PRESIDENT'S REPORT

In a lot of ways it was a year of mixed results, an amazing performance by the U19's and the netball girls got their noses in to the finish, just couldn't get over the line.

The mens footy I felt, we were below average, had coaching and attitude issues. Realistically looking back, the hiding we took in round one, was humiliating and sucked alot of life out of the players.

Financially a reasonable effort, but we must find extra revenue, socially the ball was a blast and we can do better with our other functions. It was a year of transition from old facility to the new facility which has its challenges and a lot of learnings were taken out of the year.

Really proud of our club as a whole with the way we embrace our African, Islander and Indigenous boys. They are fantastic kids. Our general approach to racism is refreshing and makes these boys feel part of our family. Well done across the board.

Looking forward we have the potential to raise the bar across the board with our on field performance, lets challenge ourselves to win

two or three cups as a club – that's what makes it tick. Well done to all our coaches and to all volunteers. Special mention goes to Tui and Gordon for running a tight ship in the canteen and bar every home game, aswell as on training nights cooking and serving dinner to the footballers and netballers.

It was great to see some of our club members take various training courses that were offered by the City of Port Phillip – First Aid Level 1 (Basic, including CPR) and Responsible Serving of Alcohol. Those that attended found them useful as well as fun.

Huge thanks to our sponsors JL Meats, Village Belle Hotel, Veludo, Acland Street traders and Bendigo Bank Elwood.

Special thanks to Nicole Scharenguivel for putting this report together – you're a star.

Once again congratulations to Ryan and the gang on the only flag for 2019. Huge effort in an indifferent year for the club off-field.

RODNEY GAMLIN

VALE – IN MEMORY OF

It is with great regret that we inform all members of the passing of the following players, members and supporters of the St Kilda City Football Netball Club. The Club extends its deepest sympathy to the family and friends of all who have passed away during 2019.

Mick Cazaly – Past player. circa 1980/1990s.

Greg Taylor – Past player, circa early 1980s.

Bethany Parker – daughter of Darcy Parker, granddaughter of former long-time St Kilda City committee members Will Parker (ex- President) and Bella Parker.

SENIORS REPORT

COACH – MATTHEW HOY

CAPTAIN – NICK PERRY

VICE CAPTAIN – CAMERON HANSEN

Taking over from a 3rd through the season was always going to be tough, we tried a few different things, brought in some new personnel, but just couldn't bridge the gap on top 5, we went 6 wins 6 losses from round 7 and didn't get the luck we needed, 2019 is done.

Now we look forward to 2020 with enthusiasm and a mantra that we must up the ante and win more games, finals is our ultimate goal, the recommitment of a lot of our players has made our preparation easier. The bottom line is the attitude needs a bit of fine tuning and I hope to bring that to pre season 2020.

I'd like to thank Rocket for giving me the opportunity. He is a legend of this club and works his butt off 24/7 – it gives a coach confidence to know the President has your back.

I look forward to coaching the club for the full season and will no stone unturned to improve. Get on board!

RESERVES REPORT

COACH — MARLEY JOBLING

CAPTAIN — JACK NANOVICH

It was year of mixed fortunes, some great wins early doors, then some horror losses mid year and beyond, the line up was decimated at times through injury, work commitments etc.

Would like to thank all the players and helpers who chipped in with the resses.

COACH – RYAN HOY

CAPTAIN – O'PILI PAORA

VICE CAPTAIN – MATTHEW MCNAUGHTON

Well what can I say, the journey was long, had some twists and turns but we found the gold. My players were pretty consistent all year, alot of guys played seniors which changes your team weekly but the experience they gain is critical to the team come finals. Grand final day is a day I'll never forget, it still hasn't sunk in, the crowd and the support, all the families, even the netball girls and the absolute professional performance by the lads. From warm up till the final siren they turned it on with pressure footy.

I'd like to thank Rocket, you're a massive support, for this efforts I know he actually smiled on Grand Final day and old mate, wouldnt be possible without the supporters group behind us.

Bring on 2020!

COACH – RICKY PAPARA

CAPTAIN – KATE PATTERSON

VICE CAPTAIN – KATARINA LINDKVIST

Determination, grit and adaptability are the keywords that sum up how the season played out. We had a number of changes to the team due to early injury, pregnancy and the departure of a player to head overseas. We welcomed new recruits, promoted players up from our lower divisions and for good or bad, experienced (tolerated) the booming voice of a new coach.

Although the team just missed out on the finals campaign, given the disruption to the team, we ended the season with a number of highlights.

When we played with confidence and stuck to structures, we were able to compete with the best teams in the division, evident with some key wins over table leading teams. Unfortunately, inconsistency (in play and playing roster) meant we were not able to sustain this form, week to week. In light of this, we saw significant player growth and connections form that if retained will set the team up for success in 2020.

COACH — KATE FOSTER

CAPTAIN — MALLORY WATTERS

The girls in Div 3 had another fantastic year, we had a playing list of 12 with injuries and holidays. We ended up 3rd on the ladder after sitting second most of the season. We battled out our second final against South Yarra to win by 1. Unfortunately losing the grand final for a second year. Obviously everyone is keen to push through and win a Div 3 flag !

DIVISION 4

COACH – KRISTAL KITTO

CAPTAIN – YVETTE LIPPOLD

VICE CAPTAIN – LAURA CLEAVE & CHARLOTTE FLOUCH

Season 2019 for Division 4 was an up and down season with players on leave and injuries which resulted in a squad of 15. Unfortunately we lost Charlotte from the GS position early in the season to an ACL rupture, but the team rallied around her with her recovery and we do hope to see her back next season.

We had Mikaela in the top five of the goal scoring list for the division which was great to see in a competitive division. We fell just short of a finals berth which was disappointing to all of the team but they never gave up playing to win or playing as a team. Our defensive end was invaluable with Vetti and Laura taking their leadership roles to

the next level and driving the team from the back. The team sat steady at fifth place on the ladder for the majority of the season however a couple of tough top of the ladder games in the last few weeks unfortunately didn't quite go our way with small losses that ended our season and pushed us down to finish in 7th.

As a coach I had the best season with the team, watching them develop so much as a team and continue to push themselves as individual players too. This team spirit was evident in our best and fairest votes where we had the top six players sit in equal 1-3 positions.

I can't wait to see how these girls push the boundaries again and look to take the flag in 2020!

DIVISION 5

COACH – TE UA HOUKAMAU

CAPTAIN – MADDISON ANDREWS

VICE CAPTAIN – ASHLEIGH HOMER

2019 was challenging for Division 5 this year.

The girls had a very encouraging pre-season and lead up to the season, but in their first 2 games, received some heavy defeats from teams that would fight it out in the finals at the end of the season.

Round 3 saw the teams change coaches due to personal reasons and so the girls needed to then adjust to a new coach and style. This actually worked really well, turning around a losing average of 30+ goals in their first 2 games, to drawing with a very physical Lyndale side 41 all.

With numerous injuries and players being away, the next 2 weeks of training were challenging, but by round 5 we started to gel well as a team and came up with our first win of the season, beating Bentleigh 33-23.

Round 8 we turned the tides on Lyndale, winning 61-33 and turning around our 41 drawn from round 3.

We saved our best results for rounds 13 and 14 and showed what we were actually capable of doing as a team, turning around a round hiding against a very strong South Yarra unit to coming away with a very satisfying win 23-18. This was our best game of the season and everyone worked for that result, a credit to each and every one of our girls.

Ending 8th out of 12 teams was no mean feat, in a Division that was one of the competitive and strongest that the league has seen ever.

As a team we learnt a lot and if the end of the season is anything to go by, if the team stay together, they will be a competitive force in 2020.

DIVISION 6

COACH – TE UA HOUKAMAU

CAPTAIN – SALLY SAUNDERS

VICE CAPTAIN – RACHEL STEELE

Division 6 had a very successful year after a slow start.

We had a challenging time at the start of the season, getting to know each other and trying to build a team environment in the team. Also having 2 team members breaking fingers early in the Training session meant that it was even more challenging.

Round 1 – we had a bye, which was good to get an extra week of training in before we started our journey to the flag. This also was a positive thing for us, as we would find out later in the season.

Round 2 – this was our first game as a team and we played really well. After a very strong start, the teams fitness showed and we faded in the 3rd quarter eventually losing to Springvale 29-20.

Round 3 – We took a huge knocking by a team that you could tell have played together so a long time. Eventually this team moved into Div 5 and actually made it to the finals. 55-20 to Aspendale Arrows.

Round 4 again our fitness let us down in the last quarter, after being up by 1 goal in the final quarter, we eventually lost 25-30 to East Brighton. Round 5 was very similar.

As a team we had been struggling with injuries and team members being away and so needed to recruit some new faces in to the team. This was the turning point in our team, heading into Round 6.

Some of the belief we had in each other started to come to the surface and with the new blood, our team started to gel better, taking our first win against a strong Highett team, 38-37. This started our drive to make it into Finals.

Playing at home vs Doveton was going to be a challenge and after a very physical and sometimes challenging game, we took the honours from the current Table Topping Doveton team with an emphatic 42-34 win. This was to be our game that we looked back on and identified as a defining point in our season

Round 8 and 9 we took good wins over Lyndhurst and Murrumbeena (Grand Finalists) and with everyone starting to come back to injuries or holidays, it was now becoming hard to pick a starting team and getting court time.

Rounds 10 and 11 were games that we struggled with. We didn't adjust to the weather and our shooters struggled to get the ball through the hoop. Saying this though, we still had a very positive mood in the team and we came back to win our last 3 games, having a bye in round 12.

After our win in Round 15, we thought we were out of contention of Finals, due to not winning enough games, but when Byes came into play, we scraped into 4th place on the ladder by 0.01%. Semi Finals – here we come!

Continued next page

Having lost to Parkdale twice during regular season, the pressure was on them to take on a Div 6 team that now had self-belief. With a huge turn out from the Team and also our supporters, we outplayed Parkdale and ran out 42-17 Winners, taking us to the Preliminary Finals.

With a major upset in the other Semi-Final, we now had to play the previously unbeaten Heatherton side who had beaten us by over 15 goals, both times we had faced them in the round robin games. This game was very

physical and as a team, we threw everything at Heatherton going down by only 5 goals. Heatherton would go on to win the Division in the Grand Final.

As a coach, I was very proud of the way the team came together and even though we had some struggles during the season, as a group we came together when we needed too.

A great season and look forward to 2020.

DIVISION 7

COACHES – ANNE HALLAM, CASIE BEDDOME & ANTHEA NISBET-SMITH

CAPTAIN – CASEY GADZINSKI

VICE CAPTAIN – ALETHEA LINGHAM & KIMBERLEY MOURITZ

Season 2019 for Division 7 was a mixture of highs and lows on the court, with a couple of unfortunate injuries hampering our progression mid-season the addition of some strategic and speedy mid-court players to the team was a boost that was needed.

With our GS/GA superstar making her way to the top of the goal scoring list for the division and our always reliable defence winning ball back, the team continued to progress up the ladder, however a couple of tough games towards the end of the season saw the team just missing out

a top 4 spot and finishing 5th. An exceptional team effort to come so close!

Our leadership team did a fantastic job of supporting the coaches and players, and encouraging and bringing the team together on an off the court. As did our injured players who came to practice and games every week rain, hail or shine. We can't thank the girls in division 7 enough for adapting to each of the 3 coaches throughout the season and we look forward to what 2020 brings.
