	Dan reported as per annual GL notes in Annual Report. Thanked Advisory Committee for last few seasons. Positive results at Interleague and in our netball representative programs. Finals were well down on gates and catering in 2018 which was disappointing. Thanked clubs for their input and open mindedness to trialling different initiatives over the past few seasons.
5.	Financial Report
	League returned a surplus after the loss last season. 2017 had a large amount of money returned and invested in clubs. 2018 saw the League invested in the digital record, more association umpires, live streaming of football matches, netball representative programs & football representative programs. Auditors made some adjustments to the GST on some catering invoices. Worked out in clubs favour with a difference of around \$800. During the transition to Xero from Reckon the accountants missed some information so auditors made the adjustments and overall the profit was \$23k. League will purchase runners and trainers gear in 2019 pending vote tonight. Moved: Traralgon Second: Leongatha Carried

AGA ROOKIE OF THE YEAR

Saskia Eenjes (Traralgon)

Season 2019 was another success on and off the field for the TRFM Gippsland League. Financially the League has never been in a stronger position and again can look at investing in club programs as it did in 2017 where over \$150,000 in initiatives were invested back into the clubs. From an onfield point of view, the football and netball remains the top standard in the region and the senior grades were very competitive in 2019. The Senior football saw the ladder shift almost weekly and there were a number of 'upset' results showing that truly any side could win on the day. The season again ended on a high with a superb showcase on Grand Final day. The League again produced the highest attendance in the region on Grand Final day and from a personal point of view the atmosphere (pre and post the mid day shower) was electric, especially at the netball courts.

Along with the help of Damen Francis, we continued to make a significant impact in the media and promotional space. At the beginning of 2019 Damen and I managed to secure a deal which would see two senior football games filmed every weekend with a full statistics package included. This included full player and team stats for the match. There was also a portal setup for the clubs which gave the coaches access to film cuts from the match which included intercept marks, goals from turnovers and clearances just to name a few. We also negotiated a live streamed match every month to be included and the full streaming of all football matches on Grand Final day. This was a significant step for the League as we were the first League in the state to partner with Premier Data and receive full stats for our filmed matches. Shortly after AFL Barwon followed suit along with a few other Leagues in the state.

The Record also continued to be developed and Damen and I produced a number of new initiatives including the inaugural Gippsland League Top 50 and Mid-Season Special issue. We also produced alternating covers over our split rounds and included a number of feature articles to again be a leader in the region in this space. We also produced weekly content in the form of reviews and previews which were also used through the social media platforms. From many reports at clubs the Record seemed to hold sales if not gain on the past few years which was a positive. Again throughout the finals it continued to sell a high percentage of the available copies.

There are a number of personal thank yous this year for special people who have supported and taken an active role in assisting the League. A huge thank you to our netball representatives led by Advisory Committee member Carlie Dwyer. This year we reformed a netball committee including Carlie Dwyer, Karen Proctor, Jo Ballinger and Jodie Galea to formalize the roles that these volunteers were already undertaking over the past few years. All of the members you would have seen running the netball operations during the finals and they play a vital role in ensuring that our netball programs and events are of the highest quality. With the way the League model is setup in terms of our resources Carlie and the girls have played a vital role for the Gippsland League, ensuring that not just our netball events are staffed but also our League events. I also have to make a special mention of our netball umpire coordinator Jamie Maher. We recognized the need again for this role to assist the clubs and League with our netball umpires and massive kudos to Karen for enticing Jamie into the role. He has been a massive asset for the League and I could not have asked any more of him this year. He arranged all of our finals umpires and umpires at our various representative tournaments. This task has been done by myself and Karen over the past few years and Jamie has not only taken this on but sourced new umpires of a very high standard for our finals matches and helped develop our current crop of promising umpires. For those who aren't aware Jamie is one of the top umpires in the state and has taken on the role while being based in Melbourne still.

Another huge thank-you to our netball representative coaches led by Jo Ballinger, Rachel Patterson, Shannon Freeman & Bern Dillon done an outstanding job this year. They put in a huge amount of work with trainings and event days and without their time the programs simply would not run. Representative team manager Jodie Galea also contributed a power of work to get the players on the court. Thank you also to Rosalie & Luana Brock who were also present at many finals. In the football landscape our representative coaches again were first class. It was a huge coup in the off-season to get Steve Kidd into the senior coach role for Interleague. We had a few discussions around Christmas time and in the new year and I'm very thankful that the stars aligned and he was able to take on the role. He went above and beyond in his effort and planning. He bought a whole league approach with

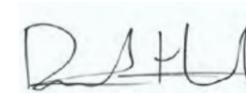

Shane Fyfe and Stu Gilmour assisting him along the way. It was a great sign of support that we had senior coaches like Tim McGibney travel up to Cohuna to lend their support of the program and help out where needed. We had a large support network this year too with Jeff Brain spending countless hours on scouting, Greg Maidment assisting at training and during the event, Greg even took on the team manager role when I was a late call up to doing the running, Justin Cant, Trev Blandford, John Shiels, Daryl Couling who traveled up with us and called the match and as always Damen Francis who was my sounding board and covered the event for us to the absolute highest standard. The end result didn't go our way but it was probably the best year I have been involved in the program. On a personal note it was great to see the passion the players that represented us showed fighting back in the last quarter to get within a goal late on when as you usually see in Interleague teams go through the motions when the match seems over.

Kristian Gray again did what Pistol does and take the 18's boys to the top winning the Gumbuya World Cup. It was again a tough year for Pistol with player availability but his hard work ensured we managed to bring home the trophy. A huge thanks to Daryl Couling, who also assists the Gippsland Power 16s, who stepped up and coached the 16's this year to victory.

The advisory committee did not receive any new nominations at the start of 2019. Carlie Dwyer remained on the committee while Scott Pearce was able to lend guidance when he could. Thanks to those two for their help in 2019. Carlie has been a great asset for the League since I've been involved and always helps out where she can and takes on anything I ask of her. Thanks for your efforts again.

Our League sponsors have again been magnificent in their support and investment in the TRFM Gippsland League product. Our major naming rights sponsor TRFM and Matt Cummins and Andrew Howe's continued support allows the League to reach new heights in its exposure within our region and beyond. AGA and Anthony Magnuson are a huge supporter of the League and allow us to produce AGA Gippsland League TV and the AGA Rookie of the Year amongst other things. A huge thank you to our other major partners including McDonalds Gippsland and Paul & Prue Hill from Gippsland Physiotherapy Group. Gippsland Physiotherapy Group are our major sponsors of our football interleague programs for 2019 & 2020. Metricon Homes continue to support our netball representative programs. The League is proud to offer our representative players the opportunity to compete without charging players for their uniforms and the support of Metricon allows this to happen. We are a leader in the region in our representative programs and it is thanks to the support of Metricon and Gippsland Physiotherapy Group that allows us to go the extra length to kit out our players with all the onfield & off field gear without cost and cover the majority of the other expenses.

The League again has gone through a period of change in the last 12 months leading into season 2020 and I want to make a special mention to Damen Francis who has finished up with AFL Gippsland. Damen has been a significant asset for the Gippsland League over the past 5 years and his knowledge and passion for Gippy League has allowed us grow to where we are now. Off the field the League is in a great position and Damen has had a large hand in this. After finishing my fourth season managing the Gippsland League, I want to thank all the people that I deal with throughout the season that make things run. It was great to get the support and help through the finals series from all of the host clubs and especially on Semi Final weekend where I was unavailable and Maffra and Traralgon stepped up to run the match days along with Carlie and the netball crew. It is great to have built some good relationships and friendships over the past four years so I thank you all for your support and efforts to help keep Gippsland League being the organization and competition it is.

Daniel Heathcote
TRFM Gippsland League Manager

TRFM Gippsland League would like to thank all of our major partners, sponsors and suppliers for their support in 2019. Their contributions have again been a key contributor to the League continuing to be at the forefront of the region in all areas.

TRFM has been major supporter and driver in the promotion of the League over the past five years and continues to help grow the game. This season TRFM again hosted the 2019 Season Launch which was a huge success. This was the final year of the five year major naming rights deal and we hope that they will remain a key part of the League moving forward.

Apprenticeships Group Australia is one of our leagues major partners and their support of AGA Gippsland League TV has allowed the product to grow significantly in 2019 to include the live streaming of all football grand finals and two matches being filmed every week with full stats.

Gippsland Physiotherapy Group have come on board for 2018 & 2019 as major partners of the

football interleague programs. Their support helped our teams get on the park again and they also have invested significantly in our volunteers by hosting their second training clinic exclusively for TRFM Gippsland League clubs.

Our netball programs receive a significant boost with the support of Metricon Homes and McDonalds Gippsland. Metricon has been a long time sponsor of the League and the partnership helps the League deliver the best representative netball programs in Gippsland. McDonalds Gippsland are in their fourth year with the League and our partnership continues to grow the game at local level.

Thanks also to our long term advertisers the National's Darren Chester who is a big supporter of our Record. Gippsland Cosmetic Laser Clinic continue to invest in netball and are now synonymous with the MVP award that they have developed into a key award on the calendar. The League also signed on with Sherrin for another three years. Sherrin are our exclusive football supplier and provide our balls for finals and interleague. Thank you all for your support.

Coming off a big win in 2018 we were keen to keep the momentum going leading into the 2019 Championships. It was a great coup by the League to secure former Warragul senior coach Steve Kidd to take over the top role from Harmit Singh. Harmit gave us two great years but due to his senior coaching commitments at Vermont he was unable to go on in 2019.

Steve bought a wealth of local knowledge and made a big point of engaging the senior coaches in the process. Along with his offside and chief scout Jeff Brain, an initial squad was released made up of some of the top talent in the League. As usually happens however with injuries and player availability there was a big turnover from the initial squad. After the 2017 loss we decided that we wanted players that were 100% committed to representing the League in the team and the final squad Steve managed to put together represented our League proudly.

The side got off to a great start through the accuracy in front of goal by Brayden McCarrey and Chris Dunne and we took a lead into the first quarter break. The home side had a massive advantage playing on one of the biggest grounds in the state, the local knowledge was on show in the second and third terms as the ball movement by Central Murray bought us undone. The match was played at a frenetic pace throughout and in the last quarter our guys showed their fitness and qualities as they piled on the late goals but the 3/4 time margin was one goal to far to bridge. A huge thanks to all that traveled with the team. It was over 6 hours on the bus for most of the side and to have volunteers and coaching staff make the journey was great to see. It was pleasing to see so many fans make the trip to support not only the players but the coaching staff also, the team had a great feel to it led by Interleague veterans Jordy Dessent & Bob McCallum who bought a strong culture to the group.

It looks like the Community Championships will not go ahead in 2020 which is a shame for many, but ultimately for the Interleague program to continue it needs the buy in from all the clubs and players. Not many realize that personally between finding coaches, volunteers, the administration, arranging uniforms, intra league negotiations etc that hundreds of hours are spent planning this one match. That is not to mention the coaches efforts and their time pulling together a squad and doing the research required for this type of event. Hopefully moving forward the program is not lost and their is still appetite for it amongst the clubs and especially the playing group. To finish a few personal thank yous from myself and Skidda. To assistant coaches Shane Fyfe and Stu Gilmour, trainers John Shiels and Trev Blandford, Damen Francis who done a power of work promoting the event, Justin Cant and Tim McGibney for their match day help and Greg Maidment who as always is a massive supporter of the program as will assist in anything you ask him. A final thanks to Brendan Blackshaw and Team Staffing for supplying the transport for the group. As I mentioned it was a six hour bus ride each way for the majority of the players and Team Staffing supplied us a bus for the two days to transport the players, coaches and officials.

SPIRIT OF '79

By Damen Francis

TRFM Gippsland League's current crop of stars will draw inspiration from their illustrious predecessors, when they take the field in tomorrow's Worksafe Community Championships. The clash marks 40 years since the then-Latrobe Valley Football League first secured the state's number one ranking, with victory over Bendigo Football League in the championship series grand final at Bendigo in 1979.

League life member Neil Meredith was part of that side, which blazed the trail and firmly stamped Gippsland's reputation as a football powerhouse that claimed four titles in 17 years. The tenacious rover admitted the historic game, which was the culmination of a series of game played throughout the season, was a "dirty day" for him personally as he "barely got a kick" but it remained a source of unforgettable memories.

"I played in all five of those games and it was the greatest honour because I never classed myself as a great footballer," Meredith said. "I've still got my footy jumper from the '79 game and the '80 one I did a stupid thing and gave it away to a friend... I haven't seen it since."

"We were a tight knit bunch the 22 that were up there. Everyone got along really well and it was the start of the whole league becoming close knit. "My mum and dad used to travel to all the games to watch me play and would always be talking to the locals. It was a really good time for footy and everyone wanted to be a part of it."

The present-day adaptation of the championships is a far cry from the celebrated occasion it once was. Players jumped at the opportunity to pull on the league jumper and footy fans flocked to venues around the state, often traveling great distances to watch their team play.

In 1979, the cheer squad from VFL club Footscray, which was zoned to the area east of Traralgon at the time, jumped on the train carrying the players to Bendigo, ensuring the crowd had its fair share of red, white and blue on the day. For Meredith, the train trips were among the highlights of every campaign. "The old train trips were a bit of fun and games. Our phys-ed man was Laurie Payne and when they stopped the train at one point all the players had to go into a caboose and do some warm ups," Meredith recalled. "It was Payne by name, pain by nature, but he had us at our peak."

Meredith, who played the majority of his club footy for Yallourn, said the likes of Jack Huxtable and Joe Hutchison - league president and secretary at the time - were pioneers when it came to interleague football and their passion and drive were the catalysts to Gippsland's success and subsequent reputation. They were aided by host of talented players, many with genuine superstar pedigree. Captained by imposing ruckman Len Petch, with a young Jeff Gieschen as vice-captain, the household names were littered throughout the 1979 lineup. "You never used to lead to Petchy because he couldn't kick over a jam tin but he was a great ruckman and a great fella," Meredith said. "Dale Foster had just come back from Hawthorn... he played at centre half back and I remember he had a slashing game in the grand final. "Bingle [Rob Ballingall] played in the centre mainly and he was a terrific footballer but our strength was probably our big guys. We had Ian Salmon and Johnny 'Jack' Gallus who was probably the best reader of the ball I ever played footy against."

This year's side, which sits 11th on the modern rankings system, will tread a similar path, staying in Bendigo before continuing onto Cohuna where it will meet Central Murray Football League in the annual one-off game. The league will pay homage to the 1979 championship team, by wearing replica jumpers featuring white collars and the LVFL logo, with the years of previous title victories inscribed on the back.

EASTERN ZONE PREMIER NETBALL COMPETITION - EZPNC

Gippsland League made the final in both grades junior grades of the 2019 EZPNC. In the 17 & Under division Gippsland League stepped out as favorites against Bairnsdale Netball Association given they had not lost a game during the season. A strong come back in the final quarter by Gippsland was pleasing with the move of Ella Gown from defence to attack, however it was too little too late as their dominance in this competition came to an end at the hands of Bairnsdale Netball Association in a 40-33 win to be crowned premiers much to the delight of their supporters. Best on court was awarded to Paris Dunkley.

The 15 & Under division was played out between long time rivals Gippsland League and Sale Netball Association. Gippsland League came from third to earn their place in the grand final and Sale remained top of the table throughout the season never dropping a point. Sale Netball Association was a strong and a deserved Premiership winner taking the game 47-27. Best on court was Sale Netball Association's Indigo Waugh.

Most Valuable Player Awards for the season as voted by the umpires went to Mid Gippsland Netball Association's Georgia Hutchinson in the Open Division, 17 & Under was hotly contested with the eventual winner being Gippsland League's Chloe Radford and the 15 & Under was a tied between Sale's Charlotte Ronchi and Gippsland's Alice Reid.

GIPPSLAND LEAGUE NETBALL

With the 2019 season finished it's a great time to reflect with satisfaction on our accomplishments throughout the year.

We had another successful finals series which saw the majority of our clubs compete for the ultimate reward. All finals were of a high standard, extremely competitive and played in great spirit concluding with Morwell taking out the A grade premiership in a nail-biting final quarter.

I would like to take this opportunity to thank all involved in our final's series, especially our host clubs, for the amount of work they have put in again this year. The league took a new approach to the Best & Fairest vote count this year with a live stream being completed prior to presentation night. This was a great initiative and something we look forward to improving on in future years. Thank you to all clubs for embracing the change and the feedback provided afterward.

Congratulations to all award recipients, especially Montana Holmes who took out the Joe Hutchison Medal for A Grade Best & Fairest for the 3rd time – an amazing achievement! We have an incredible depth of talent within our league which saw our representative teams once again do us proud not only with their results but their conduct both on and off the court. Although we were unable to come away with a premiership, the teams were competitive in all sections with close games. Thank you to all players, coaches, team managers and other volunteers for their commitment in making these teams possible.

It is with a heavy heart that we had to say our goodbyes to much-loved life member Kevin Hogan who sadly passed away. Kevin was an integral part of our league who had a passion for making it succeed and was always seen at the courts with a fluoro vest or camera on. I would like to pass on our condolences to the Hogan family and thank them for everything Kevin did for our league to make it the success it is today.

I would like to take this opportunity to thank Daniel Heathcote for his ongoing management. Daniel puts in a massive effort every week and has a strong commitment to see us succeed and grow. A huge thank you also to Karen Proctor, Jo Ballinger and Jodie Galea for their ongoing work, support and commitment. These ladies put in so much work behind the scenes which ensures everything runs smoothly and sees us continue to grow and strengthen. Lastly, thank you to all sponsors, players, clubs, volunteers and supporters for your input, work and support throughout the year. Without you, we wouldn't be what we are today – The Gippsland Premier League.

Congratulations and well done to everyone involved and I look forward to seeing the league continue to grow in 2020.

TRFM GIPPSLAND LEAGUE UMPIRING

This year saw the reintroduction of an umpire coordinator which I was fortunate enough to administer. Whilst only having 3 umpires badged this season, having the opportunity to visit different clubs allowed myself to identify some really key areas to continue the growth of the umpire development in 2020 in the league including:

- Empowering clubs by providing support and knowledge to help them development their own umpires
- Implementing umpire workshops to better their understanding around the rules and application
- Providing more opportunities outside of their own clubs including Association Championships, State Titles and League Finals
- Potential implementation of umpire panel to assist with development of both umpire and player standards
- Establishing testing panels across the league to provide better opportunities for umpires to be badge as well as ongoing education
- Developing player education workshops to help bridge the gap with umpire and player rapport

I look forward to 2020 and what is installed.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
GIPPSLAND LEAGUE INC

Opinion

I have audited the financial report of Gippsland League Inc comprising the statement of financial position as at 31 October 2019, the income and expenditure statement and cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In my opinion, the accompanying financial report presents fairly, in accordance with the Associations Incorporation Reform Act 2012, the financial position of the association as at 31 October 2019 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the entity in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter - Basis of Accounting

I draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report is prepared to assist the entity in meeting its obligations under the Associations Incorporation Reform Act 2012. As a result, the financial report may not be suitable for another purpose. My report is intended solely for the entity and should not be distributed to or used by parties other than the entity. My opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Associations Incorporation Reform Act 2012, and for such internal control as management determines is necessary to enable the preparation of the financial report free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations or has no realistic alternative but to do so.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
GIPPSLAND LEAGUE INC

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with the management, I determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The 2019 finals series was again met with high anticipation with all 10 member clubs represented. Drouin senior football returned to the finals for the first time since 2016 while Moe had a double chance and were looking to feature deep into the series. In the netball Warragul FNC had all three senior grades in and saw their C Grade make the Grand Final for the first time in recent memory.

The Grand Final saw eight of our ten member clubs have sides compete with Maffra, Leongatha and Traralgon featuring heavily in the football. Warragul Fourths were the other club to make a football final and they joined their C Grade on the day as both finished runner up. In the netball Sale again featured heavily in the juniors with 13,15 & 17 Under all playing off. Moe would claim the B Grade premiership while Morwell won both the A Grade and 17 & Under titles. Bairnsdale continued on their strong junior netball performances over recent years making the 15 & Under Grand Final.

Off the field, 2019 saw the third year of the shared catering model in effect. The model was adjusted this year to ensure that the host clubs were being more financially compensated for their increased workloads at the events. In conjunction with a minimum \$1000 catering fee, the clubs also ran their social bars in the minor finals independently from the system and kept all profits. The hosting clubs also received their 1/10th equal share of the total profits of the system. All non hosting clubs featured on Grand Final day running shifts in the bar, canteens, BBQ and food truck. From the feedback this system seemed to work more efficiently and gave

greater benefit to the increased workload for hosting clubs. The figures on the next page show the revenue received from sales against the invoices that the clubs sent to the League. It also has a breakdown of expenses and the final figure that was returned to the clubs. The League does not make a single dollar from the system, it is run only to benefit all clubs each year.

In the finals gates breakdown chart there are three highlighted sections for 2019 where we set new records for the League. The Elimination Final gate takings at Moe and the 1st Semi gate takings at Traralgon helped steer us to a record gate takings figure for the minor finals. Big crowds followed the Moe senior side throughout and it led to a rejuvenated Preliminary Final crowd figure after disappointing crowds in 2017 & 2018.

The Grand Final had a great atmosphere and the event was buzzing. Some mid day rain may have affected the gate slightly, however our 4th highest gate was still returned in the past decade. With Maffra, Traralgon and Leongatha again dominating the football lineup, it was a positive result that we still had over 4400 patrons through the gate on the day.
