## **PARKLEA BACK ON BOARD AS THE MAJOR SPONSOR OF THE EDFL IN 2020**

The EDFL Board of Management is pleased to announce that Parklea – Leading the way in property development - is once again the major sponsor of the Ellinbank & District Football League this season.

Parklea has been creating quality residential, commercial and industrial developments since 1974 when it was established by Andrew Facey.

With a wealth of property experience as the third generation Director of family business, Frank Facey Real Estate, Andrew Facey started Parklea with ambitions to be a major player in the development of the South East of Victoria. This experience instilled the importance of community and building places where people could live, work and play.

Terrific to have Parklea aboard again sponsoring the EDFL. Its support last year in no small way assisted the EDFL commit to the development of our juniors, the league as a whole and to provide an important community asset in and around West Gippsland.
