## Live Scores Procedure

### Live Scores (Fourths, Thirds, Reserves):

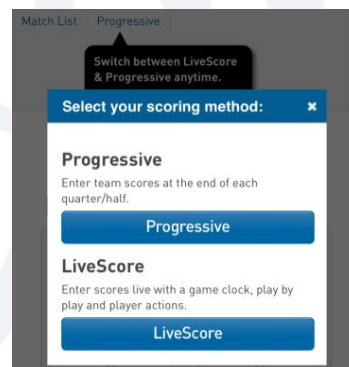

During the Fourths, Thirds and Reserves all scores must be entered at least quarter by quarter in real time via Sports TG and saved to the system.

This can be done by selecting

**PROGRESSIVE** as the scoring method.

Progressive scoring will allow input quarter by quarter.

LiveScore will allow you to input goal by goal and update match times.

At the completion of each match scores must be correct and all goalkickers and best players entered and saved correctly.

Please ensure you hit the **GREEN Update button** at the base of the page to ensure all scores and stats are saved.

### Live Scores (Seniors):

During Senior games all scores must be entered LIVE. This means that you select the live scoring option and enter goal by goal in real time.

This can be done by selecting LIVE SCORE as the scoring method.

Clubs are encouraged to enter the correct players scoring the goal (Add Player Action button) in real time. This will also save to the system meaning that goal scorers don't need to be updated after the match.

At the completion of each match scores must be correct and all goalkickers and best players entered and saved correctly.

Clubs should ensure that there are people available on the day who can administer LIVE SCORING. There is a huge demand for the service for all Leagues across Gippsland.

Should you have connectivity issues with the Internet, please alert your League Operations staff ASAP.

Clubs that do not comply with Live Scoring will be fined a minimum of \$50 per game.

# INVESTIGATIONS PROCEDURE

A club has a right to send in an official investigation request to the league to have an on field matter that has not been referred to the tribunal investigated by an independent source. The following procedure will need to be followed by clubs if they wish to raise an investigation. It is important the clubs follow every step or the investigation will not be able to proceed. There are specific time frames and policies around investigations that must be adhered to.

## Step 1 – The initial incident

If clubs believe of an incident warranting disciplinary action has occurred the first step will be for a club executive to gather all information relating to the incident. This includes any witnesses, footage (video/photographic) and to inform the player that the club will be pursuing this matter.

**Please note:** The league cannot investigate incidents without the club following proper procedure. In cases where parents or individuals are disgruntled and send in communication to the league reporting an incident and demanding action. The league can only pursue an investigation if the club sends through all official document and follow all time frames and procedures.

## Step 2 – Fill out the Incident Report form and submit to the league operations co-ordinator

The incident report form is critical for the league when appointing the investigations officer the form must be submitted within five (5) days of the alleged incident. Failure to do so will mean the case will be unable to go ahead, unless for extraordinary circumstances.

The report form will require player name, jumper number, match it occurred in, witness details, club contact details, offending player information (if known) and a full report on the incident and any potential injury that occurred.

A deposit of \$500 must accompany the Incident Report form to proceed. Failure to do so will mean the investigation will not go ahead.

**Please note:** In most cases the league will lose money on an investigation. The deposit is there to cover the cost of the investigator and tribunal. Even if the case goes to tribunal the offender may not be found guilty and the league will be required to pay these costs.

### **Please see extract from AFL Victoria 2017 Handbook**

The League, League Executive members, Club, Player, League or a AFL Victoria Country appointed official, who alleges that a player or an official of a club, umpire, Official of an umpires' Association, AFL Victoria Country Official, League official, Club, player advocate, or League appointed Official has been guilty of conduct which is unbecoming to a player, umpire, such Official, or club, or which has or is likely to bring the game of football into disrepute, may lodge with the League a Notice in writing setting out particulars of the allegation. Unless the notice is lodged by the League **a deposit of \$500 shall accompany the notice** which shall be forfeited in whole or part in the event that the Investigation Officer or Independent Tribunal considers it frivolous. **A Notice under this paragraph must be lodged with the League within five days after the date of the act or omission** to which it relates

## **Step 3- Hiring the Investigator**

After receiving both the form and deposit the league will hire a qualified independent investigator. The investigator will have a set time frame from when the report is sent to them to investigate the incident. They will follow a similar procedure as below

1. The Investigation Officer is instructed by the League Secretary to investigate the matter. The League Secretary supplies all relevant details regarding the alleged incident.
2. The Investigation Officer views video of alleged incident (if available). **Video and photographic evidence must be shown to the investigator. Failing to do so will mean the evidence cannot be used at the tribunal.**
3. The Investigation Officer interviews all witnesses (players, umpires, Officials, spectators) pertaining to the matter taking a written copy of the interview. It is recommended that the interview be conducted in Question and Answer format.

For example: Investigation Officer: Are you player (name) the wearer of number of (Club) who played in game (Club) vs (Club) on (date) at (Venue) (can be modified for non-player witnesses). Player/Official/Other: Responds. Investigation Officer: It has been alleged that (description of alleged incident). What did you see of the alleged incident? Player/Official/Other: Responds. Investigation Officer: Asks further questions relevant to the alleged incident in order to obtain as much detail as possible. At conclusion of interview Investigation Officer reads a copy of the interview to the witness who agrees to content of interview and signs copy of interview.

4. The Investigation Officer submits all correspondence relating to the matter to the League Secretary with a recommendation as to whether the matter should be dealt with by the League Independent Tribunal. In the conduct of the investigation and in making the recommendation the Investigation Officer should have an open mind with any doubt regarding the events of the incident being considered in favour of the investigated player or Official.

## **Step 4- The investigation report**

After the investigation period the investigator will submit a report to the league for review.

This report will be viewed by the league and actioned. If the alleged offending player/official is not sent to tribunal then the deposit placed by the club will be forfeited as the case will have been found frivolous.

## **Step 5- Independent tribunal**

If the alleged offending player/official is charged with Rule 5.0 unbecoming conduct (for full information see the AFL Victoria Handbook), they will be sent an official letter via the club informing them of the charge. An independent tribunal will be assembled and they will make arrangements with the alleged offending player/official.

## **Step 6- Outcome**

The outcome of the independent tribunal will be sent to the league. If the player is found guilty any suspension/fine will be imposed by the league. If the player is found not guilty there will be no further action from the league.

# INFORMATION SHEET: Working with Children Check

All information extracted from the AFL Victoria guidelines

Child Protection is about keeping children safe from abuse and protecting them from people who are unsuitable to work with children. The Working with Children Check (WWCC) provides a mandatory minimum standard for assessing the suitability of people working with children and young people. The check aims to screen for people who may pose a risk to the safety of children and young people in either paid or volunteer work.

## Guidelines

AFL Victoria has developed a guideline for Clubs, Leagues and Associations to follow to ensure the sport is doing everything possible to prevent child related offences. Under the Act, a person involved in football is considered to be engaging in child related work and must apply for the WWCC if they:

- Work or volunteer in a role that brings them into contact with children under 18; and
- Volunteer or do this work on a regular basis; and
- Have direct contact with children under 18 which is not directly supervised; and
- Do not qualify for one of the exemptions in the legislation (subject to AFL Victoria's policies).

It is **against the Law** for a person who is required to but has not obtained a Working with Children Check to **engage in child-related work, including volunteering**. It is also against the law to **knowingly employ a person who has not obtained a Working with Children Check in child-related work** if they are required to have one, **including volunteering**.

## Exemptions

AFL Victoria endorses the following exemptions from the legislation and it will recognize that Clubs and Associations shall not require the following individuals to apply for the WWCC (subject to appropriate proof being sighted): **Persons aged under 18**; Sworn Members of **Victoria Police** (who are not suspended from duty); **Teachers registered with the Victorian Institute of Teaching**; (clubs are required to sight the VIT registration)

Under the legislation, parents do not have to apply for a WWCC if their child is involved in the relevant activity. However, AFL Victoria does not endorse this exemption and it expressly requires that all parents that meet the criteria set out above apply for, and obtain a WWCC.

**AFL Victoria expects that Leagues and Associations will**, as a minimum requirement, have the following people obtain a WWCC:

- League or Association representative team that have players U18 participating
- Coaches;
- Trainers; and/or
- Team Managers
- Members of the League or Association Umpiring Board and/or Umpire Coaches.
- Any adult attending an overnight trip with a junior team
- Other members of the League or Association who are involved in regular contact with children that are not directly supervised by a person who has completed a WWCC;

League and Associations should also **maintain a register, provided by each Club**, of the **people within the Association (see below)** who have been approved under the legislation. It would not be necessary for the League or Association to sight actual check documents. The above requirements, to comply with the WWCC legislation, are in addition to all existing AFL Victoria and affiliated member child safety policies such as Code of Behaviour and Member Protection

AFL Victoria expects that Clubs with junior teams (**All Gippsland League clubs**) will, as a minimum requirement, have the following people obtain a WWCC:

- **All Executive Committee member's** i.e. President, Vice President, Secretary, Treasurer, as well as Canteen Manager / Supervisor, Child Safety Officer
- **Coach of a team**
- **Team Manager of a team**
- **Club Trainer of a team**
- Any adult attending an overnight trip with a junior team
- Other members of the junior club who are involved in regular contact with children that are not directly supervised by a person who has a WWCC

*In the case where junior players are playing in a senior team, the minimum requirements for Clubs in this instance will be: Coach of a team; Team Manager of a team; Club Trainer of a team*

**Please complete and regularly update the official GL WWCC Record Sheet and supply to the League for our records**
