

APRIL 24 - 1958

Olinda notes

Olinda under 16's. continued their unbroken string of successes on Saturday when they overwhelmed Sth. Wantirna.

Two points came from this game; they were how nicely the South Wantirna boys were turned out, and their splendid courage.

Young Ron Dodd kicked four goals, R. Reid three, M. Harkness three, and little Eddie Gannon three. L. Sands and P. Jones kicked a goal each.

Most of these were made possible by Alec. Sutherland and Lofty Schauble. Keep together boys, this is a good combination.

Olinda	5.4
Wantirna South	0.1

Remember the 'bus to Hawthorn match next Saturday boys, it will be a good day out.

Junior Bloods
 have another
 good win

Good win boys with a badly weakened side.

Robert Reid was at his best kicking three goals. E. Gammon kicked four, A. Sutherland two and M. Harkness three.

Once more it is hard to mention players without noting D. Johnson's terrific back play.

Trevor tells me Saturday is a must for practice, so take his word for it. He means business. You look like doing a dress rehearsal for the grand final. This will be a perfect day for top-line practice; so be there.

Junior Bloods
 are team
 to beat

Some good footballers among these boys this year but I fear a few may be taking it a bit too easy. Remember boys, premierships are hard to win, you may think they are easy. But you take it easy and you'll understand the meaning.

You went well Saturday, but do not be lulled into a false sense of security, because you have two big tests to come.

Basic points to watch: Be at training every night you are instructed; train hard and listen to your coach; remember, when you think you know yourself, you invariably don't; don't be selfish, on or off the ground.

I heard a little whisper that the selectors are only looking for financial members from now on. So have a look at your position.

A welcome to the new players, you make a wise choice when you choose Olinda.

Final scores on Saturday:

Olinda	9.5
South Belgrave	1.2

Some bad handball prevented the score being much larger.

E. Gammon, R. Dodd, G. Feltham, M. Harkness, Lodge, M. Shcauble and D. Thompson were among the best, but all others helped this club continue on its winning way.

Looks like there may be a pie night on Wednesday 21st so there is a must.

Good luck for next week against Fern Tree Gully at home.
—BLUE BLOOD.

Junior "Bloods" are still winning

Good luck boys, another win, but your hardest match is still to come. Keep the pressure up.

Trevor is not hard to please, but I don't think he's entirely satisfied with your form, with a tough match coming up. It's up to you.

Be early on Wednesday for the pie night.

Thanks for keeping the boundary job filled. This saves the secretary a lot of time chasing around. Nice to see G. Felth-

am, M. Schauble and A. Lodge settling into the club.

Saturday's match brought some fine play from Michael Schauble, Robert Reid, Peter Mitchell, Robert Dodd and Eddie Gannon.

Your final scores were:

Olinda	4.8
Fern Tree Gully	2.5

Let's have a real special effort next Saturday, just to show you mean business.
