GENERAL

The Foundation remains in a sound financial position after 41 years of activity and our main objectives - to develop junior sport in Canterbury and support promising elite sportspeople - are unchanged. We are proud of what we have achieved so far, with grants of well over half a million dollars. There are a lot of young people with outstanding talent who given the opportunity will develop further. Contact us if we can assist with a junior coaching and development project or if you have outstanding athletes who could qualify for our business partnership scholarships.

We also wish you every success and enjoyment in your sporting activities in the current year.
