# AFL HUNTER CENTRAL COAST AWARDS 2019

Three NCCUA Members were recognised at the 2019 AFL Hunter Central Coast Elliott-Davey Medal Night.

Firstly, the NCCUA nominated one candidate for the AFLHCC Volunteer of Year. This year our nominee was NCCUA President Jake Lowe. From all of us in the NCCUA, congratulations on the nomination Jake and thank you for your continued service.

Jake was also presented with a thank you gift by the AFLHCC on behalf of the NCCUA.

The next member to be recognised was NCCUA Life Member and AFLHCC Umpires Head Coach Christine Burrows, who was thanked by the AFLHCC for all of the tremendous work done in coaching our Umpires in the 2019 Season. Thank you again Chris.

The highlight of the night for the NCCUA was the naming of the AFL Hunter Central Coast Umpire of the Year, and for the second time it went to Stephen Blume. Stephen, congratulations on this and another great season.

## The Neville Turner Memorial Trophy

In 2016 the NCCUA lost a much loved and respected member, Neville Turner. Neville was a Life Member of both the NCCUA and Black Diamond AFL, from 2000 until his passing Nev was the NCCUA Treasurer.

To honour Nev in 2017 the NCCUA Committee established the Neville Turner Memorial Trophy.

This trophy is to be presented to an NCCUA Member who embodies the attitude, spirit and enthusiasm for umpiring at any level, that was exemplified by NCCUA Life Member Neville Turner.

This award may be presented to an umpire for any of the following, but not limited to:

- Services to umpiring above and beyond on-field representation
- General encouragement and support of umpires, either on or off field
- Mentoring newer umpires
- Being an active member of the Association (Not restricted solely to Committee Members)
- Establishing, forging and maintaining sustainable and positive relationships with BDAFL Affiliates through outstanding presentation.
- Demonstrating exemplary attitudes towards umpiring
- Upholding the high standards that the NCCUA wish to aspire to

In 2017 the inaugural recipient was Stephen Blume. This award was then presented in 2018 to Simon McCauley.

We were pleased that both Margaret and Grant Turner could join us at our Presentation Night, with Grant presenting this year's Neville Turner Memorial Trophy.

The NCCUA Committee could not have chosen a more worthy recipient for this award in 2019 than Darrel Luck. Plucka, thank you for all you have done and continue to do for this Association, Umpiring and Football in our region. You are a legend.

# NCCUA PANELS OF THE DECADE (2010 – 2019)

The NCCUA Committee established a Panel of the Decade Panel, consisting of Jake Lowe (NCCUA President), Christine Burrows (AFLHCC Umpires Head Coach) and John Sullivan (Long-time Appointments Panel Member).

In determining these Panels, the following points were considered as the criteria: All Umpires from this decade, Number of Grand Finals in this decade, Number of Matches in this decade, as well as overall ability and attitude to umpiring.

## ***PRESIDENT'S REPORT***

I am pleased to present the President's Report for 2019.

I will just point out that this is my personal report and may not necessarily reflect the official views of the NCCUA Committee or Association as a whole.

Firstly, I need to express my sincere gratitude to the NCCUA Members for the honour of being re-elected for my fifth season as President of this great Association. I am incredibly proud of what we have all achieved not only this year, but over the years.

2019 was a special year for the NCCUA, we saw the Junior and Senior Leagues combine under the new AFL Hunter Central Coast Banner, with one Board and three Full-Time staff dedicated to this new League. The NCCUA saw benefits from that, for the first time we represented Junior Umpires, restructured our memberships, and saw a new Umpire Coaching Structure that tied juniors and seniors together.

While I am proud of all of this and more, I am also somewhat saddened that this will be my final report as President of the Newcastle Central Coast Umpires Association Inc.

At our Presentation Night I addressed the room and made mention of some special achievements, as listed above, and thanked a handful of people that have been significant in my journey as President of the NCCUA. In this report I will thank them again, but I will also acknowledge all the people and organisations that have played a part in making the NCCUA run at its best in 2019.

### **THE COMMITTEE**

This Association could not continue to function without a strong committee, and it is my opinion that as this association continues to grow we have found some amazing people willing to serve on our committee.

To our hard-working Vice President, Rachel Robinson, thank you for your hard work and dedication to this Association this year. You have contributed so much over the last 12 months, whether it was organising the Bunnings BBQs, attending delegates meetings, looking after our apparel, and so much more. While you were recognised with the Ray Dinneen Award (Club Person of the Year), it may not necessarily recognise all of your hard work, thank you.

The second person that needs recognition is our Secretary Harrison Crook. Harrison, thank you for continuing in this role, I know it was challenging trying to do this job and balance all of your other commitments.

A special thanks to NCCUA Life Member Ashley Borg, who continued to fill the challenging role of Treasurer. On top of his role as Treasurer he also continued as our statistician and website editor. Borgy, thank you for your tireless work for the NCCUA.

Now on to our elected committee members.

First of our elected committee members I need to thank is Andy Baldwin. Andy is always there to pick up any job that needs doing, and that could be seen at the Trivia Night and

Presentation Night where Andy was running the 100 Clubs as well as other tireless efforts throughout the year. Andy, thank you for everything you do, it does not go unnoticed.

The next person I need to thank is Stephen Blume, thank you for all of your work over the past three years on the committee. Also, thank you for your service to this Association over several years, while you may not be running with us next year, I'm sure we'll still see you around. All the very best for your next umpiring chapter.

Now, there were two committee members re-elected for their second terms in 2019, Shana Doughney and Jody Jackson. Thank you for sticking your hand up to serve, you have continued to act in the best interest of our members.

Jody, it has been great to see you develop in our group and it was great to see you finally Goal Umpire your Black Diamond Cup Grand Final this year. While you announced on Grand Final day that you are hanging up your boots, I just want to say thank you, thank you for choosing to umpire with us, thank you for your dedication and enthusiasm, but most importantly thank you for your friendship.

In 2019 we saw one new face join our committee, Tom Steward. Tom, thank you for your involvement this year, you brought new ideas, I hope you have enjoyed the experience on the committee and continue to serve the Association into the future.

This leaves one last Committee Member, the AFL Hunter Central Coast Umpires Head Coach Christine Burrows. Chris has just completed her 7<sup>th</sup> season as the Umpire's Coach, or now Head Coach and has done another remarkable job in what was the most challenging year in her tenure. Chris continued to put in an incredible amount of time, effort and dedication to her role, and we continue to see the results of this. Chris, we are extremely lucky to have you as Coach and we hope that we are lucky enough to continue to work with you in the future. Thank you for everything.

## **THE UMPIRE COACHES**

I mentioned the new Umpire Coaching Structure implemented by the AFL Hunter Central Coast, at the top of this Structure is Head Coach Christine Burrows, we will now acknowledge and thank the members of this new structure for their contributions in 2019.

On behalf of the NCCUA I would also like to acknowledge the hard work put of Emily Brown (Northern NSW Umpire Development Co-ordinator and AFLHCC Umpires Manager). Emily, thank you for your dedication to our umpiring group and support over the last 12 months.

Onto the Junior roles within this structure:

- Junior Appointments Coordinator this year was Rachel Robinson, who on top of being the NCCUA Vice President & Apparel Steward, took on a major role in ensuring Junior Umpires are fairly appointed to suitable matches every week. I know how difficult umpire appointments can be and you have done a fantastic job.
- Junior Coach Hunter – Chris Burrows, building on her experience coaching our senior group and returning to coaching Junior Umpires. Chris you did an outstanding job coaching the junior umpires this year.
- Junior Coach Central Coast – Darrel Luck. Darrel, we thank you for your time and dedication in coaching our junior umpires on the Central Coast and imparting your experience.
- Darrel's Assistant Coaches – Matt Jeffrey & Lauren Mott. To both Matt and Lauren, thank you for your support with the junior umpires this year.

These five individuals took on a massive task this season and deserve a massive thanks from all of us involved in umpiring our great game.

In a more senior space we saw the establishment of three new positions:

- Boundary Umpire Head Coach: Simon McCauley
- Boundary Umpire Assistant Coach: Riley Luck
- Goal Umpire Coach: Jake Lowe

Both Simon and Riley did a great job in training and mentoring our Boundary Umpires. I will make special mention though of Simon, Simon your energy and enthusiasm was inspiring to see and can be clearly seen when we look at the fact we saw 18 Boundary Umpires make their Black Diamond Cup Debut this season.

On a personal note it was very rewarding for me to once again coach our Goal Umpires and see so many new Goal Umpires join our ranks and to see the level of improvement and enjoyment you brought with you. And I thank you all for your dedication this season.

## **THE AFL HUNTER CENTRAL COAST**

With the introduction of the AFL Hunter Central Coast and our overall restructure to represent both Junior and Senior Umpires, we had to build on our relationships with the senior clubs, as well as some football identities, as well as forge new relationships with the Junior Clubs and new AFLHCC Staff.

I must thank the AFLHCC Board, Chaired by David Flynn, for their support of the NCCUA, Umpires and footy in our region. To the League Staff, Sam Zikman (Community Football Manager), Mick Gray (Football Operations Manager) and Lauren Francis (Football Operations Coordinator), thank you for your hard work and dedication throughout the 2019 Season. Thank you also for your incredible support of the NCCUA and umpires.

Also, my thanks to all of the Clubs for their continued support of our umpires. I must also thank all clubs that went out of their way to help recognise any significant milestone achieved by our umpires this year, it is always truly appreciated.

## **THE AFL NSW/ACT TEAM**

Now onto AFL NSW/ACT, we must thank our regional managers Simon Smyth and Craig Gollidge for their continued support of not only our Association but umpires in the Hunter Central Coast region. Also, the AFL NSW/ACT Umpiring Department, led by Pierce Field along with the Umpire Development Coordinator Northern NSW Emily Brown, have continued to provide support to Christine as well as the NCCUA & AFL Hunter Central Coast Umpires, so thank you.

## **SPONSORS**

The NCCUA, like any sporting club could not continue to operate without sponsorship, and in 2019 we were blessed to have the support of the following organisations.

Firstly, an extremely important NCCUA sponsor, the Swansea RSL Club. I would like to sincerely thank The Swansea RSL Club for their continued support of the NCCUA. A special thanks to Mr Kiel Emerton, General Manager, and Mrs Danielle King, the Functions Manager, for their incredible support and generous understanding of our group and our functions. The Swansea RSL is home to several events, as well as committee meetings and our AGM. I'm sure everyone agrees that it is an incredible venue.

The next organisation I need to acknowledge is TyrePower which not only sponsors the NCCUA but also all umpires in NSW/ACT through the NSW/ACT Umpiring Department. Thank you to TyrePower for their support of grassroots football and those that umpire it. I must also thank Blain from TyrePower for his support of our 2018 & 2019 Trivia Night by organising vouchers.

Following a couple of functions in 2018, the NCCUA also saw the Mayfield Hotel, through the Bistro, join as a sponsor. While the establishment was sold at the start of our season, the new owner and manager have been great in continuing our functions there. So to previous owners Mark & Tracy Keegan, and new owner Campbell and Manager Josh, I say thank you for your support of the NCCUA.

Next, Ray & Cheryl Dinneen, while we were fortunate to have a good financial year and not rely on the Dinneen's, I must thank them for the offer of continued their financial support. Thank you to both Ray & Cheryl for your generosity, words cannot express our gratitude enough.

Another organisation that continued their sponsorship this season was Central Coast Physiotherapy, owned by NCCUA Member Ryan Stanton. Ryan we thank you for your continued financial and professional support throughout this season. Your support, particularly of the three Bunnings BBQs, has been significant and we have not taken it for granted.

I must also say a massive thank you to Bruce Edmiston of Bruzer Photography. Bruce, thank you for the incredible photos that you shared with us this year. I know our members were extremely appreciative of these. On a personal note, I want to say thank you for your friendship over many years and your continued contributions to this Association. I also want to congratulate you on your development in your photography and say it was great to see you become the AFLHCC Photographer this year. I wish you the best of luck moving forward.

Thanks again to all our incredible sponsors and supporters in 2019, and we hope you will again support us in 2020 and beyond.

## **PRESENTATION NIGHT**

The 2019 Presentation Night took place at The Mayfield Hotel. I would like to offer my personal congratulations to everyone that was recognised at our presentation night. Especially to our award winners, you have all had an incredible season, well done and thank you.

This year we saw a rare sight at NCCUA Presentation Nights, with Miles McCauley taking out the NCCUA Boundary Umpire of the Year and NCCUA Umpire of the Year. This is just the second time a Boundary Umpire has received the NCCUA Umpire of the Year. Well done.

I also need to thank Margaret and Grant Turner for agreeing to present the Neville Turner Memorial Trophy, the trophy and criteria are the best way we could think of to continually honour Neville, what he did for us and meant to us.

I must also congratulate those umpired lucky enough to be selected into the 2010-2019 NCCUA Panels of the Decade, listed on page 27 of this report. Congratulations also to Roy Reichert who was inducted into the NCCUA Hall of Fame and Darrel Luck who was elevated to LEGEND Status, we could think of anyone more deserving in 2019 than Roy and Darrel.

I would also like to thank and congratulate Harrison Crook, Rachel Robinson, Stephen Blume and Tom Steward for the terrific job they did with this years 'REAL' Awards.

## FUNDRAISING

In 2019 we saw a change to our fundraising efforts by conducting three massive Bunnings Barbeques in the 2019 Financial Year. The first was at Boolaroo in January, the second at Tuggerah in February and the third at Maitland in March. I must sincerely thank all those that took the time to volunteer at these events, but more importantly thank Rachel Robinson for organising these and Ryan Stanton, through Central Coast Physiotherapy, who financed the purchases for these. Through these three events we added approximately \$5,000 to our account which enabled the purchase of two sets of MatchComm.

The NCCUA again held a trivia night at the Mayfeid Hotel, which was well attended this year and resulted in \$700 being raised for the Association. This event is also held as a social event to bring our group together and support one of our sponsors, I hope this event stays on the NCCUA Calendar and can be well supported for years to come.

The NCCUA this year, with help from Shane Lowndes, tried to organise a round where our umpires would wear blue socks and hats to support Beyond Blue. While we were not able to have this occur this season, I hope we still work as an Association to make this happen next season and show our support to a variety of causes close to our hearts.

## THE FUTURE

I seem to always mention sponsorship in this section, but it is a very important aspect of what we do. The challenge for us as an Association is to secure short and long-term sponsorship deals that will benefit the NCCUA. While we had six sponsors/supporters in 2019, which is terrific, more sponsorship is required to ensure the Association can continue to operate efficiently for our members and umpires in our region.

## FAREWELLS

I must also acknowledge the many umpires that are not returning to the NCCUA next season. While there may be many I wish to personally thank and congratulate four individuals. I previously mentioned Stephen Blume and Jody Jackson, we need to acknowledge the contributions of Wayne Farrand, after ten seasons and 207 matches, Wayne is relocating for work. Wayne we wish you and Lauren all the best. The 'surprise' of Presentation Night was that John 'Sully' Sullivan announced his retirement. Sully, words are not enough to recognise your continued and invaluable service to our Association and the game. Thank you.

In the five years I have been President of this Association, I have stressed the importance of this Association and our Umpires in maintaining positive and professional relationships with the clubs, league and administrators. We have gained a significant advantage through these relationships over the last few years and look set to benefit from these in the years to come.

I would like to conclude this President's Report by again thanking every member of the NCCUA for the honour of representing them as President for the last five years. I would also like to again thank the committee for their ongoing contributions to the NCCUA. I wish the next President and Committee all the very best of luck moving forward. While I have previously said that I made the difficult decision that I will not be seeking re-election at this upcoming AGM, I do wish to remain involved in this Association and Committee where I can best continue to serve. To our members I wish you all the very best for the off-season and I hope to see you all back out on the field in 2020.

***Jake Lowe***  
President

## **SECRETARY'S REPORT**

It has been a pleasure being Secretary of the Association in my third year in the role. I've enjoyed meeting the new faces that have arrived this year, and fondly look back on my memories of the laughs shared throughout the year.

### **MEMBERSHIP**

This year the Association had 65 Members. Of these numbers, we had 48 active members, of which 3 are running Life Members, 15 non-running Life Members and 1 Honorary Member. This year we changed the membership packages offered to umpires, creating Gold, Senior Basic, Junior Basic, Parent/Social and Running Life Member packages. Of these membership packages offered, we had 17 Gold Members, 10 Senior Basic, 8 Junior Basic, 1 Parent/Social, and 3 Running Life Members. There were also a total of 76 umpires appointed by our coach, Christine, to the AFLHCC Senior Competitions this year.

Aligning with the junior umpires has seen an increase in membership numbers, accounting for 8 Junior Memberships as well as a Parental Membership, highlighting some success in the alignment. Being a member of the Association is important, as it provides both benefits to the umpire, along with allowing the Association and Committee to do more for umpires in this region.

### **SOCIAL MEDIA**

This year, the NCCUA committee have run an NCCUA SportsTG website, an official NCCUA Facebook page, Instagram, Twitter as well as an NCCUA Facebook members group. These outlets have provided a forum for the sharing of photos and stories from the weekends, milestone achievements and discussion around rules for coaching purposes, along with sharing funny stories and moments from social events. I would like to thank Jake Lowe and Ashley Borg for running these sites, as well as thanking Ashley for compiling the milestones for the association. I hope that the use of these outlets will continue in future years.

### **MEETINGS**

Our meetings this year were held between the AFL Office at Morisset and Swansea RSL. Meetings are important settings for members to be able to voice their opinions in a forum, while also being able to receive important information about the Association, and the way in which the Association is being run by the Committee. Next year, it will be important for ALL MEMBERS to attend as many meetings as they can.

This year will be my final year in the role of Secretary of the NCCUA, and I just want to thank everyone for your trust and support. Thank you to the Committee, and specifically Jake Lowe for all the help you've given me in order to assist in the role. I'd also like to thank the committee members who helped complete the minutes when my football commitments got in the way. I will look back on my time served on the Committee fondly.

I wish all umpires success both over the off-season and going into season 2020.

**Harrison Crook**  
Secretary

## ***UMPIRES HEAD COACH'S REPORT***

With the formation of the AFLHCC and the new competition I believe that this season has been a successful one.

A new coaching structure was implemented and overall worked quite well although some things were not so successful and there are some changes to be implemented for next season.

With the Senior and Junior Umpires all one group, the number of junior umpires wanting to move up to Senior football is very pleasing and they can see the Talent Pathway now is really working.

There have been 9 Field Umpires, 4 Goal Umpires, and 14 Boundary Umpires that have all made the transition from Junior to Senior football this year. We have also welcomed 2 Field Umpires, 1 Goal Umpire and 1 Boundary Umpire from other leagues.

The training venues changed this year - the Newcastle based group trained at Tulkaba Oval and the Central Coast Group trained at Lisarow. Attendances were very good at Tulkaba for both Juniors and Seniors but a little disappointing at Lisarow for the Juniors.

We continue to work closely with Emily Brown - Umpire Development Co-Ordinator - Northern NSW to promote umpiring and to recruit new members especially in the Junior ranks.

The continuance of Bar TV has also given the opportunity for feedback to the umpires, with many umpires reviewing their performances and it really is helping the umpires that are in the Talent Pathway to improve their umpiring.

We've also had some good Representative game appointments this year:

- AFLHCC Men's Rep Game v AFL South Coast
  - Field - Stephen Blume and Dave Parsons
  - Goal - Jody Jackson and Wayne Farrand
  - Boundary - Miles McCauley and Ethan Robinson
- AFLHCC Women's Rep Game v AFL South Coast
  - Field - Rachel Robinson and Tom Steward
  - Goal - Shane Lowndes and Andy Baldwin
  - Boundary - Scott Donnett and Kyan Everson

I thank the NCCUA for their support and assistance during the season and look forward to a successful season in 2020.

## **AFL HUNTER CENTRAL COAST UMPIRES MANAGER'S REPORT**

The AFL Hunter Central Coast 2019 competitions were very successful for umpires with outstanding achievements both on and off the field in 2019. We had a large number of umpires transition from juniors to seniors, while overall growing slightly in number.

Extremely successful talent programs with multiple umpires moving up within our NSW/ACT talent pathway and the successful completion of NextGen. While NextGen has its restrictions, hopefully a revised program in 2020 will see the growth of talent throughout the Hunter and Central Coast keep growing. These talent achievements are a direct credit to all AFL Hunter Central Coast Coaches and Mentors both past and present!

2019 had low numbers of reports with only a few resulting in a tribunal. This is a credit to all umpires for both game day match management and control but also developing great relationships with key stakeholders at our clubs. While match day paperwork might have been a little bit more of a challenge to ensure all forms were submitted on time, we got there in the end with 100% completion. All match day paperworks with reports were submitted in a timely manner and as a result, allowed correct prescribed penalties to be offered. Great work to all umpires involved and don't forget your job doesn't finish until your paperwork is done!

Overall, 2019 was a successful year for umpires both members and non members of the NCCUA performing to the best of their ability and representing umpires with pride! Looking forward to seeing everyone back in 2020 and what the year has to offer

### **NOTES**

- Overall Fundraising appears down compared to the efforts this year, sponsorship is up. This is due to Central Coast Physiotherapy's (Ryan Stanton) sponsorship including the three Bunnings BBQs.
- Prior to 2019 the NCCUA had not received any Grants from either the League or AFL NSW/ACT. This was a great source of income this year and lead to the purchase of MatchComm.
- Equipment purchased in 2019 included two new Gazebos, Bubble Ball sets for training and two sets of MatchComm (cost of \$4,454).
- As the AFL Hunter Central Coast now handles the Incentive Payments, which on the most part are made directly to the umpires, the NCCUA no longer sees that large sum coming in and out of our account.
- We collected less funds from memberships this year due to the restructuring of our Membership Packages and an overall reduction in Fees.
- Presentation Night, the overall cost of the function (Food and Beverage wise) was up from last year, however this function was held at a sponsors venue which added to the sponsorship funds. Also, our Trophy invoice was issued after the books were closed. This amount will appear in the 2020 Annual Financial Statements.
- There was a small increase in cost of photography this year. The NCCUA this year paid Bruce Edmiston of Bruzer Photography \$600, for his hard work and time spent giving us tremendous photos each week. Considering the amount of work he put in and time he took out, a payment of \$600 for the season is a small price to pay for quality memories. This is reflected in a new row labelled Photography.
- Also, this year the NCCUA issued three refunds one for \$48 (incentive), one \$60 Hoody refund due to supply issue, and \$100 to Sam O'Brien who had his match payment stolen at a game.

I hereby declare that all financials represented in this 2019 Annual Financial Statement are true and correct as of 10 October 2019 and completed in full to the best of my ability.
