Coghlan Transport, Elders Ltd, Eureka Concrete, GDP Transport, Gollop's Garage,

We are supposed to be heading across to Talbot this week, but it is not to be.

These are crazy times, but hopefully things settle down in the near future and we can all resume proceedings as per normal.

In our reasonably short time in the MCDNFL, a healthy rivalry has emerged between Avoca and the Hawks.

Our senior footballers have met on 24 occasions with the Bulldogs having a 15 to 9 win/loss ratio.

Our A Grade netballers have been very successful in their matches having won every game of the 22 games played with a record high score of 106 goals to 18 goals back in 2011.

History shows that Avoca and Talbot first met way back in the 1800's and a game played in 1879 resulted in the death of a young Talbot Player named Robert Crooks.

BULLDOGS BARK

Edition 2 Season 2020

With the current season in limbo at the moment as a result of COVID -19, as a club we still have to continue fundraising as we have fixed costs regardless of how long our season may be.

We have entered into the Toyota Good For Footy Raffle as a way to assist in covering some of our costs for the season.

The raffle is a simple way of raising funds without a lot of work for our members and if you are able to participate in purchasing some tickets, it would be greatly appreciated.

Hopefully one of us will drive away with a new car.

We hope you are all staying safe and we look forward to all being back together in the future.
