals.

Umpires officiating this weekend, servicing the finals games are the third team on the park and are the forgotten team, with training and coaching sessions during the week before, going out on the weekend to do their very best to service the game.

Just like players they will make mistakes, no one is perfect, but they don't go out there trying to ruin the game.

Umpires do their best and just like players, hope to perform to the best of their ability in order to make the game a spectacle for all that are involved. Umpires don't go out to favour a team, to make up the rules or see players get injured.

This year we have had some very poor behaviour displayed towards umpires.

In junior football we have had umpires abused and leaving the ground in tears, we have had umpires threatened, all over perceived opinions on whether an umpire has made the right or wrong decision.

To make the game flow umpires have to make decisions quickly.

When an umpire blows their whistle they are already considered to be 50% wrong by the team they are penalising.

Umpires understand that in their role, they will face scrutiny, will be under pressure and won't always satisfy everyone. However, no one deserves verbal abuse, threats or physical altercations over decisions they make.

In a tight game, invariably the umpire will be blamed for a decision they make.....but what about the players?

Missed tackles, missed targets, a failed spoiling attempt, undisciplined acts that give away crucial 50-metre penalties all play a role in the final result. Like the players, the umpire is doing their best. And just like the players, they should be encouraged.

As you enjoy the junior football this weekend during the finals series, think about your actions and how you would react if YOU, were treated this way?

Would YOU want to experience abuse, threats or confrontation on and off the footy field?

Parents, players, officials, supporters, take a moment and think about it.

This is a just a game after all.

PARENTS AND SPECTATORS OF JUNIOR FOOTBALL - CODE OF CONDUCT

1. Encourage children to participate if they are interested. However, if a child is not willing do not force them.
2. Focus upon the child's efforts and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to their ability by reducing the emphasis on winning.
3. Teach your child that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.
4. Encourage your child always to play by the rules.
5. Never ridicule or yell at your child for making a mistake or losing a competition.
6. Remember your child should be involved in football for their enjoyment not yours.
7. Remember your child learns best from example. Applaud good play by both your team and by members of the opposing team.
8. If you disagree with an official or umpire raise the issue through the appropriate channels rather than questioning the official's judgement and honesty in public.
9. Remember most officials give their time and effort for your child's involvement.
10. Support all efforts to remove verbal and physical abuse from junior sporting activities.
11. Recognise the value and importance of volunteer coaches. They give their time to provide recreational activities for your child and deserve your support.
12. Support your club officials in maintaining the highest standard of behaviour both on and off the field for the betterment of the league and your family. Offer assistance to the team that your child is playing in so that every opportunity is being provided for the very best supervision and support. Your involvement will give both yourself and your child far more satisfaction.
13. Avoid use of derogatory language based on gender or race.
14. Adhere to the MPJFL Smoke Free Policy at all times

JUNIOR PLAYERS - CODE OF CONDUCT

1. Abide by the rules of the game and rules set down by your coach, club and league.
2. Never argue with an official or umpire.
3. Control your temper. Verbal or physical abuse of officials, umpires, spectators or other players, deliberately distracting or provoking an opponent is not acceptable or permitted.
4. Work equally hard for yourself and your team. Your team's performance will benefit, so will you?
5. Be a good sport. Applaud all good plays whether they be by your team, opponent or the other team. Be proud to walk off the ground after each game knowing that you have given your best effort and never involve yourself in an argument with opposing players, umpires or officials.
6. Treat all players, as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player. Your involvement to play is for fun and enjoyment and that winning is only part of it.
7. Co-operate with your coach and teammates, and respect the ability of your opponent. Without them there would be no game.
8. Play for the 'fun of it' and not just to please parents and coaches.
9. Avoid use of derogatory language based on gender or race
10. Adhere to the MPJFL Smoke Free Policy at all times
