

Covid-19 Player/Spectator Guidelines

Contact for Qld Health on **13 43 25 84** or visit <https://www.qld.gov.au>

Moving into QLD Government Stage 2 restrictions and following the AIS framework for rebooting sport as well as Basketball Queensland's Guidelines The following is our Policies and Procedures that we must adhere to whilst conducting a training session in Stage 2.

- If you are sick or have been unwell within 14 days please do not come to training, you will be denied access to the venue.
- If you test positive to Covid-19 you are not to come to training and to advise Qld health on **13 43 25 84** and advise Moreton Bay Basketball.
- For Mental health advice refer to MBB Mental Health Contacts list, available on website.
- 12 players per court if the courts are side by side with no upper limit on numbers. If there is a single court separated by a wall or temporary barrier such as a drop-down curtain that is at least 1.8m high, you will be permitted to have 20 participants on the court. (e.g. 18 players training 2 coaching staff and 1 of those staff is a Bio Security official)
- Biosecurity Volunteer must designate with signage 1 entry point and a different exit point at the venue for players/spectators to enter and leave from.
- Coaches/Biosecurity volunteer must ensure that upon entering the venue all players/spectators must sign the attendance register and use the Hand sanitiser provided otherwise entry is not permitted.
- No spectators allowed during stage 2 so we can minimise the risk of transmission
- Social Distancing to be practised at all times, 1.5m during the training session, unfortunately there is no handshakes or high fives allowed.
- Players you must bring your own ball, towel and water bottle to the venue as well as a pen/pencil to sign the attendance register. There is to be no sharing of equipment.
- Upon training finishing players must use Hand sanitiser provided, whilst practising social distancing and leave the venue promptly.
- There is a 20min swap over between sessions, coaching staff will ensure you the players leave the facility directly after training and that you do not loiter outside.

We thank you for your time and support
