Finals Marred By Conditions

All matches in the Eastern Districts Grand-finals fixture, were marred by the heavy and wintry conditions which prevailed last Saturday.

The most exciting game of the day was witnessed at Lilydale, where Wandin, striving to win their first ever premiership, were pipped by one point with the last kick of the day.

At Mitcham East Ringwood, looking the better side all day, ran out comfortable winners over East Burwood, 1st Division premiers for the past three seasons.

The Bluebirds handled the muddy conditions better than East Burwood.

Surrey Hills, hoping to gain victory in four Eastern Districts grand finals this season, had a bad day at Boronia, where Warran-

dyte (seniors) and Ferntree Gully (seconds) registered good wins to take the honours in their grades.

Warrandyte assured themselves of the right to entry into the 1st Division next season, with a classic display of wet weather football. Their more purposeful play and physical strength kept pressure upon Surrey all day, enabling Warrandyte to build up a winning margin of 21 points.
