

Trophy Winners

● If they carry on from where they left off this year, the four "Bloods" pictured here are destined to go a long way along the road to success at football. In the season just concluded they played with Olinda seniors, and as the trophies indicate, were among the star players. On the left is **Keith Rankin**, who was voted the most serviceable player. Next to him is **Peter Milne**, best and fairest; **David McCarthy**, runner-up to best and fairest, and **Paul Jones**, most determined.
