

14th July 2020

To all Albury Basketball Junior Members and Players

The Albury Basketball Association (ABA) would like to advise you that planning for our new Season of junior basketball with starting 3 August 2020 is still underway. In regard to the current situation around Covid-19 and border closures ABA will be guided by NSW Basketball, Albury City and all relevant government departments and we will keep you informed as we know things can change very quickly. To our Victorian based member's, it is ABA understanding that you can continue to play in the competition if your residence is located with the 50km radius as a cross-border resident.

Please see below information from ABA regarding the reduced Game Fees and Registrations for Season 2.

Game Fees Season 2

Covid-19 Affected Members Game Fees Season 2 = **\$90 per player**

New Players Game Fees Season 2 = **\$115 per player**

Registrations Season 2 (NB Only paid if membership is due)

Covid-19 Affected Members: **\$85 per player**

New Players: **\$110 per player**

NB: Trinity Club Registrations Fees may vary.

We encourage all ELIGIBLE members to apply for the second round of Active Kids Voucher of \$100 to be used towards Season 2 fees. <https://www.service.nsw.gov.au/transaction/apply-active-kids-voucher>

Should a player choose **not to return** to play basketball in Season 2 and **DID NOT** use an Active Kids Voucher to pay for Season 1 fees, ABA recommend they can make a request in writing via their club to request a partial refund for season 1 game fees ONLY. Once received the club can then make a submission on their behalf to ABA Board.

Season 2 registration links are currently being prepared and these will be sent out to all existing members by ABA shortly.

Should you have any questions regarding the above information please do not hesitate to contact Albury Basketball Association Board via admin@alburybasketball.com.au.
