

PIDBA

STADIUM CODE OF CONDUCT

All spectators, coaches and players are asked to please follow the below basketball stadium code of conduct:

Only runners are to be worn on the Newhaven College Basketball Courts.

Coaches and players **MUST wear runners** to be permitted on the court. **Spectators without runners MUST not be on the court at any time.**

Muddy shoes MUST be left at the foyer entrance.

NO dribbling, passing & shooting practise of basketballs **in the foyer** at any time.

Please do not bring your own basketballs into the stadium.

They can get confused with PIDBA warm up and games balls.

PIDBA warm up and game balls are not to be taken from the courts they have been allocated to. **Please do not take any PIDBA basketballs outside the stadium.** PIDBA basketballs used for team warm ups are not to be used by spectators.

NO dribbling, passing & shooting practise of basketballs around the **court** area **during a game.**

NO running around the court during a game. Young children should sit with their guardians/parents to ensure they are not hurt.

DO NOT sit along the edge of the court as referees and players need this space to run or pass the ball back into play.

PIDBA only has access to limited spaces in the stadium (courts & bathrooms only). **Please ensure children are supervised by an adult at all times** and do not play in or around the foyer, other sections of the stadium or on the equipment within the stadium.

Thank you for your ongoing cooperation :)
