

# THE ACORN

SEASON 2019 ISSUE 10

## PRESIDENT'S REPORT

Hi all,

Winter is well and truly here! Well done to everyone who played, coached or volunteered last Sunday in freezing conditions.

Some of the grounds had mud from one end to the other, but Scammell Reserve was pretty good apart from the centre turf wicket which was like an ice skating rink! Players were slipping and sliding all day, struggling to keep their feet.

A big thanks to Jim Hall and the parents who helped remove the centre wicket cover Sunday morning. The covers have saved our ground so far.

Also a big thanks to the U16 Girls and Boys for providing Grub at the Club. The 'Christmas in July' food was beautiful.

As mentioned at Grub at the Club, the Oakleigh Dragons Trivia Night is on Friday night the 2nd of August in the social rooms. \$10 per person and drinks at bar prices. We would like a table from each team and we are going with an 80s theme. Lock the date in and see you there.

The Trailer Raffle is up and running with tickets being circulated now. Please try your best to sell each ticket and return all tickets sold or unsold ASAP. Place the money in an envelope and return to your team manager. The raffle will be drawn on Saturday the 24th of August in the social rooms. We look forward to your support so we can get new lights at Scammell.

See you soon.

Pat Heverin

George showing his club spirit!

# GO DRAGONS

### 2019 COMMITTEE

President: Pat Heverin

Vice President: David Cash

Secretary: Kathy McGeoch

Treasurer: Jackie Phillips

Sponsorship Co-ordinator: George Wintle

Child Safety Officer: Lisa O'Driscoll

Registrar: Jackie Phillips

Bar Manager: Jim Hall

Coaching Co-ordinators: Jeff Fortune & David Cash

Canteen Manager: Clancy Phillips

General: Sharon Westin-Shaw

### 2019 MAJOR SPONSORS

## COMMITTEE MEMBERS NEEDED

You may have heard at recent Grub nights that the club is looking for new committee members to assist with the tasks required to operate the club and get our kids on the field. This is an ongoing request and you may well be sick of us by the end of the season. In saying that, there is great reward in volunteering. Studies show, volunteering connects you to your community, is good for your mind and body, can advance your career and brings fun and fulfillment to your life.

**The Dragon's Committee will have a number of roles being vacated at the end of the season and to ensure a smooth transition, it would be ideal to have those roles pre-filled before the end of this season. Those roles are:**

<b>POSITION</b>	<b>CURRENTLY PERFORMED BY</b>
<b>SECRETARY (EXECUTIVE COMMITTEE)</b> Deal with club mail, takes minutes of meetings, attends League meetings as required. Maintain policies. Liaise with League, distribute mail/correspondence as required within club and externally, main contact point for Club. Oversee running of the Club along with President and Vice President.	Kathy McGeoch
<b>TREASURER (EXECUTIVE COMMITTEE)</b> Maintain the Financial Accounts of the Club, including banking, presenting timely and accurate reports and budgets to the Committee.	Jackie Phillips
<b>REGISTRAR</b> Accept registrations and forward requirements onto League. Keep an updated Club registration database. Arrange and co-ordinate registration day with the help of volunteers. Contact person for new members.	Jackie Phillips
<b>CHILD SAFETY OFFICER</b> Ensure SMJFL Child Safety Guidelines are adhered to and provide access to training from the SMJFL including online training modules. Ensure adherence to existing policies.	Lisa O'Driscoll
<b>TEAM MANAGER / VOLUNTEER SUPPORT</b> Assist Team Managers to ensure they have everything they need to assist coaches, parents and players to ensure the smooth operation of all match day requirements. Ensure Team Managers are aware of By-Law updates and League requirements when overseeing match day operations.	Kathy McGeoch

**The following roles have been vacant for some years and urgently need to be filled:**

<b>SOCIAL CO-ORDINATOR</b> Arrange and co-ordinate a variety of social events for Club members together with volunteers. Can be a Non-Committee Role, attendance at Committee meetings required on an ad hoc basis.
--

If you are able to fill one of these roles or would like more information about how you can help, please contact Kathy at [secretaryOYCFC@gmail.com](mailto:secretaryOYCFC@gmail.com) or Pat on 0402 905 198.

### DATES TO REMEMBER

14 JULY – Grub at the Club

22 JULY – Collingwood players Q&A

28 JULY – Team Photos @ Scammell.  
Time TBC.

2 AUGUST – Trivia Night

24 AUGUST – MAJOR RAFFLE

### DANGEROUS TACKLES

After some recent media commentary regarding concussion in football and in particular junior football, the South Metro Junior Football League (SMJFL) would like to remind all players, officials and spectators about the league’s [Dangerous Tackle Guidelines](#).

The overall objective of these guidelines and information is to reduce the number of players getting injured due to dangerous tackles.

Several players have been reported this year for dangerous tackles and/or unduly rough play. To reaffirm our position, as the tackler, you have a responsibility to ensure that you tackle in a safe manner. Even if a player applies an otherwise legal tackle, if the player with the ball head hits the ground, then the player may be reported and suspended. A more comprehensive overview on the adjudicating of the dangerous tackle can be found within the [Dangerous Tackle Guidelines](#) which are also available on the SMJFL website.

Source: SMJFL

### COLLINGWOOD PLAYERS Q&A

On Monday 22 July, we will again be hosting some Collingwood players in a Q&A session. This was a great experience last season and we hope to get even more support this year. More details to follow.

### DO YOU HAVE SOMETHING TO SHARE?

If you have any photos you’d like in the next Acorn, please email them with a description to Sharon at [s\\_westin@hotmail.com](mailto:s_westin@hotmail.com)

### CANTEEN CORNER

There were 5 games at Scammell on Sunday and with the weather being so cold, we knew that we had introduced the coffee machine just at the right time. Overall, Clancy and Maddie served 272 customers, sold 556 items. Coffee, Hot Chocolate and Tea were big sellers with 138 sold. We offered our Keep Cups at \$10.00 each with the first coffee free and sold 9. Everyone that bought tea or soup was served in a mug and it’s great to see how much everyone is taking to this with some really favourable comments.

Clancy plays in the womens team for Oakleigh Amateurs (Krushers). They played Preston on Saturday and she spoke with the Preston Canteen Manager after the game who told her that their local council has made them go completely GREEN. No takeaway cups! This has really inspired Clancy. As part of our deal with the coffee company, we purchased takeaway cups, but we’d really like to serve our coffee in cups/ mugs. I know everyone has unwanted mugs & cups etc at the back of the cupboard... we want them. Put them in a bag and put them in your car right now and deliver to Scammell next training session or game. Thanks to the mum that dropped 4 off on Sunday to us – they got used at least 3 times, because I remember washing them a couple of times.

We have double lined bags that we are now serving our dimmies in – no longer in the non recyclable cups.

Finally, there are 6 games at Scammell this weekend and we would appreciate all the help you can give us. We need the most help at the end of a game and at half time. The idea is that you arrive with your child and assist at the end of the game prior to your child’s game and then at half time during your child’s game. We don’t expect you to hang around in the canteen when your child is playing – you’re the spectator then. When you’re in the canteen you just need to fill orders and you’ll get plenty of direction from Clancy and Maddie.

A big thanks to the volunteers that helped on Sunday - we had a dad assist for the first time in a long time:) A huge thanks to Clancy and Maddie - Clancy started at 7:30 and Maddie at 8:00 and they didn’t finish until after 5:00.

**We are serving lunch on Sunday, so look out for our Thai Chicken Curry served with rice and a sprinkling of coriander for a mere \$10. Yum!**

**Support our canteen – we’re saving for lights.**

- Davey submersible D40 A pump
- Caroma Caravelle Toilet Suite with close coupled cistern
- 5 x Caroma Tapware and bathroom fittings eg towel rack

Special thanks to George Wintle for his efforts in getting these items donated.

## COACHES' REPORTS

### U17 BOYS MARTY O'DRISCOLL

#### Oakleigh JFC 8.9.57 v St Kilda City JFC 3.5.23

The U17s had big week which included Tigers midfield coach, Adam Kingsley, taking their training session on Wednesday night. We can't thank Adam enough for giving up his family time to be there.

Adam gave the boys some valuable pointers which they took into their game on the weekend. They didn't let up for one moment, taking their intensity right to the final siren and beating the top team by a resounding 34 points. A big thank you to the U16s who stepped in to strengthen our squad.

This week also saw Matt Goodwill play his 150th game for the Dragons - an incredible effort only achieved by a few! Congratulations Matt.

Go Dragons!

### U13 MIXED GAB ROBINSON

#### Dingley Dingoes 6.4.40 defeated Oakleigh Dragons 4.1.25

The Dragons were outplayed and outworked today in wet conditions, away from home.

Dingley played a solid 4 quarters of football with high-level work rate, desperation and non-stop tackling pressure, not giving the Dragons an inch.

We have now lost 2 games in a row and quickly need to turn our form around in order to continue our momentum towards finals.

Stevie, Pete, Ethan and Specky Bernado contributed all day.

Bailey put in a fine performance at CHB and was moved into the ruck in the last quarter to provide some spark.

Bailey's improvement continues every week and is a pleasure to watch.

Boys, next week, we need 18 contributors all willing to work hard for each other in order to turn around this slump.

We once again need to focus on doing the simple things exceptionally well.

### U16 BOYS JIMMY HUNT

This week the under 16s went out to Albert Park to play port Melbourne/ south Melbourne.

The first half was a very lackluster game with the dragons going into half time up by two goals. The third quarter the dragons shut down the oppositions run and played some exciting footy to go into 3/4 time up by 27 points.

The fourth quarter is where it got exciting. PM SM kicked 3 goals in the first 10 minutes and we're coming hard. The dragons couldn't get their hands on the ball especially around clearances and the backline was under the pump.

We threw Aiden down back and his class under pressure was a big impact. PM SM got to withing a point but the dragons ended up linking up with some good play to go down the other end with Brodie taking a crucial mark against the run of play. He went back and kicked a point but soaked up enough time and with the ball being up our attacking end it was enough to get the boys over the line by two points.

Nikita was good in the middle and both Jason and Rothy won crucial contests in the backline throughout the day.

## COACHES' REPORTS CONT...

### U9 MIXED BLUE NICK SOURRIS

The under 9's mixed blue were at home , at Scammell Reserve . This was our first game this year at Scammell. The boys were really excited to play on the larger ground.

The conditions were atrocious, but the boys were up to the task at hand.

The tackling pressure was tremendous, which in turn caused a lot of turnovers and the opposition was kept goalless , until the very last minute of the last quarter.

Sasha and Heath were instrumental in defence, repelling constant attacks.

The midfield was again dominated by Tom and Cooper.

The forward line was on good form too.

James and Charlie starred , with both boys booting two goals each.

Overall it was another great team effort by all, which saw our team triumphant.

The final score was 4.2.26 to 1.3.9

### U14 GIRLS SIMON GREELY

Oakleigh Dragons vs Beaumaris Hammerheads

It was a chilly day but we got to play on one of the best surfaces in the league. Beaumaris Secondary College had some awesome facilities and the Sharks had a few very good players who were very hard to stop.

We kicked the first goal after some strong play and had the ball in our forward line for a lot of the first quarter. The Sharks responded with some strong play of their own and kicked 2 late goals to take the lead. Our second quarter was pretty good, but with no scoreboard reward we went into half time 20 points down.

Through some great work in the 3rd quarter we got another goal as well as a few very near misses (Ruby – oh so close!). Our defence held on well in the second half, only allowing 2 goals as the girls played a determined and hard-fought match against some very strong players. We put lots of pressure on their good players and rushed a few points to stop them getting easy goals, which was pleasing.

Oakleigh 2.3.15

Beaumaris 6.11.47

Goals – Mya and Lucia

Better players – Ruby, Giselle, Elise, Mya, Petrina and Lucia

## COACHES' REPORTS CONT...

### U12 MIXED TIM MORELAND

A real wintery day at Scammell Reserve against top of the table Murrumbena. A slower start but a more attacking second half saw us take out the win and jump to the top of the ladder. Inaccurate kicking resulted in us winning by 8 points. 27 – 19.

Murrumbena had some real handy and quick on ballers who looked as though they wanted the ball a bit more in the first half. Our usual attack on the ball was a bit off but to the boys credit they all lifted in the second half and showed just what they can do working for each other.

Theo continued improving on his ability to win the footy and laid some very important bumps and tackles in the last quarter.

Bailey M was dangerous forward and worked his way into quite a few last quarter contests in the air and on the ground which were important to us.

Angus and Jake showed what they can do with ball in hand in patches today with some good run and carry.

Isaac and Antonios are a real solid back combination and their attack on the run is good to watch.

Loved watching Aiden, Yanni, Raffa, Ethan, Stevie and Mason working hard on keeping the ball in front particularly on a winters day.

Also pleasing to see the endeavour and improvement today from Caleb, Matt R, Zach, Robbie and Lachie. Keep getting to training guys and we'll continue to improve along the way.

I won't go though everyone but it was really pleasing seeing our pressure, teamwork and running play particularly in the second half. There is still plenty of improvement in us so looking forward to hitting the track at training and continuing to enjoy our team play moving forward.

Well done everyone... see you next week.

GO DRAGONS !

### U10 MIXED MARCUS SPENCER

We played against: St Paul McKinnon At: Away

A 9am game in the middle of winter and at the end of school holidays was our challenge on Sunday. We were somewhat holiday and sickness depleted, but so was the opposition (who only has 15 players). We gave them a player to even things up.

The game itself was a bit of a slog. A combination of the cold weather and the early start seemed to demotivate our players to the extent that they became spectators rather than getting involved in the play. The two teams traded points throughout the first three quarters, with the first goal not coming until the last quarter.

In the end, it was one goal apiece with our opponents getting up by few points. Our best players included Jack and Josh S, Damien, Noah and Jeremy. There are four more games until our season ending Lightning Premiership. That period provides a good opportunity to continue to build on our improvement this year and to end the season on a high.

## COACHES' REPORTS CONT...

### U11 MIXED DARREN GRENFELL

**Opponent:** East Malvern JFC **Home Game:** W. A. Scammell Reserve

**Result:** Oakleigh Dragons won by 27 points (4.5.29 vs 0.2.2) **Match Day Captain:** Mitch "50" Morton

Pre-Game: A ninja warrior inspired training session had the Dragons (3rd) prepared to host the second placed East Malvern JFC. A couple of late scratching's due to illness and injury left us with 20 cold Dragons to run out in the light rain. Captaining, and selecting the side was Mitch, who was also celebrating his 50th game for the club.

The Match in a paragraph: It was a low scoring battle, with all scores for the match being made down the wind assisted end of the ground. A 6-2 half time lead was testament to how hard it was to score. It was also an indication of how evenly matched the two teams were. The game swung the Dragons way in the third quarter as they used the wind really well, winning the quarter by 23 points and setting up a strong platform for victory. A very determined Dragons outfit then set about stopping East Malvern from scoring with the wind. An amazing flooding effort (driven by the players wanting to help out their mates in defense) for the last 15 minutes, meant the ball never left our backline, yet at the same time was able to keep East Malvern from scoring as well.

Special mentions from the game:

- The backline. Special mentions to the back two of Ben and Will, and assistance from the much improved Sam and Oliver H.
- The tackling and pressure applied by Oliver T, Mitch, Dean and Tyson.
- Drew having his best game for the club.
- Some really impressive, and entertaining, passages of play, with marks and handballs helping the team move the ball the full length of the ground.
- Witnessing one of the best games of Mitch's 50 game career. Seemed to be the only player playing with a dry ball, whilst all others struggled with a wet one.

Round 10 Goal Scorers: Oliver Thomson, Oliver Palmer, Ethan, Alex

Most Pleasing aspect of the game: The team defense. Keeping a team placed higher on the ladder goalless was an amazing team effort.

Player that caught the coach's eye: Dean. When the coach asked the team to pick up the ball with pace and take the game on it was Dean that led the charge. Had a few great moments of splitting packs and coming out the other side with the ball under his arm.

## COACHES' REPORTS CONT...

### U13 MIXED ASSISTANT COACH ROBERT HASTINGS FOR CHRIS MORTON

Celebrating the 50 game milestones of Jackson Davey, Billy Diamataris, Yiannis Roussos and Thomas White, Oakleigh were back home at Scammell Reserve on Sunday to face the combined Ashwood and Waverley Park Under 13 side.

The weather — heavy drizzle and a stiff breeze — wasn't favourable for an attractive game of football. At first it looked as though Oakleigh had more readily adjusted to the conditions than Ashwood-Waverley Park with several forward entries. Unfortunately for the Dragons every attacking foray resulted in a behind. Soon though the Hawks (playing in Ashwood's un-Hawthornlike colours) rallied and by quarter time had piled on a quick five goals.

The complexion of the game changed early in the second quarter when Ashwood's dominant ruckman went down with a nasty ankle injury. Oakleigh — for a time at least — looked to have regained their flow from earlier in the game. When Angus Toomey bobbed the ball through for a tight-angled goal Oakleigh finally had their first major and, with the Hawks attack momentarily blunted, it looked to be game on.

The third quarter was an arm wrestle in worsening conditions. Jake D'Rozario, reprising his fine form of previous years, battled manfully at full back. Allen McHenry too looked to be more at ease in defence. On the ball Oscar Morton ducked and weaved, Tom White barged through packs and Sam Holman ran and carried. At half forward Alexander Hastings kept trying to create something and finally, when Roussos in game fifty bombed through a long goal, it looked as though Oakleigh might have the merest of sniffs... but the Hawks soon re-grouped and were able to pile on a handy couple of goals before the final change.

Unfortunately in the last quarter the "floodgates" — which, to be brutally fair, had been leaking all game — finally blew open and Ashwood-Waverley Park duly feasted. The final twelve goal margin didn't reflect the effort the Dragons had applied for much of the game but probably was sadly a good demonstration of the gulf between the two teams.

### U16 GIRLS GEORGE WINTLE

On the weekend the under 16 girls team played away against East Malvern. The team made East Malvern look very ordinary with a strong four quarter performance. Well done team!

A bit of fun during the U12 girls speech at Grub.

## COACHES' REPORTS CONT...

### U9 MIXED MARK D'ROZARIO

Apologies for no report last week. I will go through both rounds this week

Round 9 was vs Hampton Rovers at Hampton. It was a tight match where most goals were scored to one end of the ground. The boys had terrific spirit but were over run in the last quarter. Andrew was sensational in the middle. His defensive work and offensive work were brilliant. He never stops trying to win the ball back. He is very fit and has 2 to 5 efforts at every contest if he does not win the ball. When he wins the ball, he clears the pack with long kicks into the forward line. Troy held the backline up extremely well stopping goals on the line on numerous occasions and Eamon showed promise with some good running through the middle and good kicks into the forward line. Harland, Darcy R & Darcy M finished with goals in the 1st and 3rd quarter and Darcy M & Darcy R were moved into the middle where they worked well together to set up more goals. It was not until the last quarter where the game was decided. Our boys did well but the Hampton was too good on the day. A big thanks To Shayne for all her hard work and Michelle Ryan for helping with the team manger duties on the day.

The last two weeks we had limited numbers at training, but the boys really trained the house down. This made me feel confident for the week. Round 10 was played against Ajax this week at Princes Highway and it was the best all round game our team played. It was goal for goal and the game went to the last 2 minutes where we managed to kick a goal to secure the game, but more importantly it was great teamwork that got us over the line. The boys worked together in all zones as a team. The defence saw Josh Cash play his best game this year backing his run, showing good skills and handballing well under pressure. Aiden broke through packs and fought hard to get the ball with fantastic tackles, Fionn got in space and was the leader of the back line bashing the ball long on many occasions. Paul took the game on with great confidence and Eamon used the ball well when he got it. Ally got a few crucial handballs out to team mates to stop goals and the tackle pressure by all backs was terrific.

The midfielders set up a great defensive line when we did not have the ball and won the ball out of the middle in the centre bounces. Jonathan had crucial tackles and roved the ball like an old pro. Jethro looked dangerous at times getting a bit of the ball and Cameron ran hard all day. Darcy R roved beautifully and got to every contest. His defensive work kept the ball from going into defence on many occasions. Darcy M and Harland worked well together. Darcy M played a terrific game setting up goals with his great running and pin pointing passes into the forward line. He even hit targets with his opposite foot on multiple occasions, which was a highlight and Harland sweeping one kick behind the line was terrific. He stopped many runs forward from the opposition and got the ball back on many occasions resulting in shots on goals. The midfielders worked tirelessly with great tackles, stopping many thrusts from the opposition.

The forward line saw Robbie at full forward leading well to create space, so we could kick goals and being a great target and not far away from getting a goal for the team on a few occasions. Marco kicking his first goal for the club from a good mark and showing more confidence than he has on the footy field also playing his best game for the club. Aiden and Ewan were running hard and setting up goals. Aiden with a kick over his head setting up a goal to Marco and Ewan fighting to get the ball and handballing to Andrew on a few occasions. The tackle pressure by the boys was terrific. Andrew took on two and set up a goal to Troy in the forward line. He made a goal out of what should have been an easy clearance for the opposition. Andrew and Troy worked well together and lead the forwards. They could have kicked many goals between them, but they looked to pass to team mates to make sure everyone had a shot at goal. This illustrated what I thought was the best all round performance and best team game we had this year.

Fergal and I will keep working on moving the ball quickly at training and taking the game on as well as tackling correctly to keep the ball in one zone and playing pressure football. Also teaching the boys that being tackled and holding up the play can work in our favour. It will give us time to start again and get the ball at the contest as it will give time for others to come and help. We are really improving in all these facets of the game. A big thank you to Sonya being our runner and great work to the tireless Shayne. The team manager extraordinaire! Looking forward to Round 11.

Go dragons!

## CLUB ROLES

Every issue or two, we will be adding a description of the roles needed to run our club successfully. These will include game day roles, as well as committee roles.

### President (Executive Committee)

Chair meetings, delegate duties, liaise with League, Club members and Senior Club, attends League meetings and local community meetings when required.

**Position filled for 2019.**

### Vice President (Executive Committee)

Able to chair meetings and represent the Club in the absence of the President. Work with President and assist over all administrative areas. Attend League meetings.

**Position filled for 2019.**

### Registrar (Executive Committee)

Accept registrations and forward requirements onto League. Keep an updated Club registration database. Arrange and co-ordinate registration day with the help of volunteers. Contact person for new members.

**Role will be vacated at the end of season 2019. New Registrar to be identified during season 2019 for smooth transition.**

## SMOKE-FREE

By law, smoking is banned within 10 metres (about two car lengths) of any public outdoor sporting venue during an organised under-18s event.

The ban includes training or practice sessions to prepare for an organised under-age sporting event, and breaks or intervals during the course of the event, training or practice session.
