

FOR SALE

Minnow 1131

“Pocket Rocket”

Like new. Has been sailed a maximum of 15 times since new and then garaged for the last 10 years.

Wooden boat build by Les Sharpe who was building the winning boats around that time.

Hull was then faired, the chines were sharpened and it was professionally sprayed and baked with automotive paint, so it was ready for racing!

Unfortunately my daughter decided Rock Climbing was her sport instead!

Passed all measurement, but I have misplaced the measurement certificate.

Comes with:

- 1 Irwin Sail
- Super light-weight custom made fittings
- Spectra halyard
- Light-weight aluminium beach trolley
- Foils in protective bag
- Paddle
- Tow rope
- Bailer
- Drink bottle holder

Awesome competitive racing boat! Priced for quick sale!

\$1,200 ono
